- 5.1 **Regular Workday/Workweek:** The regular workday for full-time unit members shall consist of eight and one-half (8.5) consecutive hours which shall include a one (1) hour unpaid meal period. The regular workweek consists of thirty-seven and one-half (37.5) hours and shall consist of five (5) consecutive workdays, Monday through Friday.

Within five (5) working days from the employee's effective date of hire or any exceptions or modifications to the employee's work schedule (as stated below in Article 5.1.3 and 5.1.5), the District will forward to CSEA a signed copy of the Personnel Action form signed by the hiring Administrator. (Refer to Article 11.1)

- 5.1.1 The length of the regular workday and workweek for bargaining unit employees who work at least fifty percent (50%) of full-time shall be in all instances a fixed regular and ascertainable minimum number of hours not less than 18.75 hours per week.
- 5.1.2 The length of the regular workday and workweek for bargaining unit employees who work less than fifty percent (50%) of the full-time working hours shall not be less than one (1) hour per day on the days worked.
- 5.1.3 Exceptions to the workday or workweek schedule for full- and part-time employees would be allowed for any employee currently working a different schedule or any employee mutually agreeing with the District to work a different schedule.
- 5.1.4 The regular workday of Public Safety Officers shall consist of eight (8) consecutive hours which shall include a forty-five (45) minute paid meal period. By mutual agreement between the employee and the District, Public Safety Officers may be scheduled for four (4) consecutive days of ten (10) hours per day. A ten hour shift shall include a one (1) hour paid meal period.
- 5.1.5 The workweek for Public Safety Officers shall consist of a forty (40) hour workweek with consecutive workdays, Sunday through Saturday, and with consecutive days off. Public Safety Officers shall not work more than sixteen (16) hours in one twenty-four (24) hour period without a minimum of eight (8) consecutive hours off. Exceptions to this section shall be declared emergencies by the District Chancellor, Governor of California, President of the United States, or their designees. The intent of this subsection limiting overtime scheduling is to insure that unit members are not overscheduled and shall not be used as the sole grounds for discipline.
- 5.1.6 The District and CSEA agree that an employee may request modification of the 37.5 hour workweek of 7.5 hours per day, 5 days per week. The request is subject to the approval of the supervisor. Employees whose work schedule is less than 100% of full time may also request a modification of their work schedules.

The adjustment of the work schedule will not result in a reduction of the total hours worked in a week but will increase the daily hours worked above 7.5 hours, e.g. 9.375 hours per day for four (4) days per week. The daily adjusted work hours also will not result in shift differential pay. Other than for Public Safety Officers working four days per week and 10 hours per day as described above, for hours that exceed the employee's daily adjusted work hours or exceed the 37.5 hours per week, overtime pay/compensatory time will be paid.

Example: Monday – Thursday the employee works 9.375 hours. Overtime/compensatory time begins after the 9.375 hours worked. Absence affidavits also must reflect the daily adjusted work hours.

It is understood that the above modification may not be possible in some work areas and will vary from department to department. In all cases, the employee work schedule must be approved in writing by the supervisor.

- 5.2 **Rest Periods:** Unit members working four (4) hours or less shall be granted a fifteen (15) minute rest period per day. Unit members working more than four (4) hours and up to six (6) hours per day shall be granted one (1) fifteen (15) minute rest period and an unpaid meal period per day. Unit members working in excess of six (6) hours per day shall be granted two (2) fifteen (15) minute rest periods, to be taken, whenever practical, in the middle of each work period, as well as an unpaid meal period per day. By mutual consent of the immediate supervisor and the employee, the meal period and the rest periods specified in this article may be modified. The one (1) hour duty-free meal period shall be provided as close as possible to the middle of the regular workday. During meal periods, Public Safety Officers shall be paid and shall be subject to duty for emergency calls for service only.
- 5.3 **Overtime Assignments:** Overtime assignments shall be made only by mutual consent of the employee and the supervisor except in situations deemed to be an emergency, in which case the District may require overtime.
- 5.3.1 The duties of certain classes of jobs are subject to fluctuations in daily working hours which are not susceptible to administrative control. As a consequence, the Board, in accordance with Education Code Section 88026, exempts these classes from overtime compensation for service in excess of the hours in the workday, but agrees that hours worked in excess of the hours in a workweek, or for hours worked on a holiday, will be compensated on an overtime basis. The classes to which this section applies are: Athletic Trainer, Theatre Technician/Events Coordinator, Theatre Events Manager, and KCSM Underwriter.
- 5.3.2 **Pay or Compensatory Time Off:** Overtime shall be paid in accordance with Article 8.6. However, if the employee requests to take compensatory time off, and the supervisor agrees, compensatory time may be arranged in accordance with Article 8.6.2.

- 8.1 **Regular Rate of Pay:** The regular rate of pay of each member of the unit is based upon range placement of the classification to which the employee is assigned. (Appendix B)

8.1.1 The full-time monthly salary range is specified in Appendix C.

Total Compensation Formula: The formula in the attached spreadsheet will be used to calculate the funds available to CSEA to distribute between salary, benefits or other items as desired.

8.1.1.1 The amount available for total compensation for 2019-2020 is 3.43% allocated entirely as an on schedule salary increase.

8.1.1.2 The amount available for total compensation for 2020-2021 is 5.46% allocated entirely as an on schedule salary increase.

8.1.1.3 The amount available for total compensation for 2021-2022 is 0%.

8.1.1.4 The District shall make the property taxes data available to CSEA once they are finalized and proposed CalPERS medical rates when they are made available. CSEA shall determine the distribution of the funds and sign a Memorandum of Understanding with the latter of 30 days after the CalPERS rates and final property tax rates are made available. The District and CSEA shall review the estimates and costs in advance so that the relatively short turn-around is not a hardship.

8.1.1.5 **Minimum allocation:** The District shall guarantee that the minimum allocation to CSEA shall be at least enough to cover any increases in regulatory benefits on the base salaries and step increases. In no case shall the Total Available for Compensation and Benefits be less than zero.

8.1.1.6 **Comparability:** The District agrees to provide at least the same total compensation formula to CSEA as is provided in other collective bargaining agreements that may be reached following this date for contract years 2019-2020, 2020-2021, and 2021-2022.

8.1.1.7 **Additional Step:** Effective July 1, 2016, add "Step 6" to the salary ranges specified in Appendix C. All employees who reached Step 5 prior to June 30, 2015 shall be placed at Step 6 as of July 1, 2016.

8.1.2 A new employee of the unit will normally be placed at Step 1. The Chancellor or designee may recommend initial placement above the first step based upon the new employee's qualifications.

8.1.3 Subject to satisfactory performance of the employee, step advancement from one step to the next will occur on the classification anniversary date of that employee.

8.1.4 The regular rate of pay shall include any shift differential and/or longevity increment required to be paid under this Agreement.

8.2 **Shift Differential:** Members of the unit whose regular schedule includes work before 6:00 a.m. or after 4:30 p.m. will be paid a differential for any time worked before 6:00 a.m. or after 4:30 p.m. The differential paid will be that specified as the shift differential. The shift differential is five percent (5%) of regular salary.

8.2.3 Members who voluntarily time-shift their schedules shall not be eligible for Shift Differential.

8.2.4 In return for the continued availability of the Senior Broadcast Engineers KCSM-TV/FM for engineering transmission services, a seven and one-half percent (7.5%) shift differential shall be applied to the hours worked outside their regular shift. This differential shall be in addition to the overtime pay involved. The Shift differential for the KCSM/TV Broadcast Engineering staff shall be: 5% for all hours worked between 8:00 P.M. and 5:00 A.M. and 15% for time worked between 5:00 A.M. and 6:00 A.M.

If the current detail assignment will continue past thirty (30) calendar days, said detail assignment will be posted in accordance with Article 8.3.4 allowing sufficient time for a five (5) day posting period and selection process prior to the end of the thirty (30) calendar day limit.

8.3.1 If an employee assumes duties of a higher level position, the employee will be assigned detail pay for those duties which are outside of, or are inconsistent with, his/her normal assignment. Step placement on the higher salary range will be at the lower step which results in an increase of at least five percent (5%). If no step will result in a five percent (5%) increase, the employee will be placed on the highest step of the new range.

8.3.2 Said "detail assignment" shall not extend beyond 100 working days or for the term of a Leave of Absence (if said leave is the reason for a "detail assignment") after which said position shall be advertised.

8.3.3 Extension of the 100 working day period or past the expiration of the Leave of Absence must have the agreement of CSEA.

Twelve (12)	3.75% of base Salary
Sixteen (16)	6.25% of base Salary
Twenty (20)	8.0% of base Salary
Twenty-four (24)	10.75% of base salary
Twenty-eight (28)	12.0% of base Salary

- 8.4.1 The monthly increment will be added to the salary specified in the salary schedule and along with any applicable shift differential will become the regular rate of pay as specified in Section 8.1.
- 8.5 **Upward Step Placement:** A member of the unit who is permanently assigned to a classification at a higher range will be placed on any step which will result in an increase of at least five percent (5%). If no step increase will result in an increase of five percent (5%), the employee will be placed on the highest step of the new range.
- 8.6 **Overtime Compensation:**
- 8.6.1 **Overtime on a Regular Work Day:** Employees who work overtime shall be compensated at a rate of 1.5 times the employees' regular hourly rate of pay. Once an employee has reached the maximum accrual of compensatory time off during the fiscal year, all overtime hours worked thereafter shall be paid. Compensatory hours must be utilized by the end of each fiscal year. All accrued but untaken hours as of June 30th of each year shall be paid at the current regular rate of pay.

- 8.8 **Salary Survey**: At least once every four (4) years, a salary survey shall be completed with the following criteria:
- a. The compensation for each bargaining unit classification will be compared with the compensation for similar classifications using the Bay Ten community colleges and other organizations as mutually agreed upon by the District and CSEA.
 - b. The District will review and update all generic job descriptions and send copies to CSEA for approval before the salary survey is begun. Comparisons will be of monthly salaries for organizations surveyed, adjusted for the number of hours worked per week. Monthly salaries in those districts whose employees work a 40-hour week will be multiplied by a factor of .9375 to equate them to the monthly salaries of SMCCCD employees who work a 37.5- hour work week.
 - c. For employees in classifications assigned to KCSM, the District and CSEA agree to utilize a mutually agreed upon alternate list of survey entities.
 - d. The lowest and highest rates of pay, excluding long service increments/longevity, will be the basis for comparison.

- 10.1.3 An employee who is employed less than five (5) days per week or less than thirty- seven and one-half (37.5) hours per week, shall receive prorated sick leave hours.
- 10.1.4 Pay for any day of absence covered by this leave shall be the same as the pay which would have been received had the employee served during his/her regular work hours on the day of leave.
- 10.1.5 The full amount of the sick leave granted under this section shall be credited to each employee at the beginning of the fiscal year. Sick leave need not be accrued prior to taking such leave; however, a probationary employee shall not be eligible to use more than six (6) days of sick leave before completion of the probationary period.
- 10.1.6 Unused leave granted under this section may be accumulated without limit from year to year.
- 10.1.7 Upon retirement, employees will be credited with additional service time for unused sick leave, according to procedures prescribed by law.
- 10.1.8 Sick leave may be drawn upon for medical or dental appointments when they cannot be scheduled at off-duty hours.
- 10.1.9 Medical verification may be required by management to make proper determination of eligibility for benefits under this article. Management will require medical verification for employee absences of five consecutive working days or less, as follows: Should a supervisor reasonably believe that an unsatisfactory pattern of absence has developed, the supervisor shall first meet with the affected employee to discuss the matter. Should the unsatisfactory pattern of absences continue, the supervisor may require medical verification of employee absence.
- 10.1.10 Unused sick leave accrued in California public elementary schools, secondary schools, or community colleges may be transferred to this District in accord with Education Code Section 88202. Official verification of unused sick leave should be forwarded to the office of the District of Human Resources, where it will be credited to the employee's sick leave balance.
- 10.1.11 If absence because of illness or injury extends beyond accumulated leave for this purpose, the employee will be paid at fifty percent (50%) of his/her regular rate for a period not to exceed one hundred (100) working days, inclusive of days provided under Sections 10.1.1 – 10.1.3. The fifty percent (50%) benefit begins upon the expiration of full paid sick leave. In no event shall this benefit extend beyond one hundred (100) working

days in a fiscal year.

10.1.12 When all paid leave has been exhausted, an employee may request a six (6) month leave of absence without pay to protect his/her job. The leave may be renewed twice, for a maximum total of eighteen (18) months.

10.1.13 When able to resume the duties of his/her position within the class to which he/she was assigned, an employee may do so at any time during leave of absence granted under Article 10.1. The employee shall be restored to a position within the class to which he/she was assigned and, if at all possible, to his/her position with all the rights, benefits and burdens of a permanent employee.

10.1.14 **Catastrophic Leave:** The District shall create a catastrophic leave program as follows:

- a. Employees may donate one sick leave day per fiscal year to each person suffering a catastrophic illness; however, each employee must retain at least 22 sick leave days (approximately one work month) for his/her own account.
- b. Donated sick leave will be recorded sequentially. As required by Education Code Section 87045(d)(3), donated sick leave cannot be returned to the donor even if it is unused.
- c. Any employee who received eligible sick leave credits under this program shall first exhaust all paid leave he/she has accrued.

- e. The number of sick days that can be received by an employee is limited to fifty (50) days per fiscal year.
- f. If an employee is probationary at the time of taking a catastrophic illness leave, that employee's probationary status will resume upon return to work from catastrophic illness leave. Donated sick leave time is not counted towards attainment of regular status.

- 10.2.7 If an accident or illness occurs at a time when the full sixty (60) working days will overlap into the next fiscal year, the employee is entitled to only that amount remaining at the end of the fiscal year in which the injury or illness occurred, for the same illness or injury.
- 10.2.8 If an employee exhausts the sixty (60) working days of entitlement and is still unable to return to duty, he/she will then commence to use his/her sick leave, compensatory time, other leave and vacation entitlements, in that order. The daily wage award made under Worker's Compensation will continue to be endorsed to the District. The District will pay the difference between the daily Worker's Compensation award and the normal daily rate of pay. Accumulated or available sick leave, compensatory time, or other leave, however, will be reduced only by the amount required to provide a full day's wage when added to the Worker's Compensation award for each day of absence.
- 10.2.9 When an employee has been absent due to a work-related accident or illness and all leaves are exhausted, paid or unpaid, he/she will be placed on a reemployment list for a period of thirty-nine (39) months. If at that time, during the thirty-nine (39) months, the employee is able to assume the duties of his/her position, he/she will be reemployed in the first vacancy in the classification of his/her previous assignment. His/her reemployment will take preference over all other applicants, except for a reemployment list established because of lack of work or lack of funds, in which case the person shall be listed in accordance with appropriate seniority regulations. Upon resumption of his/her duties, the break in service will be disregarded and he/she will be fully restored as a permanent employee.

 - 17.1.3 Reclassification: The process by which major changes to the job duties assigned to positions are recognized by changes in the class to which those positions are designated.
- 17.2 **Requests for Reclassifications:** A request for classification review may be submitted by the employee, supervisor/administrator, or the CSEA to the Office of Human Resources. The duties upon which the reclassification is based must have been assigned by the administrator on a permanent basis, or performed by the worker with the supervisor's knowledge, explicit or implicit. All requests shall be submitted using the appropriate classification review forms available in the Office of Human Resources.  - c. Evidence of duties (e.g. correspondence, presentations, spreadsheets, etc.)
 - 17.2.2 The head of Human Resources, or designee, shall issue a written recommendation regarding the request within forty (40) working days to the employee and to the President of the CSEA.
 - 17.2.3 If the CSEA and/or the employee(s) agree with the recommendation or no appeal is made, the Office of Human Resources shall follow procedures leading to full implementation in a timely fashion as mutually agreed upon by the parties. The CSEA will either:

- c. submit a written or oral statement of "no position" with regard to the change(s).

Upon receipt of the CSEA written or oral agreement with the change(s) or "no position" statement, the Office of Human Resources shall then follow procedures leading to full implementation in a timely fashion as mutually agreed upon by the parties. The effective date of the reclassification shall be negotiated to the extent permitted by law and the good will of the parties.

If the recommendation is rebutted by the CSEA and negotiation is requested, the parties shall meet within twenty (20) working days to resolve any differences and reach agreement. The effective date of the reclassification shall be negotiated to the extent permitted by law and the good will of the parties.

17.4.1 The District agrees to negotiate a decision to:

- a. reduce the hours of any position or group of positions rather than to eliminate the position(s) by layoff,

17.5 **Procedures:** The District shall notify the President of CSEA, Chapter No. 33, of its intent to take any of the actions specified in Sections 17.2, 17.3 or 17.3.1 no later than thirty (30) days prior to the proposed effective date of the action.

17.6 By mutual agreement of both parties, timelines may be altered.

ARTICLE 18: REORGANIZATION PROCEDURES

- 18.1 The District may consider department or division reorganizations with the goal of creating a more streamlined, cost-effective service delivery in the Colleges and Chancellor's Office. Implementation of these new processes may have a direct impact on current position allocations, staffing levels and current position classifications. The following processes will be used to reorganize job functions and the delivery of services and to address the impact of these changes on individual employees. The intent is to have employees understand the rules, be well informed about the process, know what to anticipate, and be treated fairly.
- 18.2 The Chancellor and Board of Trustees have adopted the following "principle" as a guideline for these changes:
 - 18.2.1 There will be no employee lay-offs as a result of reorganization. A systems approach will be taken to identify the College and/or District Office departments (divisions) that would benefit most by reorganization of their primary and supportive services. Department and division reorganizations shall be implemented only to create streamlined, efficient and effective service delivery models, which address current student and organizational needs.
 - 18.2.2 Reorganizations may result in different staffing allocations and/or position classifications that include the following three scenarios:
 - 18.2.2.1 Classifications requiring the same sets of knowledge, skills and abilities falling within a plus or minus 5% salary range change
 - 18.2.2.2 Classifications requiring different sets of knowledge, skills and abilities and a salary range increase greater than 5%. A skills demonstration may be required of candidates for positions in which there is a higher level of knowledge, skills and abilities required.
 - 18.2.2.3 Classifications requiring different sets of knowledge, skills and abilities and a salary range decrease of greater than 5%
 - 18.2.2.4 For positions that are represented by CSEA, the union concurrence on all new classifications will be reached prior to implementation of the classification.
- 18.3 Incumbents will initially be apprised of the purpose, principles, goals, and potential classification, staffing and assignment changes, and will participate in ongoing communication throughout implementation of the reorganization.
- 18.4 Incumbents will be provided a reorganization implementation plan that includes various employment options available to them on a priority basis. Available options may include such changes as the following:
 - 18.4.1 Eligibility to apply for future-dated, newly created allocations and classifications that result from the reorganization, using internal recruitment and selection procedures (represented and non-represented incumbents would be eligible to apply) provided that the employee meets the minimum qualifications for the position.
 - 18.4.2 Eligibility to apply for other, alternative vacant positions within the District, or the option

to exercise vested seniority rights.

- 18.4.3 Eligibility for alternative severance options if offered by the Board of Trustees Eligibility to elect service retirement through CalPERS or CalSTRS.
- 18.4.4 Availability of early retirement incentives if offered by the Board of Trustees. As an example, if employees are eligible to retire (age 55 or older and vested in the CalPERS or CalSTRS pension plan), but lack one year to hit the “magic 75”, the Board of Trustees might elect to give a one year service credit so employees could retire with Retiree Health Benefits.
- 18.4.5 Where two or more incumbents met the minimum qualifications for a position, seniority shall be the determining factor as to which employee is selected for a position.
- 18.5 Employees who are impacted by a reorganization will maintain their current classifications, assignments and salaries until such time as the reorganization is implemented.
- 18.6 Affected employees who are reassigned to lower-paying positions as the result of the internal selection procedures will have their current salary “Y-rated” only if their current base salary exceeds the top step of the lower-paying position. This means that an employee will not have his/her current base salary reduced, but no future base salary increases will occur until such time that the top base salary step exceeds the employee’s base salary rate. The employee will continue to receive LSI, if applicable, and any other pay differential that applies to the new assignment. Each individual so impacted will receive a written explanation of how this job change will impact any future salary increases.

ARTICLE 19: REDUCTION IN FORCE

The District & the CSEA agree that should there be a reduction in force due to lack of work or lack of funds/un-funding as determined by the District, the parties shall first use the Managed Hiring process. This procedure shall be used for one or more effected employees. If a matter cannot be resolved via Managed Hiring, the District may proceed to the layoff procedure.

ARTICLE 19A: MANAGED HIRING

The parties may elect to start Managed Hiring at any round.

- 19A1 **Round 1:** The District shall establish and distribute a list of vacant positions to all classified employees in the District. All classified employees shall have the opportunity to apply for these positions. Requests for lateral transfers received in writing shall be considered on a priority basis at this time. An interview and selection process shall occur.
- 19A2 **Round 2:** The District shall post a revised vacancy list to all unit members who hold a position identified as less essential in an overall staffing plan for the College or District. Unit members holding such positions shall have the opportunity to apply for vacant positions. An interview and selection process shall occur.
- 19A3 **Round 3:** The District may place a unit member in a remaining vacant position for which the employee is qualified after consultation with the employee and CSEA. More senior employees shall be given first consideration. Every effort will be made to insure that every employee who wants to remain employed by the District shall be placed in a position.
- 19A4 Employees placed in a lower classification shall have their pay rate "Y-rated" until such time as the compensation rate for that position exceeds their current pay or the employee takes another position in which the pay exceeds the "Y-rated" pay rate. Contractual conditions regarding longevity increases (LSI) will apply to the "Y-rated" pay rate. The unit member shall continue to hold seniority rights per Article 19B of the current Agreement.
- 19A5 On-the-job training shall be provided for unit members who need to gain necessary skills and can do so in a reasonable amount of time.
- 19A6 Employees selected for or placed in a higher classification as a result of this managed hiring program shall serve a six-month probationary period in the higher classification but shall retain permanent status in the District per Article 11.2.4 of the current Agreement.
- 19A7 Employees selected for or placed in a position at the same or lower classification shall not serve a probationary period.
- 19A8 Job titles and classifications for vacant positions shall not be changed without consultation with the CSEA.

There shall be an expedited process to resolve any disputes arising out of the implementation of this agreement. Disputes shall be addressed in writing to the Employment Manager, office of Human Resources for resolution. Appeals will go directly to the Vice Chancellor of Human Resources for a final decision.

- 19A9 This process shall not be retroactive and is only available to current unit members.

19A10 Violations of this agreement shall be subject to the grievance process.

19A11 The District may offer a separation agreement to employees on a case by case basis.

ARTICLE 19B: LAYOFFS

- 19B.1 **Not Subject to Further Negotiations:** CSEA agrees that layoffs and their effects shall not be subject to further negotiations but shall be governed by the provisions of this Agreement. The parties agree that this article is not subject to the grievance procedure specified in Article 12.
- 19B.2 **Definition:** Layoff is defined as an involuntary separation from District service due to lack of work or lack of funds, or assignment to a class lower than that in which the unit member has permanence, voluntarily consented to by the unit member to avoid interruption of employment by layoff. The definitions of lack of work or lack of funds, and the determination of what positions are to be affected, are reserved to management.

Each of the different job titles included in Appendix A is a class. Appendix A may be amended from time to time to reflect new or deleted classes.

- 19B.3 **Seniority:** Seniority in a class is based on length of service in that class and higher classes from the last continuous date of hire as a probationary or permanent classified employee.

- 19B.3.1 Length of service shall mean all hours in a paid probationary or permanent status, excluding overtime, commencing or continuing after July 1, 1971. The District shall compute all time worked prior to July 1, 1971, on an annual hours basis as though each unit member had worked full time.

Hours in pay status will be used to determine the seniority ranking of all unit members hired on or before June 30, 1996. These seniority rankings will be subject to verification by each employee and then these validated rankings will be used in all future seniority matters.

Seniority within the classifications for all members hired on or after July 1, 1996 will be determined by date of hire only.

For members reassigned to another classification on or after July 1, 1996, seniority within that classification shall be determined by date of hire only.

- 19B.3.2 In the event that two or more employees have equal seniority, the order of layoff shall be determined by lot.
- 19B.4 **Timelines:** The District shall notify the affected employee(s) and the CSEA no later than forty-five (45) days prior to any planned layoff.

- 19B.4.1 The District and the CSEA representatives shall meet no later than five (5) days following the receipt of any notices of layoff to review the proposed layoffs and determine the order of layoff within the provisions of this Agreement.

- 19B.5 **Bumping Rights:** If positions within a class are eliminated, the least senior unit member(s) in the class will be notified of layoff and of the possibility of exercising bumping rights into an equal or lower class, if such possibility exists.

- 19B.5.1 In lieu of layoff, a unit member may exercise bumping rights into an equal or lower class in which he/she has served if the unit member has more seniority in that class than someone currently serving in that class.

The affected employee shall also have the right to prior consideration, i.e., the right to be interviewed and tested by the hiring manager (and/or designee[s]), of any advertised vacant position which is at or below the range of the position from which the affected employee is being laid off.

- 19B.5.2 When more than one position is affected, the availability to some unit members of the options of voluntary demotion or the exercise of bumping rights may depend on what options other affected unit members choose. In such cases the District shall notify the unit member and the CSEA of all options known to the District. The unit members shall be allowed to choose from the available options by order of seniority.
- 19B.5.3 The District may call a meeting of affected unit members or contact unit members individually to determine their preferences.
- 19B.5.4 An employee may elect layoff in lieu of exercising bumping rights, but this election shall operate to waive any reemployment rights to lower classes.
- 19B.6 **Re-Employment Rights:** A unit member who has been laid off has reemployment rights (preference over new applicants) for thirty-nine (39) months into the class from which he/she was laid off. Reemployment rights shall be in reverse order of layoff.
- 19B.6.1 Unit members who have been laid off shall also have the right to apply for open positions. CSEA shall be notified by the District of all employment opportunities within the District.
- Unit members who have been laid off shall have the right to prior consideration, i.e., the right to be interviewed and tested by the hiring manager (and/or designee[s]), of any advertised vacant position from which the employee has been laid off.
- 19B.6.2 The District shall fulfill its duty to communicate an offer of reemployment by depositing a written letter offering reemployment in the certified mail to the last address that the unit member has provided the Office of Human Resources.
- 19B.6.3 If the District fails to receive an acceptance within the fourteen (14) working days after postmark date of the offer, it shall consider that the unit member has declined the offer of employment.
- 19B.6.4 A unit member who accepts an offer of reemployment shall be given at least seven (7) calendar days after the unit member's acceptance of the District's offer to return to work. The District may establish a time for return to work of more than seven (7) days. By mutual agreement the unit member may report to work within fewer than seven (7) days.
- 19B.6.5 A unit member who has accepted an offer of reemployment will be restored to his/her step on the salary schedule but service credit (longevity) and benefits do not accrue during layoff except as defined under Section 19B.7.
- 19B.7 **Health and Welfare Benefits:** The District shall continue to pay health and welfare benefits according to the current Agreement for any employee laid off and currently receiving benefits, for one (1) month from the date of layoff, if the employee has served five (5) or more continuous years in the District.

19B.8 The District may offer a separation agreement to employees on a case by case basis.

ARTICLE 20: DISCIPLINARY PROCEDURES

20.1 **Statement Of Purpose:**

Definition: Discipline includes any action whereby an employee is deprived of any classification or any incident of any classification in which he or she has permanency, including dismissal, suspension with or without pay, demotion, or any reassignment, without his or her voluntary consent, except a layoff for lack of work or lack of funds.

The decision to initiate disciplinary proceedings and the determination of the type and the amount of recommended discipline are reserved to the District. However, a unit employee shall be subject to disciplinary action only for cause. Grounds for disciplinary action may be based on the causes enumerated in this Article in Sections 20.1.2 and 20.1.3.

20.1.1 **Application:** This Article applies to permanent unit members only. Probationary unit members may be terminated or subject to other discipline at the discretion of the District. All references to "days" within this Article shall mean working days. A working day is any day in which the central administrative offices of the San Mateo County Community College District are open for business.

20.1.2 **Progressive Discipline:** It is the intent of the parties to engage in progressive discipline and, before discipline is normally imposed, the unit member will be given an oral or written warning and a reasonable time within which to correct the deficiency or behavior. This warning may be omitted if the cause for discipline is found by management to be of such a nature that immediate or more severe action is deemed necessary. Management will consider the following elements in making a determination to impose immediate discipline:

- a. The nature of the omission, misconduct or deficiency;
- b. The probability that the deficiency can be corrected;
- c. The harm caused; and
- d. The past performance of the unit member.

20.1.3 **Causes For Disciplinary Action:** The following causes are stated by way of illustration. Other valid causes for discipline may be advanced by management.

- a. Incompetence in the performance of duties
- b. Inefficiency in the performance of duties
- c. Insubordination;
- d. Carelessness or negligence in the performance of duty;
- e. Willful misuse or waste of, or damage to, school District property or equipment;
- f. Unauthorized or excessive absence and/or tardiness
- g. Repeated abuse of leave privileges
- h. Use or possession of intoxicants or controlled substances on the job or reporting for work while under the influence of intoxicants or a controlled substance or conviction of a controlled substance offense;
- i. Dishonesty in handling District funds, records, or other property or falsifying any information supplied to the District, including but not limited to, information supplied on applications, employment records, or any other District record;
- j. Abandonment of position

- k. Discourteous, offensive or abusive conduct or language toward other unit members, students or the public. (This may include, but not be limited to, jokes, slurs, derogatory comments, or other non-work-related conduct or language regarding a person's race, color, religion, national origin, age, medical condition, physical handicap or other non-work-related status.);
- l. Failure to maintain any license or certification needed to perform duties, or failure to meet District insurability requirements;
- m. Violation of District, state or federal regulation(s);
- n. Conviction of any felony or of a misdemeanor involving moral turpitude. A plea or verdict of guilty or a conviction following a plea of nolo contendere, to a charge of a felony or any other offense involving moral turpitude shall be deemed to be a conviction within the meaning of this Section;
- o. Conviction of a sex offense as described in Education Code Section 88022;
- p. Knowingly making, duplicating or causing to be duplicated any key to any District facility without authorization from the appropriate administrator or supervisor; or
- q. Engaging in any employment or other activity that is inconsistent, incompatible, in conflict with or detrimental to the unit member's duties, functions or responsibilities as a District unit member.

20.2 **Procedural Steps—Informal Counseling:** An informal oral discussion(s) may be initiated by a Supervisor with a unit member when, in the opinion of the Supervisor, a performance-related event has become serious enough for the Supervisor to consider discipline. Three (3) working days prior to the notification to the employee, the President of CSEA shall receive in writing details of the performance-related event.

20.2.1 The unit member shall be informed of his/her right to CSEA representation at said discussion. Following the oral discussion the Supervisor shall, in writing, describe the problem behavior or areas of needed improvement and the desired corrections needed of the employee. A copy shall be provided to the unit member and CSEA.

20.2.2 The unit member shall be given the opportunity to attach his/her comments to the informal counseling memorandum within ten (10) days of the issuance of the memorandum. The informal counseling memorandum shall not be placed in the employee's personnel file at the informal counseling level

20.2.3 The District may consider additional training for the employee as deemed appropriate.

20.3 **Written Warning/Reprimand:** If the behavior is deemed severe or continues, the Supervisor shall issue to the unit member a clearly identified written letter of warning/reprimand. Three (3) working days prior to the notification to the employee, the President of CSEA shall receive a copy of the written letter of warning/reprimand. A copy will be sent to the Office of Human Resources. The member will be notified of the unit member's right to representation by the CSEA. At the request of the CSEA, the Office of Human Resources may also be involved at this level.

20.3.1 The unit member shall have ten (10) working days to request a meeting to contest the written reprimand. The Supervisor shall schedule a conference to hear the unit member's response. Following the conference, the Supervisor may recommend that the written warning/reprimand be modified in part or in whole or left as originally written and recommend placement into the unit member's personnel file.

20.3.2 If the supervisor recommends placement of the written warning/reprimand into the unit member's personnel file (in accordance with Education Code 87031), the unit member shall have the right within ten (10) days of the recommendation to appeal to the President of the College or the head of Human Resources or designee for review and shall also have the right to attach his/her comments for inclusion should the President or Vice-Chancellor, Human Resources or designee rule in favor of placement in the file.

The President or Vice Chancellor- Human Resources or designee will have ten (10) working days to respond to the unit member's appeal and give written notification to the unit member and CSEA with a ruling.

20.3.2.1 Unit members assigned to work at the District Office can appeal to the Chancellor or designee for review, and shall also have the right to attach his/her comments for inclusion should the Chancellor or designee rule in favor of placement in the file.

20.3.2.2 The Chancellor or designee will have ten (10) working days to respond to the unit member's appeal and give written notification to the unit member and CSEA with a ruling.

20.3.2.3 The District may consider additional training for the employee as deemed appropriate.

20.4 **Suspension:** Suspension from employment may be imposed by the Chancellor or designee directly or upon information from other administrators. CSEA shall receive a copy of any Notice of Suspension three (3) working days prior to the District's notification of the employee. The unit member shall be informed of their right to contest the Notice of Suspension in person or in writing pursuant to Section 20.4.1(d) and their right to representation by CSEA. The right to contest the Notice of Suspension shall be considered to be a "Skelly."

20.4.1 **Unit Member Rights:** The unit member shall be accorded the following rights prior to the commencement of a suspension:

- a. Written notice of the proposed action;
- b. The reasons for the action;
- c. A copy of the charges and materials upon which the charges are based;
- d. The right to respond to the charges either orally or in writing, at the unit member's discretion, before an impartial Skelly officer who was not involved, consulted, or aware of the issue at any step of the disciplinary process leading up to the statement of charges (the Chancellor or designee)
- e. Notice of the right to appeal; and
- f. Written notification to CSEA and notification to the unit member of the right to representation by CSEA.

20.4.2 A suspension that is imposed after the rights listed in 20.4.1 have been accorded shall be without pay unless the Chancellor or designee decides to make the suspension with pay. No unit member shall be deprived of pay until the rights listed in 20.4.1 have been accorded.

20.4.3 In situations in which an immediate suspension is necessary to avert possible serious harm to the District, its unit members, its students or the public, the employee may be

placed on paid administrative leave.

- 20.4.4 **Request To Appeal Suspension:** If a unit member elects to appeal a suspension, he/she must submit a request to the Chancellor or his/her designee within ten (10) days following the decision rendered as a result of the Skelly process outlined in Section 20.4. Failure to file a timely appeal shall constitute a waiver of appeal rights. The Chancellor or his/her designee shall rule on the appeal within fourteen (14) days from the date of the appeal. The Chancellor or his/her designee may sustain, revoke or modify the suspension. An appeal to the Board of Trustees from the ruling regarding suspension at this level shall be delivered to the Board of Trustees within ten (10) days after service of the Chancellor's or designee's decision. The review at this level shall consist solely of a review of the written records above, and shall not include a de novo hearing of the Board.
- 20.4.5 Failure to file a timely appeal to the Board of Trustees shall constitute a waiver of further District appeal rights.
- 20.4.6 If a unit member's suspension is revoked, he/she shall be compensated for the entire period. If the suspension is modified, he/she shall be compensated for any part of the suspension that is rescinded.
- 20.5 **Termination:** Before a permanent unit member is terminated, he/she shall be served a written Notice of Termination stating in ordinary and concise language the acts and omissions upon which the dismissal is based, the specific charges against him/her, a statement of his/her rights to contest the Notice of Termination in person or in writing pursuant to Section 20.5.2(d). In addition, the unit member shall be given a card or letter which only needs his/her signature to constitute a request for a hearing before an impartial hearing officer who was not involved, consulted, or aware of the issue at any step of the disciplinary process leading up to the statement of charges (the Chancellor or designee). The unit member shall be informed of his/her rights to representation by CSEA, CSEA shall receive a copy of any notice of termination three (3) working days prior to the District's notification to the employee. The right to contest the Notice of Termination, and any associated suspension, shall be considered to be a "Skelly."
- 20.5.1 Any notice or request shall be deemed served when it is delivered in person to the unit member to whom it is directed, or when it is deposited in the United States registered or certified mail, postage prepaid and addressed to the last address the unit member has given the Office of Human Resources.
- 20.5.2 The Chancellor or designee may suspend a unit member pending final resolution of the dismissal action if prior to suspension the unit member has been accorded the following rights:
- a. Notice of the proposed dismissal action and of the right to a hearing;
 - b. The reasons for the dismissal action;
 - c. A copy of the charges and materials upon which the charges are based; and
 - d. The right to respond to the charges either orally or in writing, at the discretion of the unit member, before an impartial hearing officer who was not involved, consulted, or aware of the issue at any step of the disciplinary process leading up to the statement of charges (the Chancellor or designee).
 - e. Notice of the right to appeal; and
 - f. Written notification to CSEA and notification to the unit member of the right of representation by CSEA.

- 20.5.3 A suspension that is imposed after the rights listed in 20.5.2 have been accorded shall be without pay unless the Chancellor or designee decides to make the suspension with pay. No unit member shall be deprived of pay until the rights listed in 20.5.2 have been accorded.
- 20.5.4 In situations in which an immediate suspension is necessary to avert possible serious harm to the District, its unit members, its students and the public, the employee may be placed on paid administrative leave.
- 20.6 **Appeal of Recommendation of Termination or Suspension**: CSEA may appeal a suspension or recommendation of termination to the Board of Trustees. Such appeal must be lodged with the Office of the Chancellor within ten (10) days following the decision rendered as a result of the Skelly process outlined in Section 20.5.
- 20.6.1 Within ten (10) days of the receipt of association approval, the Board shall appoint a hearing officer who shall not hold any other employment with the District, as described in 20.6.6 below. The District and CSEA shall work together to schedule the appeal as timely as possible taking into consideration the schedules of the Board, the District, representatives, and timelines related to any relevant requests for information. The unit member and the District administration shall be afforded equal opportunity to present evidence before the hearing officer. Following completion of the hearing, the hearing officer shall recommend a decision to the Board of Trustees. Hearings shall be held in closed session unless the unit member requests a hearing in open session. In either case, the Board need not be present during the hearing.
- 20.6.2 If a unit member fails to make a timely request for a hearing, the Board may act upon charges without a hearing and without notice to the unit member of the time and place of the Board's meeting to act on the charges.
- 20.6.3 The Board of Trustees shall consider the findings of fact and recommendations of the hearing officer and, if necessary, the transcript of the hearing prior to rendering a final decision on the matter. If the Board of Trustees finds for the unit member, it shall so notify the unit member within five (5) days after the finding, and all records pertaining to the incident shall be removed from the unit member's file.
- 20.6.4 If the Board of Trustees determines that sufficient cause exists it may impose discipline as proposed by the administration, or it may impose a lesser form of discipline. The Board's determination of the sufficiency of the cause for discipline and the degree thereof shall be conclusive.
- 20.6.5 If a unit member's suspension or termination is revoked, the unit member shall be compensated for any time during which the unit member was on an unpaid leave or suspension. If a suspension is modified, the unit member shall be compensated for any part of the suspension that is rescinded.
- 20.6.6 Within 30 days of the signing of this Agreement, CSEA and the District shall each submit three (3) names to create a list of six (6) individuals upon whom the parties may call to serve as a hearing officer per Section 20.6.1 above. This list shall be memorialized as Appendix E of this Agreement, and shall be used to select a hearing officer for a suspension or termination hearing in the following manner: each party shall alternately strike a name from the list until only one name remains, and the order of striking shall be determined by lot. If any hearing officer retires or is otherwise no longer available, the

party that submitted that hearing officer's name shall submit a new name to the list. The District shall bear the full cost, if any, of the hearing officer. In all cases, each party shall bear in full any other costs for its participation in the hearing process, including the costs of court reporters, transcripts, and other related costs.

- 20.7 **Other Provisions:** Mere technical, non-substantive violations of the disciplinary procedures which do not affect substantive rights shall not invalidate the discipline unless the violations were prejudicial to the unit member.
- 20.7.1 Any alleged violation of this Article shall be pursued as part of the appeals procedure of this Article and not as part of the Grievance Procedure, Article 12, of this Collective Bargaining Agreement.
- 20.7.2 A negative performance evaluation may be given to an employee without following the disciplinary procedure. (See Article 14, Performance Evaluation Procedures.)
- 20.7.3. The parties may mutually agree to skip steps or accelerate or slow time lines contained in the procedure, dependent upon the facts of an individual case.
- 20.7.4 This Article replaces all other District disciplinary rules, regulations, procedures, policies, customs, or other means of imposing discipline covered herein affecting members of the unit which may now be extant.
- 20.8 **Labor Management Committee (LMC) And Resolution Of Procedure Disputes:** Between collective bargaining time periods, the parties agree to use the LMC to workout procedural issues or modify the existing disciplinary process, procedure, or steps to better conform with the provisions of the law and to make the procedures easier for employees and supervisors to understand. Any changes to the Labor agreement shall be by mutual agreement and shall be reduced to writing.

ARTICLE 21: DURATION

- 21.1 **Effective Dates of Contract:** The term of this successor Agreement shall be July 1, 2019 through June 30, 2022.
- 21.2 **Contract Reopeners:** In addition to reopeners specified in Article 8.1.1, and Article 17: Reclassification, for the duration of this Agreement, each party may open up to two (2) non-economic articles in contract year 21/22.

IN WITNESS WHEREOF, the CSEA has caused this Agreement to be signed by its President and negotiators, and the Board has caused this Agreement to be signed by its President Chancellor and negotiator.
