- 1.1 **Recognition:** The Solano Community College District Governing Board, hereinafter called the "District" recognizes the California School Employees Association and its Chapter 211, hereinafter called the "Association" as the exclusive bargaining representative for all classified employee positions identified in the current CSEA salary schedule and any other position approved during the terms of this contract. (See Appendix C)
- 1.2 **Scope of Representation:** The scope of representation shall be limited to matters relating to wages, hours of employment, and other terms and conditions of employment. Nothing herein may be construed to limit the right of the District to consult with CSEA on any matter outside the scope of representation. If the scope of negotiations under the Rodda Act is broadened by State statute, or a PERB ruling, negotiations may be reopened thirty (30) days after such amendment or ruling solely on matters hitherto not subject to negotiations.

The District shall pay to the designated payee within a reasonable period of time the deduction of all sums.

3.2 Dues Deduction:

3.2.1 The District shall deduct dues from the wages of all employees who are members of CSEA on the date of the execution of this Agreement and those who become members thereafter. Dues are determined by both the CSEA statewide constitution and the local chapter constitution and bylaws.

The employee's personnel file shall be available for examination by the employee or his/her CSEA representative if authorized by the employee.
- 4.1.5 All material placed in a personnel file shall be dated and signed by the individual who prepared the material.
- 4.1.6 No material in a classified employee's personnel file originated prior to two (2) years shall be used to discipline, evaluate, dismiss or transfer a classified employee.

ARTICLE 5 – EVALUATION

- 5.1 All Regular employees shall be evaluated once every two years by their supervisor.
- 5.2 The probationary period for a classified employee shall be nine (9) calendar months. The probationary period may be nine (9) months in accordance with the following:
 - 5.2.1 Each probationary employee shall be evaluated at least once every three (3) months prior to earning regular status.

If it is determined that one or more processes has been violated the evaluation shall be void and revised accordingly.
- 5.5 Evaluations shall be executed only upon the District's Classified Employees Performance Evaluation Form, which will be mutually agreed upon by the District and CSEA.

- 5.6 A Regular employee who is promoted to a higher classification shall be on conditional status in the classification for a period of six months (6). Such employee shall be evaluated at the third (3rd) month.

ARTICLE 7 – SITE REPRESENTATIVES

- 7.1** The District agrees to recognize Association Job Representatives duly appointed by the Association who may receive grievances and conduct routine Association business. It is agreed that CSEA, in appointing such representatives, does so for the purpose of promoting an effective relationship between the District and employees by helping to settle problems at the lowest level of supervision. Job Representatives shall not leave their stations without prior approval of their immediate supervisor.
- 7.2** The Association will notify the Human Resources Manager of the names of all job representatives.

- 7.5** Site Representatives may seek and obtain assistance from Association staff members.

ARTICLE 8 – HOURS AND OVERTIME

- 8.1 Workweek:** For full-time employees, the normal workweek shall consist of forty (40) hours per week--five (5) consecutive days, Monday through Friday. This Article shall not restrict the extension of the regular workweek on an overtime basis when such is necessary to carry on the business of the District as provided in Section 8.9.

Workday: The length of the workday for each classified assignment shall be designated by the District in accordance with the provisions set forth in this Agreement. Each bargaining unit employee shall be assigned a fixed, regular, and ascertainable minimum number of hours, which shall be not less than twenty (20) hours per week with the exception of the following:

The District may fill six (6) classified positions in the CSEA bargaining unit for less than twenty (20) hours per week. Any employee hired under this provision would be assigned a fixed, regular and ascertainable number of hours.

No employee hired prior to August 1, 1985 would have his/her hours effected by this Agreement.

- 8.2 Flexible Scheduling:** The workweek core hours of the District vary between 7:30 a.m. and end at 5 p.m., Monday through Friday (reference 8.1). Different workweeks and workdays may be established for individual employees, classes of employees, or departments.

The District recognizes that flexible scheduling of work hours which accommodate the personal preference of employees and meets department needs may be of benefit to both the employees and the District. Employees may voluntarily work a flexible schedule so long as the core needs of the District are met. A flexible schedule may include, but is not limited, to one-half (1/2) hour lunch (minimum), changes in days and or hours worked, or other variances from the regular work schedules as established by the District. Lunch periods and breaks shall be taken in accordance with the provisions of Section 8.5 Lunch Periods and 8.6 Rest Periods, and shall not be used to shorten the workday.

Requests for flexible schedules shall be made and evaluated at the departmental-work area level. Therefore, different types of schedules may be implemented depending on the needs of each work area. The department manager retains the right to determine the core needs of each work area.

An employee, group of employees, or department manager requesting a

flexible schedule shall demonstrate as part of the request that the public service and/or production needs will continue to be met.

A proposal for a flexible schedule whether introduced by the employee or the manager shall be discussed between employee and the manager before the proposed schedule is to begin. An agreed upon flexible schedule between the manager and the employee will be documented and a copy sent to the Human Resources Department and the CSEA President. Denial of a specific request shall not be grieved.

Flexible scheduling arrangements may be discontinued after affected employees and the manager have discussed a change for the following reasons: a change in personnel; the request of the employees; the determination by management that public service, work production or flow are being adversely affected. A discontinued flexible schedule will result in all employees in that work area, if necessary, reverting to the previous fixed work schedule of that area until such time as new flexible schedules may be arranged. A two-week notice may be needed to cancel a flexible schedule in order to avoid adversely affecting production, workflow, or employee work schedules.

No flexible scheduling arrangement shall be permitted which results in a non-exempt employee earning mandatory overtime pursuant to the Fair Labor Standards Act. The parties agree that, for employees working flex schedules, the normal workweek may be redefined pursuant to the Fair Labor Standards Act.

The following conditions shall apply to employees working a flex schedule:

Vacation, Sick Leave: Employees taking a vacation or sick day will use the number of hours of vacation or sick leave that equals their scheduled hours for that day (e.g., summer nine (9) or ten (10) hours on a scheduled nine or ten (9 or 10) hour day , four (4) hours on a scheduled four (4)-hour day).

Holidays: Full-time employees (those whose normal workweek is 40 hours) will receive eight (8) hours of holiday credit if they are scheduled to be off on a holiday. Part-time employees (those whose normal workweek is less than 40 hours) will receive their prorata share of holiday credit if they are scheduled to be off on a holiday. Holiday credit does not count toward overtime as it is not time worked. If the employee is normally scheduled to work more than eight (8) hours on a day that is a holiday, the employee must either make up the difference in hours scheduled to be worked and actual hours of holiday credit through use of vacation or compensatory time off, or make up the additional time in the same week that the holiday occurs. Holiday credit is non-accumulative, must be taken prior to the end

of the current fiscal year, used as a whole day (not to be treated as a day is a day). Employees making up time due to occurrence of a holiday shall also not earn overtime for time spent making up the difference in holiday credit and scheduled hours of work and the department manager will be responsible for supervising all points of the schedule.

Overtime: Employees shall earn overtime (or compensatory time off) for all hours worked in excess of the flexible schedule assignment in a workweek, or in excess of their regularly scheduled hours in a workday (e.g., in excess of nine (9) hours on a scheduled nine (9)-hour day during summer session, and in excess of four (4) hours on a scheduled four (4)-hour day). Overtime for part-time employees shall continue to be governed by 8.9 of this Agreement.

8.3 Adjustment of Assigned Time: Any employee in the bargaining unit who works an average of thirty (30) minutes or more per day in excess of his or her regular part-time assignment for a period of twenty (20) consecutive working days or more shall have his/her regular assignment adjusted upward to reflect the longer hours, effective with the next pay period.

8.4 Increase in Hours: When additional hours are assigned to a part-time position on a regular basis, the assignment shall be offered to:

8.4.1 The incumbent when it is a single position.

- a. If the incumbent declines the additional hours, the District will offer the additional hours to another part-time employee who meets the minimum qualifications or advertise for a new part-time position.

8.4.2 By seniority within the affected department when there are multiple positions.

- a. If the senior employee declines the assignment, it shall be offered to the remaining employees in the class within the department in order of bargaining unit seniority until the assignment is made.

8.4.3 An employee cannot be adversely affected by this article and all rights of a person on the layoff list remains.

Note: Definition of "adversely affected" is that the employee shall not be reprimanded, disciplined, terminated, etc. for declining the assignment.

8.5 Lunch Periods: All employees covered by this Agreement shall be entitled

to an uninterrupted lunch period. Such lunch period shall be for a period no longer than one (1) hour nor less than one-half (1/2) hour and shall be scheduled for full-time employees at or about the midpoint of each work shift. The scheduling of the lunch period shall be made by the immediate supervisor.

- 8.6 Rest Periods:** The District shall provide one paid fifteen (15) minute rest period for each four hours of work. The scheduling of the rest period shall be made by the immediate supervisor in accordance with District needs. Employees are considered to be under the direction of the District during rest periods.
- 8.7 Rest Facilities:** The District shall make a reasonable effort to make available, within budgetary constraints, at each work site adequate lunchroom, restroom, and lavatory facilities for classified employees' use.
- 8.8 Voting Time Off:** If an employee's work schedule is such that it does not allow sufficient time to vote in any federal, state, or local election in which the employee is entitled to vote, the District shall arrange to allow sufficient time for such voting by the employee without loss of pay.
- 8.9 Overtime:** Overtime is defined to include any time worked in excess of eight (8) hours in any one day or in excess of forty (40) hours in any calendar week.
- 8.9.1 Overtime compensation shall be as follows:
- a. One and one-half (1-1/2) times the regular rate of pay for hours worked in excess eight (8) hours per day.
 - b. One and one-half (1-1/2) times the regular rate of pay for hours worked on the sixth consecutive day of work.
 - c. Two and one-half (2-1/2) times the regular rate of pay for hours worked on a holiday or the 7th consecutive day.
- 8.10 Shift Differential:** An employee who receives a shift differential premium on the basis of his/her shift shall suffer no reduction in pay, including differential, when assigned temporarily to a day shift.
- 8.10.1 Employees who begin their work day or shift after 1 p.m. or before 6 a.m. with management approval shall receive differential compensation at one range higher.

8.11 Compensatory Time Off:

- 8.11.1 An employee in the bargaining unit may have the option to elect to take compensatory time off in lieu of cash compensation for overtime worked. Overtime worked and the method of compensation must be approved by the immediate supervisor in advance of the work. Compensatory time off shall be granted at the rate of time-and-one-half.
- 8.11.2 Compensatory time off shall be reported as earned and as taken, in accordance with administrative procedure.
- 8.11.3 Compensatory time off, when taken in lieu of cash, will be taken within one year. If compensatory time is not taken for any reason, then the overtime will be paid in cash. An employee cannot accumulate more than two hundred forty (240) hours of compensatory time (160 hours worked=240 hours compensatory time).

8.12 Overtime - Distribution: Overtime shall be assigned by management in a reasonable manner no less than four (4) days in advance of the work to be done except in cases of extreme emergency on a departmental rotating basis.

8.13 Right of Refusal: Any employee who is, by the nature of current job assignment, the most qualified, or the only one qualified, to do a job, may not refuse an overtime assignment or a call back, or call-in assignment, except in case of an extreme personal emergency on the part of the employee.

Employees in a classification who are assumed to have equal skills/ knowledge may refuse such assignments, with the exception that, should all members of a classification refuse the assignment, management shall make the assignment based on the least seniority in the bargaining unit.

8.14 Minimum Call in Time: Any employee called in to work on a day when the employee is not scheduled to work shall receive a minimum of three (3) hours pay at the appropriate rate of pay under this Agreement.

8.15 Call Back Time: Any employee called back to work after completion of his/her regular assignment on the same day shall be compensated for at least three (3) hours of work at the overtime rate. If a called back employee works more than 3 hours, the employee will be compensated for actual time worked at their overtime rate.

8.16 Hours Worked: For the purpose of computing the number of hours worked, all time during which an employee is in paid status shall be construed as hours worked.

8.17 Summer School Assignment: When work normally and customarily performed by bargaining unit employees is required to be performed at times other than during the regular August-May academic year, the work shall be assigned to bargaining unit employees in the appropriate classification(s) as provided in this section.

8.17.1 When necessary to assign bargaining unit employees not regularly so assigned to serve during a summer session, the assignment shall be made in order of bargaining unit seniority, but no employee shall be required to accept such assignment. If the employee with the greatest bargaining unit seniority refuses the assignment, it shall be offered to other employees within the appropriate classification in descending order of bargaining unit seniority until the position is filled.

8.17.2 An employee who accepts a summer session assignment in accordance with the provisions of this section shall receive, on a prorated basis, no less than the compensation and benefits applicable to that classification during the regular academic year, and in no event shall his/her compensation and benefits be less, on a prorata basis, than the compensation and benefits he/she was receiving immediately prior to the commencement of the summer school assignment. (Ed.Code section 88002)

8.17.3 All hours assigned to an employee for a summer session assignment shall be considered "hours in paid status" for the purposes of this Agreement.

ARTICLE 9 – PAY AND ALLOWANCES

- 9.1 Distribution of Job Information:** Upon initial employment and each change in classification, each affected employee in the bargaining unit shall receive a copy of the applicable job description, a specification of the monthly or hourly rates applicable to his or her position, a statement of the employee's regular work site, regularly assigned work shift, the hours per day, days per week, and months per year.
- 9.2 Regular Rate of Pay:** The regular rate of pay for each position in the bargaining unit shall be in accordance with the rates established for each class as provided for in the current adopted salary schedule. The regular rate of pay shall include any shift differential and/or longevity increment required to be paid under this Agreement. The salary schedule is attached as Appendix A.

New employees may be initially placed beyond the first step, to maximum of step 3, of the salary schedule. Step placement at Step 2 is based on at least three (3) years of related education and/or paid work experience in addition to meeting the minimum requirements for the position. The equivalent of twenty (20) semester units of related course work will equal one (1) year (transcripts must be submitted). Related work experience will be counted on a year-for-year basis. Step replacement at step 3 will be based on an addition two (2) years of related education and/or paid work experience above the experience required for step 2 placement. In the event the District has difficulty filling a position, initial salary placement may be placed at a step 4, this initial placement will follow the above criteria up to a step 3. This will be effective on January 1, 2015.

- 9.5 Special Payments:** Any payroll adjustment due to an employee in the bargaining unit as a result of working out of class, re-computation of hours, or other reasons other than procedural errors shall be made and a supplemental check issued not later than five (5) working days following notice to the payroll department.
- 9.6 Lost Checks:** Any paycheck for an employee in the bargaining unit which is lost after receipt or which is not delivered within five (5) days of mailing if mailed, shall be replaced not later than five (5) working days following the employee's written demand of the payroll department for replacement of the check.

9.10 Docked Paycheck: Before the paycheck of an employee is docked for any reason, such employee shall be notified within a reasonable period (not less than 2 weeks) prior to such action. An exception to the time limitation of this section would be waived in cases of an employee leaving the District.

9.11 Sick Leave Pay-Off Option: Upon retirement from the district, a regular employee with fifteen (15) years of service may elect to receive a cash settlement of up to fifty percent (50%) of his/her accumulated regular illness leave entitlement after pushing maximum amount into service credit. Such settlement shall be paid at the employee's current hourly rate of pay and shall not exceed a maximum of 50 hours of pay. After the cash settlement, any balance of unused sick leave hours will be reported to the retirement system.

For all employees hired after July 1, 2007, seniority is based on length of continued service measured by the initial date of hire the employee has with the employer. Seniority is to be measured in the years/months format.

Seniority shall be accumulative during absences due to illnesses, layoffs, or leave of absence as long as such seniority is not terminated in accordance with other provisions of this Agreement.

- 19.1.2 Seniority shall be broken for any of the following reasons:

An employee resigns or quits.

An employee is discharged for just cause.

An employee is laid off for a period longer than thirty-nine (39) consecutive months.

An employee, after being laid off, fails to return to work within fifteen (15) calendar days after being notified by registered mail by the employer.

- 19.1.3 Seniority within a class, shall be calculated by time worked within classifications of higher and equal ranking in which employee is serving or has served.

An employee transferred to a job outside of the bargaining unit will retain accumulated seniority and will continue to accumulate seniority.

- 19.1.4 Length of service credit shall be granted employees for a military leave of absence.

- 19.1.5 "Hours in Paid Status" shall not be interpreted to mean any service performed prior to entering into probationary or Regular status in the classified service of the District except where the affected unit employee was employed as a substitute in the assignment received upon entering into probationary status.

- 19.1.6 "Class" is defined as a group of positions (classifications) within a

job occupational family which have common characteristics and which are ranked according to a job family.

- 19.1.7 "Classification" is defined as a position within a class which has a designated title, specific duties, responsibilities and minimum qualifications and which has a designated salary range established for each position within a class.
- 19.1.8 The District shall maintain an updated seniority roster indicating employees' class seniority, bargaining unit seniority and hire date seniority. Such roster shall be available to CSEA upon request.

19.2 Layoff:

- 19.2.1 Layoff shall occur only for lack of work or lack of funds.
- 19.2.2 Order of layoff within a classification shall be determined by length of service. The employee who has been employed the shortest time in the class plus higher classes shall be laid off first. In the case of two or more-unit employees having the same length of service, the order of layoff of such employees shall be determined by lot.
- 19.2.3 When a layoff of classified employees is anticipated by the administration, and prior to the time Governing Board action is taken with respect to a layoff of classified employees, the District shall notify CSEA of the possibility of a layoff action. The District shall provide CSEA with an updated seniority roster of all employees in the classified unit, showing hours of seniority for each classified employee as defined in accordance with this Agreement. A list of positions recommended for elimination will be furnished to the CSEA at the same time as the seniority list is furnished.
- 19.2.4 Procedures for layoff notice and right to hearing are set forth in Ed Code section 88017.

Any layoff notice shall specify the reason for layoff.

- 19.2.5 Vacation Pay upon Termination: An employee of the District receiving a 60-day layoff notice shall have the option of taking his/her accrued vacation or receiving monetary compensation for such accrued vacation, but shall not be forced to take such vacation within the 60-day notification period. Vacation time and compensatory time (within the limits of the contract) earned and

unused at the time of layoff shall be computed and paid off with the final warrant due the employee.

- 19.2.6 Fringe Benefits: A unit employee who has been laid off pursuant to this Article shall be entitled to, at his/her expense, to continue the same insurance plans provided for employees in the health and welfare article of this Agreement, for a period of eighteen (18) months following the date of termination and/or until such time as the employee becomes covered under any other group health plan, whichever occurs earlier. The unit employee shall pay the monthly premium costs on the dates designated by the District in order to continue such coverage.
- 19.2.7 Substitute Work: The employer must make reasonable efforts to utilize laid-off employees for substitute work. Such employees interested in substitute work must file a letter to that effect with the Human Resources Department. Substitutes will be selected from the re-employment list by seniority.
- 19.2.8 In lieu of being laid off, an employee may (if possible): retire, take voluntary demotion, take voluntary reduction in assigned time or bump into another position for which he/she is eligible.

19.3 Bumping Rights:

- 19.3.1 An employee who is laid off from a classification and who has previous service in an equal or lower classification shall have the right to bump the least senior employee in such equal or lower classification.
- 19.3.2 The employee must have previous service in a position, even if title may have changed, to be eligible to 'bump'.
- 19.3.3 A person with bumping rights shall bump into a previously held position which has the same number of hours in paid status per year or the one with the nearest number of hours as did the position from which he/she is being laid off.

19.4 Re-employment Rights:

- 19.4.1 Persons laid off because of lack of work or lack of funds are eligible to re-employment for a period of thirty-nine (39) months and shall be reemployed in preference to new applicants. In addition, such persons laid off have the right to participate in promotional examinations within the district during the period of thirty-nine (39) months.

A unit employee who elects a demotion, reduction in assigned time or retirement in lieu of layoff shall be placed on a sixty-three (63) month re-employment list and shall be eligible, when a classified vacancy occurs, to return to his/her former job classification in seniority order, without being subject to testing of any kind.

- 19.4.2 There shall be an up-to-date re-employment list kept by the Human Resources Department, whereby employees laid off shall be ranked on that list in accordance with their proper seniority.

- 19.4.3 A person who has been placed on the lay-off list by reduction in hours shall have priority to regain full employment over an employee who is currently working half-time.

- 19.4.4 Re-employment-Placement on the Salary Schedule: Classified employees on the Re-employment List, who meet minimum qualifications for a vacant classified position, shall be placed on the step in the classification which gives them the same dollar amount, if possible, or the nearest dollar amount they earned at the time of layoff.

No salary credit shall be granted in any year or years in which the person in layoff status performs no services to the District.

After returning to work, a person would advance one step on the salary schedule on their next anniversary date provided they have rendered service by being reemployed prior to their established date.

- 19.4.5 Order of Employment: The following order of employment will be implemented until all persons on the laid off re-employment list have returned to their former classification (no less than the same hours per day and work-year) or have returned to another classification (at the same pay level, same or more hours per day and work-year prior to layoff) or returned to a position that is recognized as a promotion (with the same or more work hours and

work-year).

- a. Layoff within job classification: Persons laid off for a specific job classification will have return rights by seniority order. (Example: An Administrative Assistant I is laid off; he/she is on the re-employment list for an Administrative Assistant I position. If an Administrative Assistant I position becomes available, the most senior Administrative Assistant I on the layoff re-employment list will be offered the position.)
- b. Illness/Injury: Persons who were placed on the 39-month re-employment list due to illness/injury will be offered a position in the classification held prior to placement on the list when a position is available during that timeframe, providing a doctor's verification is submitted indicating that the employee is physically/mentally able to return. This verification must be submitted to the Human Resources Department to be eligible for reinstatement and prior to vacant positions becoming available.
- c. Minimum qualifications: Persons laid off who qualify* for other CSEA positions will be offered positions in seniority order that become available providing the positions are in the same or lower pay range of the salary schedule as the position from which they were laid off from. (Example: A Student Services Specialist who was on Range 13 is laid off. A Financial Aid Assistant III position becomes available which is also on Range 13. The laid off Student Services Specialist will be offered the Financial Aid Assistant III position.) For the purpose of re-employment, the employee is considered to be reemployed and no longer on the re-employment list if he/she accepts a position on the same pay range, same hours, and same work year. Employees who accept a lower paying position, reduced hours, or reduced work year will continue to be on the re-employment list.
- d. Other district positions (CSEA, Operating Engineers, and Confidential) that become available that are not filled by steps a, b, or c above will be made available to CSEA employees and other district employees on the District layoff re-employment list. These persons will be notified by letter of the availability. Interested persons from this list must meet minimum qualifications and make application as indicated in the letter. They will be interviewed prior to any other persons.

e. Refer to Article 16 for transfers/promotion and promotion details.

19.4.6 If a position becomes vacant during a unit employee's eligibility period for re-employment, the Human Resources Manager shall send written notice by first class mail to the last known address of such unit employee(s) offering re-employment in seniority order.

19.4.7 The District may, simultaneously, send out notices of a job vacancy to more than one person on the re-employment list, provided that the more junior person may be given the vacancy only when those persons with more seniority have declined or waived the vacancy.

19.4.8 If an employee accepts any offer of re-employment, he/she must report to work within fifteen (15) work days following receipt of the re-employment offer, unless a later reporting date is indicated on the re-employment offer itself, or the District approves a later reporting date.

ARTICLE 20 – DISCIPLINE AND DISMISSAL

20.1 **Statement of Purpose:**

Definition: Any unit member designated as a Regular employee shall be subject to disciplinary action only for reasonable cause. “Cause” relating to disciplinary action against classified employees means those grounds for discipline, or offenses enumerated in written rules, regulations and policies of the District.

The decision to initiate disciplinary proceedings and the determination of the type and the amount of recommended discipline are reserved to the District. However, a unit employee shall be subject to disciplinary action only for cause. Grounds for disciplinary action may be based on the causes enumerated in this Article in Sections 20.1.2 and 20.1.3.

20.1.1 Application: This Article applies to Regular unit members only. Probationary unit members may be terminated or subject to other discipline at the discretion of the District. All references to “days” within this Article shall mean working days.

20.1.2 Progressive Discipline: It is the intent of the parties to engage in progressive discipline and, before discipline is normally imposed, the unit member will be given an oral or written warning and a reasonable time within which to correct the deficiency or behavior. This warning may be omitted if the cause for discipline is found by management to be intentional or of such a nature that immediate or more severe action is deemed necessary. Management will consider the following elements in making a determination to impose immediate discipline:

- a. The nature of the omission, misconduct or deficiency;
- b. The probability that the deficiency can be corrected;
- c. The harm caused; and
- d. The past performance of the unit member.

20.1.3 Causes for Disciplinary Action: Causes for discipline are in accordance with Board Policy 4770 and California Education Code.

20.2 **Procedural Steps- Informal Counseling:** An informal oral discussion(s) may be initiated by a Supervisor with a unit member when, in the opinion of

the Supervisor, a performance-related event has become serious enough for the Supervisor to consider discipline. The unit member shall have the right to CSEA representation at said discussion. Following the oral discussion, the Supervisor shall, in writing, describe the problem behavior or areas of needed improvement and the desired corrections needed of the employee. A copy shall be provided to the unit member and CSEA.

20.2.1 The unit member shall be given notice that the materials will be placed in personnel file within ten (10) days and the opportunity to attach comments to the notation. No written notation shall be placed in the employee's personnel file at the informal counseling level.

20.2.2 The District may consider additional training for the employee as deemed appropriate.

20.2.3 When an employee has cause to believe that disciplinary action is going to be taken against him/her, he/she may request a CSEA representative at the meeting.

20.3 Written Warning/Reprimand: If the behavior is deemed severe or continues, the Supervisor shall issue to the unit member a clearly identified written letter of warning/reprimand. A copy will be sent to CSEA and the Office of Human Resources. At the request of CSEA, the Office of Human Resources may also be involved at this level.

20.3.1 The unit member will have ten work (10) days to request a meeting to contest the written reprimand. The unit member shall have the right to representation by CSEA at this meeting. The Supervisor shall schedule a conference to hear the unit member's response. Following the conference, the Supervisor may recommend that the written warning/reprimand be modified in part or in whole or left as originally written and recommend placement into the unit member's personnel file.

20.3.2 If the supervisor recommends placement of the written warning/reprimand into the unit member's personnel file (in accordance with Education Code 87031), the unit member shall have the right within 10 (ten) days of the recommendation to appeal to the President/Superintendent of the College or the Human Resources Manager for review and shall also have the right to attach comments for inclusion.

The President/Superintendent or Human Resources Manager will have (10) working days to respond to the unit member's appeal and

give written notification to the unit member and CSEA with a ruling.

20.4 Suspension: Suspension from employment may be imposed by the President/Superintendent of Human Resources Manager directly or upon information from other administrators and is without pay unless the President/Superintendent or Human Resources Manager decides otherwise.

20.5 Termination: Before a Regular unit member is terminated, he/she shall be served a written notice, stating in ordinary and concise language the acts and omissions upon which the dismissal is based, the specific charges against him/her, a statement of right to a hearing, and the time within which such hearing must be requested, which shall not be less than five (5) days after service of the notice. In addition, the unit member shall be given a letter which only needs signature to constitute a request for a hearing before the Human Resources Manager, and a denial of the charges. CSEA shall be provided a copy of the notice of termination and the unit member shall have the right to representation by CSEA during this process.

20.5.1 Unit Member Rights/Skelly Rights: The unit member shall be accorded the following rights prior to the commencement of a suspension or termination:

- a. Written notice of the proposed action;
 - b. The reasons for the action;
 - c. A copy of the charges and materials upon which the charges are based;
 - d. The right to respond to the charges either orally or in writing, at the unit member's discretion, to the President/Superintendent or Human Resources Manager at the time of notification of the charges'
 - e. Notice of the right of appeal; and
 - f. The right to representation by CSEA during this process.
- (Adopted 1/21/15)

20.5.2 Request To Appeal Suspension Or Termination: If a unit member elects to appeal a suspension or termination, he/she must submit a request to the President/Superintendent or Human Resources Manager within to (10) days after receipt of the notice of suspension or termination. Failure to file a timely appeal shall constitute a waiver of appeal rights. The President/Superintendent or Human Resources Manager may sustain, revoke or modify the suspension or termination. Any appeal from the ruling regarding suspension or termination at this level shall be to the Board of

Trustees within seven (7) days after service of the President/Superintendent of Human Resources Manager decisions.

20.5.3 If a unit member's suspension or termination is revoked, he/she shall be compensated for the entire period. If the suspension is modified, he/she shall be compensated for any part of the suspension that is rescinded.

20.6 Other Provisions: Mere technical, non-substantive violations of the disciplinary procedures which do not affect substantive rights shall not invalidate the discipline unless the violations were prejudicial to the unit member.

20.6.1 Any alleged violation of this Article shall be pursued as part of the appeals procedure of this Article and not as part of the Grievance Procedure, Article 27, or this Collective Bargaining Agreement.

20.6.2 A negative performance evaluation may be given to an employee without following the disciplinary procedure. (See Article 4, Employee Rights, 4.2 Evaluations.)

20.6.3 The parties may mutually agree to skip steps or accelerate or slow time lines contained in the procedure, dependent upon the facts of an individual case.

20.6.4 This Article replaces all other District Disciplinary rules, regulations, procedures, policies, customs, or other means of imposing discipline covered herein affecting members of the unit which may now be extant.

20.6.5 In situations in which an immediate administrative leave is necessary to avert possible serious harm to the District, its unit members, its students or the public, or for investigations, the administrative leave will be paid leave.

ARTICLE 21 – PEACEFUL RESOLUTION OF DIFFERENCES

Both parties recognize the desirability of continuous and uninterrupted operation of the instructional program during the normal school year and the avoidance of disputes which threaten to interfere with such operation. Since the parties are establishing a comprehensive grievance procedure under which unresolved disputes may be settled, the parties have removed the basic cause of work interruptions during the period of this Agreement.

CSEA accordingly agrees that during the period of the Agreement no strikes of any kind shall be caused or sanctioned by CSEA.

The Employer agrees that no lockouts of employees shall be instituted by the Employer during the term of this Agreement.

If an employee covered by the Agreement expresses a concern for his/her health, safety or welfare, the Employer will not require such employee to go through a picket line directed at the school board. However, any employee exercising the right granted under this provision shall have her/his lost time charged to accumulated leave time, or at the option of the employee, without pay. If no accumulated leaves are available, advance leave may be taken, or at the option of the employee, without pay.

ARTICLE 22 – SAFETY

- 22.1** The District shall, within the limitation of its financial capabilities, provide the bargaining unit employee with safe working conditions.
- 22.2** The District shall attempt to comply with the provisions of the California State Occupational Safety and Health Act regulations within the general industry and construction industry standards.
- 22.3** **Safety Equipment:** If the duties of an employee in the bargaining unit reasonably require the use of any equipment to insure the safety of the employee, the District shall furnish such equipment or gear if deemed reasonable and necessary by Management.
- 22.3.1 In the event of dispute as to reasonableness, the applicable provisions of CAL-OSHA regulations shall be the guidelines to be used to resolve the dispute.
- 22.4** **Safety Committee:** A Safety Committee shall be formed and composed of two (2) members appointed by the District and two (2) members appointed by CSEA. The Committee shall review health, safety, sanitation and working conditions.
- The committee shall make recommendations to the District concerning improvement in health, safety, sanitation and working conditions.
- 22.5** **On-the-Job Accidents:** Employees shall report all on-the-job injuries within 24 hours, no matter how minor they may seem, to the Business Office. Failure to report injuries promptly could deprive the employee of the insurance benefits.
- 22.6** A CSEA Job Representative shall be granted released time to accompany a CAL-OSHA representative conducting an on-site walk-around safety inspection.

ARTICLE 23 – MANAGEMENT RIGHTS

- 23.1** The District, on its own behalf and on behalf of the residents thereof, hereby retains and reserves unto itself, without limitation, all powers, rights, authority, duties, and responsibilities conferred upon and vested in it by the laws and the Constitution of the State of California, and of the United States, including, but without limiting the generality of the foregoing, the right:

To the District management, administrative control of the District and its properties and facilities, and to direct the work of its employees; except as otherwise modified by this Agreement.

To hire all employees, and, subject to the provisions of the law, to determine their qualifications and the conditions for their continued employment, discipline, dismissal or demotion; and to promote, assign, and transfer all such employees; except as otherwise modified by this Agreement. To establish educational policies, goals, and objectives; to insure rights and educational opportunities of students; to determine staffing patterns; to determine the number and kinds of personnel required in order to maintain the efficiency of District operation, except as modified by this Agreement; and

to build, move, or modify facilities; establish budget procedures and determine budgetary allocation; determine the methods of raising revenue.

- 23.2** The exercise of the foregoing powers, rights, authority, duties, and responsibilities of the District, the adoption of policies, rules, regulations and practices in furtherance thereof, and the use of judgment and discretion in connection therewith shall be limited only by the specific and express terms of this Agreement and then only to the extent such specific and express terms hereof are in conformance with the Constitution and laws of the State of California and the Constitution and laws of the United States.

ARTICLE 24 – CONTRACTING OUT

- 24** Human Resources shall provide bi-monthly reports to CSEA detailing and tracking all non-probation and Regular CSEA members that are offered contract for CSEA service. This includes but is not limited to Professional Experts, Short-Term employee, Substitute employee (temporary absence), and substitute employee (vacancy) as defined under Article VII. The District agrees not to contract out CSEA work except as permitted pursuant to Board Policy 4710 and Education Code 88003. (See Appendix L – BP 4710 & Appendix M – Education code 88003).

ARTICLE 25 – SEVERABILITY

- 25.1 Saving Clause:** If during the life of this Agreement there exists any applicable law or any applicable rule, regulation, or order issued by governmental authority other than the District which shall render invalid or restrain compliance with or enforcement of any provision of this Agreement, such provision shall be immediately suspended and be of no effect hereunder so long as such law, rule, regulation, or order shall remain in effect. Such invalidation of a part or portion of this Agreement shall not invalidate any remaining portions which shall continue in full force and effect.
- 25.2 Replacement for Severed Provision:** In the event of suspension or invalidation of any Article or Section of this Agreement, the parties agree to meet and negotiate within thirty (30) days after such determination for the purpose of arriving at a mutually satisfactory replacement for such Article or Section.

ARTICLE 26 – GRIEVANCES

26.1 Definitions and Restrictions:

- 26.1.1 A grievance may be filed whenever an employee alleges that there has been misinterpretation, misapplication, or a violation of the specific terms and conditions of this Agreement.
- 26.1.2 An immediate supervisor means the individual who assigns, reviews, and directs the work of the grieving employee.
- 26.1.3 A party is an employee, the Association, or the District.
- 26.1.4 A representative is an individual designated by the Association.
- 26.1.5 The failure of the Association, or the employee, to act on any grievance within the prescribed time limits will act as a bar to any further appeal. Management's failure to give a decision within the time limits shall permit the grievant to proceed to the next step. The time limits, however, may be extended by mutual agreement.
- 26.1.6 An investigation or other handling or processing of any grievance by the grievant shall be conducted so as to result in minimal interference with, or interruption of, the instructional program and related work activities of the grieving employee or of the staff.

26.2 Procedures:

- 26.2.1 First Step: No later than fifteen (15) calendar days after an alleged grievance occurs, an attempt shall be made to resolve the matter in informal verbal discussion between the grievant and the employee's supervisor. The supervisor shall make his/her decision known to the grievant within five (5) calendar days of this meeting. The grievant has the right to have his/her Association Representative participate in the meeting and must reduce his/her grievance to writing on the form provided by CSEA.
- 26.2.2 Second Step: If the grievance cannot be resolved informally, the grievance form must be filed and a meeting held with the Superintendent or designee within ten (10) calendar days following the decision of the supervisor in the First Step. The purpose of the meeting herein required shall be to attempt to resolve the grievance. The Superintendent or designee shall provide a written decision to the grievant within twelve (12) calendar days of the filing of the grievance.

- 26.2.3 Third Step: In the event that the grievance is not satisfactorily adjusted at Step Two, CSEA may submit a request in writing that the grievance be submitted to advisory arbitration. The request shall be made within five (5) calendar days of the receipt of the response at Step Two or the failure of the District to respond in a timely manner. The parties shall immediately attempt to select a mutually acceptable arbitrator either from lists to be developed by the parties or developed by PERB. If the parties are unable to agree upon an arbitrator within ten (10) days of the request for arbitration, the grievance may be submitted for arbitration to the State Mediation and Conciliation Service. The conduct of the arbitration shall be governed by the voluntary labor arbitration rules of the State Mediation and Conciliation Service. The cost of arbitration shall be borne jointly by the parties. The employee shall be provided a copy of the arbitrator's decision.
- 26.2.4 Fourth Step: The Governing Board has twenty-five (25) calendar days or two (2) Board meetings, whichever comes sooner, to review the advisory arbitrator's decision and make a final decision. If no decision is made by the Governing Board in this time period, the decision of the advisory arbitrator shall be adopted by the District.

ARTICLE 27 – ENTIRETY OF AGREEMENT

The parties acknowledge that during the negotiations which resulted in the Agreement, each had the unlimited right to make demands and proposals with respect to any subject or matter not removed by Education Code or any other law from the area of collective negotiations. They, therefore, voluntarily and without qualifications waive the right for the life of the Agreement to negotiate collectively with respect to any subject or matter not specifically referred to or covered by this Agreement, except that if the scope of negotiations under the Rodda Act is broadened by State statute, or an EERB ruling, negotiations may be reopened thirty (30) days after such amendment or ruling solely on matters hitherto not subject to negotiations.

This contract represents the entire Agreement between the parties and no other agreement or practices are binding upon either party hereto with respect to wages, hours, or working conditions of the employees covered.

This Agreement shall not be modified in whole or in part by the parties except by mutual agreement.

ARTICLE 28 – NEGOTIATIONS

- 28.1** The District and CSEA are committed to and will practice interest based bargaining in the negotiations process.
- 28.2** It is understood that there is nothing in the law that prohibits either party from reverting to an alternative method of submitting reopeners with written notice. In the event this occurs, CSEA, Chapter 211, shall have the annual right to present their proposals no later than January 31st prior to July 1 when the proposals would take effect. If the previous contract negotiations exceed the timeline (Jan. 31st), both parties would agree to a mutual date to submit reopeners.
- 28.3** **Reopener Clause:**
- 28.3.1 The District and CSEA shall meet no later than January 31st annually to jointly develop interests for public notice. Negotiations shall commence within fifteen (15) days after the public notice at a time mutually agreed upon between the parties. The terms and conditions of this Agreement shall remain in full force and effect during negotiations.
- 28.3.2 It is understood that there is nothing in the law that prohibits either party from reverting to an alternative method of submitting reopeners with written notice. In the event this occurs, CSEA, Chapter 211, shall have the annual right to present their proposals no later than January 31st prior to July 1 when the proposals would take effect.
- 28.3.3 If agreement is not reached with regard to matters covered by this section within forty-five (45) days after the expiration of the contract, either party may submit the unresolved disputes to impasse in accordance with the rules of the Educational Employment Relations Board.
- 28.3.4 Both CSEA and the Solano Community College District may reopen annually on two (2) articles each plus salary and health and welfare benefits.
- 28.4** **Released Time for Negotiations:** CSEA shall have the right to designate five (5) employees, who shall be given reasonable released time to participate in negotiations, which shall include released time for participation in impasse.

ARTICLE 29 – DURATION

This Agreement shall remain in full force and effect from July 1, 2020 to June 30, 2023.

(c) "Short-term employee," as used in this section, means a person who is employed to perform a service for the community college district, upon the completion of which, the service required or similar services will not be extended or needed on a continuing basis. (e) Employment of either full-time or part-time students in a college work-study program or in a work experience education program shall not result in the displacement of classified personnel or impair existing contracts for services.

(f) This section shall apply only to community college districts not incorporating the merit system as outlined in Article 3 (commencing with Section 88060).

(g) An employee employed by a community college district in a part-time playground position as of the effective date of the laws placing part-time playground positions into the classified service shall be deemed a permanent employee of the community college district.
