ARTICLE I - AGREEMENT

- 1.1 The Articles and provisions contained herein constitute a bilateral and binding agreement ("Agreement") by and between the Board of Trustees of the San Diego Community College District ("Board") and the American Federation of Teachers Guild, Local 1931 (AFT) ("Guild"), an employee organization.
- 1.2 This Agreement is entered into pursuant to Chapter 10.7, Sections 3540-3549 of the Government Code ("Act").

ARTICLE II - RECOGNITION

- 2.1 The District recognizes the American Federation of Teachers Guild, California Federation of Teachers, Local 1931, AFL-CIO, as the exclusive representative of all college faculty of the San Diego Community College District in accordance with the certification issued by the Public Employment Relations Board June 5, 1987, Case No. LA-D-120 pursuant to a Board-conducted secret ballot election. Additionally, the District recognizes the Guild as the exclusive representative of the counselors in Continuing Education in accordance with PERB Case No. LA-UM-649-E, PERB Decision No. 1445 (June 15, 2001) and all Continuing Education faculty pursuant to the sideletter agreement between the parties of May 6, 2009.

Included in this unit are all faculty assigned to either the college or continuing education program, including all temporary, contract, and regular faculty members, whether full or part-time, including those with classroom and non-classroom assignments.

Excluded from this unit are all military education personnel, management, supervisory, and confidential employees. All faculty serving in an assignment as an acting or interim manager shall not be a member of the faculty bargaining unit for the duration of the acting or interim assignment, and shall instead be bound by the terms and conditions of the collective bargaining agreement or handbook of the bargaining unit within which the acting or interim assignment is located. Faculty serving in an acting or interim assignment shall retain full rights without any loss in seniority upon returning to their regular faculty assignment.

ARTICLE III – SAFETY

- 3.1 The Guild and the District agree that the responsibility for safe working conditions is that of the Board, and the responsibility for the maintenance of safe procedures and practices is that of the faculty member.
- 3.2 Faculty members and Guild safety representatives shall report in writing any unsafe conditions that exist to the designated safety officer within the management staff of the program. The report should include recommendations for remedial steps to be taken.
- 3.3 The designated safety officer shall give written response to reports of safety hazards, indicating current disposition and/or corrective action(s) in progress. Responses shall be sent within a reasonable time, permitting investigation, evaluation, and proposed determination. The Administrative Services office at each campus shall send out an email each fall/spring semester identifying the campus safety officer and her/his contact information.
- 3.4 Faculty members shall not be required to work under conditions in which a clear and present danger to their health or safety exists. The District agrees to provide the appropriate and required safety equipment as determined by OSHA or County Department of Environmental Health standards to unit members necessary for the safe performance of their job duties.
- 3.5 The District will pay the difference between the vision plan reimbursement and the cost for basic prescription safety glasses and frames excluding optional features for unit members whose job function requires safety glasses. The lenses and frame shall conform to the basic ANSI Z 87.1 requirements.
- 3.6 The parties agree to commence a collaborative training with the goal of developing ergonomic standards.
- 3.7 The District shall endeavor to equip all classroom doors with a locking mechanism allowing the door to be locked from the inside or alternative safety locking mechanism which would follow the current best practices recommended by law enforcement that would keep students and faculty safe in the event of a physical threat of violence. All new construction and renovations shall include these safety features.
- 3.8 The District will endeavor to ensure that each unit member who has direct interaction with the public and/or students will be provided with access to a panic button, or an emergency call button on a District phone, to be used in cases of emergency or threats.

ARTICLE IV - GRIEVANCE

4.1 DEFINITIONS

- 4.1.1 A grievance is defined as an allegation that there has been a violation of the terms of this Agreement. The Guild or faculty member(s) may make such an allegation.
- 4.1.2 Days shall mean working days as specified in the academic calendar.
- 4.1.3 A grievance which involves a group or "class" of faculty members may be initiated at Step 2.

4.2 PROCEDURE

Step 1

A faculty member shall have the right and shall be required, as a condition of processing the grievance to Step 2 to meet with his/her immediate supervisor within fifteen (15) days after the grievance occurs to attempt to resolve the dispute.

Step 2

If the grievance is not resolved as a result of the meeting with the supervisor, the faculty member shall present the grievance in writing on a District grievance form within ten (10) days of the meeting with the supervisor or upon receipt of the supervisor's official response arising out of the meeting to the College/Continuing Education President who will provide a written decision within ten (10) days.

When the College/Continuing Education President determines that the remedy requested by the grievant is beyond campus authority to adjudicate, the President shall notify the grievant and forward the grievance form to the Vice Chancellor, Human Resources who will provide a written decision within ten (10) days of receipt of the grievance form.

Step 3

If the grievance is not resolved at Step 2, it may be appealed by the Guild within ten (10) days of receipt of the written decision from Step 2 by filing a written notice of appeal with the Vice Chancellor, Human Resources. The appeal shall be submitted to a neutral arbitrator to be selected by the District and the Guild from their agreed upon panel of arbitrators. Once one complete round of the panel has been utilized, the parties shall meet to mutually establish a new panel. Issues relating to matters of tenure, discipline, or dismissal will be submitted for advisory arbitration. All other issues will be submitted for binding arbitration.

The cost of the arbitration shall be shared equally. A Step 3 appeal may not be made by a grievant alone, but must be made on their behalf by the Guild except in matters involving the appeal of discipline.

In matters relating to the appeal of discipline, the unit member may request arbitration without the consent of the Guild. In such case the employee will bear all costs associated with such representation and the District will bear the full cost of the arbitrator and all hearing related costs.

4.3 PROFESSIONAL MEDIATION OR EMPLOYEE ASSISTANCE PROGRAM SERVICES

When both parties at Step 2 determine that resolution of the grievance may be reached through the services of the Employee Assistance Program or the State Mediation and Conciliation Service, the time period in Step 2 and 3 will be extended to meet the time constraints of the mediator or counselor.

4.4 ADDITIONAL DELINEATIONS

- 4.4.1 Individuals involved in the grievance procedure, whether as a grievant, a witness, a representative of AFT or otherwise, shall not suffer any restraint, interference, discrimination, coercion, or reprisal as a result of any legal participation in the grievance.
- 4.4.2 During the course of any investigation of a properly-filed grievance, the District shall cooperate and furnish such public information as requested in accordance with this procedure.
- 4.4.3 A grievant may withdraw the grievance at any level. In any event, the withdrawal of a grievance shall not constitute a precedent which may affect any similar cases occurring thereafter.
- 4.4.4 Within forty-five (45) calendar days after final submission of the grievance to the arbitrator, he/she shall present his/her written decision to the grievant and the District. In the case of issues subject to binding arbitration the decision shall be final and binding upon the parties in the dispute. In the case of issues submitted to advisory arbitration, either the grievant or the District may appeal the advisory decision of the arbitrator to the Board of Trustees within thirty (30) days after receipt of such advisory decision. Thereafter, the Board of Trustees shall make the final decision within forty-five (45) days.

The arbitrator will have no power to alter, amend, change, add to, or subtract from any of the terms of this Agreement, but will determine only whether or not there has been a violation, misapplication, or misinterpretation of the express

provisions of this Agreement in the manner alleged in the grievance. The arbitrator shall have no power to establish salary structures. The decision of the arbitrator will be based solely upon the evidence and arguments presented to him/her by the parties in the presence of each other and upon arguments presented in briefs. The arbitrator shall not consider any issue raised by the grievant unless it was known by the District in an earlier step of this grievance procedure. The arbitrator shall have no power to render an award on any grievance initiated before the ratification of this Agreement by both parties.

- 4.4.5 If a grievant files any claim or appeal on the same matter through any process within or outside the District, the District and AFT shall not be required to process the same claim or appeal under this procedure.
- 4.4.6 Time limits may be extended by mutual agreement.
- 4.4.7 Failure of the District to act within the prescribed time limit will cause the matter to automatically proceed to the next step.
- 4.4.8 An investigation or other handling or processing of any grievance by the grievant shall be conducted so as to result in minimal interference with, or interruption of, the instructional program and related work activities of the grieving employee or staff.
- 4.4.9 The grievant shall have the right to be accompanied by an AFT representative at each step.
- 4.4.10 Other matters for which a method of review is provided by law such as claims of discrimination or retaliation under any of the following acts: Title VII of the Civil Rights Act of 1964, the Americans with Disabilities Act (including the ADA Amendments Act of 2008), the Age Discrimination in Employment Act, the Equal Pay Act, the Occupational Safety and Health Act, the California Occupational Safety and Health Act, the California Fair Employment and Housing Act, the Uniformed Services Employment and Reemployment Rights Act, the Educational Employment Relations Act, or Workers' Compensation; are excluded from this procedure. AFT, however, may file a grievance over an alleged violation, misinterpretation, or misapplication of AFT Rights, as specified in Article XII.

ARTICLE V - ADJUNCT FACULTY

- 5.1 "Adjunct faculty" shall be used in this Agreement to mean temporary faculty as defined in California Education Code Section 87482.5. This definition shall also apply to tenured/tenure-track faculty who hold overload or other assignments outside of their regular contract assignment. Unless specifically stated to the contrary, the term "faculty" in Article V of this Agreement shall pertain to adjunct faculty.

Temporary assignments of adjunct faculty will be made by management (within the limitations of the procedures set forth below) and shall be compensated as outlined in Article VIII.

Except as delineated in this Agreement, adjunct faculty have no rights other than those provided in the California Education Code.

The parties agree that all part-time faculty assignments are temporary in nature contingent on enrollment, funding, and program changes, and that no part-time faculty member has a reasonable assurance of continued employment at any point in time, regardless of the status, the length of service, or re-employment preference seniority, of the part-time faculty member.

The District reserves the right of assignment.

5.2 ADJUNCT FACULTY ASSIGNMENTS

5.2.1 Maximum Allowable FTEF

- 5.2.1.1 The District shall attempt to ensure, whenever practicable, that the annualized FTEF assignment for any adjunct faculty member does not exceed 67% (sixty-seven percent) during any one academic year.
- 5.2.1.2 In exceptional cases, annualized FTEF assignments may exceed 67% (sixty-seven percent) upon recommendation of the school/program dean and approval of the appropriate vice-president and the Director of Employee Relations.
- 5.2.1.3 All adjunct faculty may substitute on a day-to-day basis in classroom assignments without any change in their employment status (i.e. day-to-day substitution will not increase their assigned FTEF). Day-to-day substitution means substitute assignments of one or more days, consecutive or otherwise, when it is unclear when the original instructor of record will return. Classroom substitution cannot exceed 10 (ten) class meeting days per course assignment (CRN) during any one (1)

academic semester without an FTEF load value being attached to the substitute faculty member's assignment.

Non-classroom substitution must be within the total number of hours approved in the Tentative Assignment Offer (TAO) for the semester. Substitute hours cannot exceed the total number of hours provided in the TAO and must be included as part of the assigned FTEF for the semester.

- 5.2.1.4 The District shall endeavor to ensure that non-classroom faculty should be scheduled for an assignment of at least three (3) hours duration on any day they are scheduled to report to a site.

- 5.2.1.5 Driving Distance

At the discretion of Management, employees shall be scheduled to minimize the amount of driving necessary to fulfill their work obligations.

- 5.2.1.6 Adjunct faculty shall be given written notice of their assignment as soon as practical once assignments have been determined by the appropriate manager. Any adjunct faculty member who is working in the current term but who is scheduled to be offered a lesser or no assignment at all in the upcoming term shall also be notified by the appropriate manager when notice is provided to the other adjunct faculty reporting to said manager.

- 5.2.2 Priority of Assignment Status

It is the intent of the parties that changes to the Priority of Assignment (POA) process and seniority listing are intended to be implemented in the Fall of 2020. POA seniority lists based on hire date are intended to be produced and made available to all adjunct faculty to review prior to April 1st, 2020 so they can provide any necessary corrections prior to May 15th, 2020. The POA seniority listing will be produced by June 1st, 2020 for use in making assignments for the Fall 2020 semester. Requests for corrections to the seniority listing will only be allowed annually during the window period of April 1st through May 15th and must be submitted during this window period for verification to the Director of Employee Relations in Human Resources. An updated seniority listing will be published by the District no later than June 1st of each subsequent year.

- 5.2.2.1 An individual college adjunct faculty member's priority for assignment shall be determined by the date he/she was first hired within a specific discipline, and within the budgetary authority or control of each college or Continuing Education. For Continuing Education, this priority of

AFT Guild, Local 1931 – SDCCD Faculty

assignment will be applicable throughout all Continuing Education sites within the faculty member's current subject area (as defined by the Continuing Education catalog) and the faculty member's qualifications.

In case a tie for priority of assignment seniority date exists among adjunct faculty in the same discipline, the tie shall be broken by lot.

Adjunct faculty currently in the Priority of Assignment program as of the date of ratification of this Agreement shall have their seniority date reset to the date he/she was first hired within a specific discipline, and within the budgetary authority or control of each college or Continuing Education.

5.2.3 Eligibility for Priority of Assignment

- 5.2.3.1 Adjunct faculty who have completed six (6) semesters (excluding summer and intersession) of service within a six (6) year period within a specific discipline at a particular college or within a specific discipline in continuing education will begin their participation in the priority of assignment process in that discipline. Priority of Assignment rights shall automatically begin at the start of the seventh (7th) assigned semester. Those adjunct faculty who are either current contract or retired contract District employees are not eligible to participate in the priority of assignment program.
- 5.2.3.2 Upon initiation of POA rights (beginning of semester seven), the average FTEF load over the past two semesters (semesters five and six) shall be the minimum initial annualized POA FTEF load at which the faculty member will begin the POA program. Additional assignments and POA rights are delineated in 5.2.4. POA rights will continue to be based on an annualized FTEF load. (Example: if an adjunct faculty member has a 0.60 FTEF load in semester five, and a 0.40 FTEF load in semester six, then he/she has POA rights to a 0.50 FTEF annualized load beginning semester seven.)
- 5.2.3.3 Upon initiation of POA rights (beginning of semester seven), all assignments completed since fall semester, 1990 (without a break in service of eighteen (18) months or more) without an unsatisfactory evaluation shall be included on the discipline list for which the adjunct faculty member has POA. Any assignments completed subsequent to gaining POA rights without a negative evaluation shall also be added to the adjunct faculty member's discipline list.
- 5.2.3.4 The discipline specific seniority list must be made available to any faculty member who requests it. The District must send to AFT a

AFT Guild, Local 1931 – SDCCD Faculty

complete seniority listing of all POA adjunct faculty no later than June 1st of each year.

5.2.4 Determination of Additional Assignments

- 5.2.4.1 Prior to the beginning of each semester, after all tenured/tenure-track, pro-rata, and overload, assignments have been made based upon program needs, adjunct faculty who have qualified for priority of assignment rights will be contacted by the appropriate manager and advised of the availability of additional assignments from their approved list. Based on seniority, adjunct faculty members with POA will be offered additional assignments from within their list of assignments in the discipline for which they hold the priority of assignment right. These additional assignments will be made following the adjunct faculty member's priority of assignment status as determined in 5.2.2 above. Nothing in this section shall preclude management from offering additional assignments for which the adjunct faculty member is qualified to be assigned, but outside of their previous list of POA assignments.

If acceptance of an additional assignment increases a faculty member's annualized FTEF load, her/his POA rights to said load will be increased accordingly (up to the 67% annualized maximum). Any new assignments will also be automatically added to the adjunct faculty member's POA list of assignments.

These additional assignments may only be made from the pool of available adjunct assignments. Available adjunct assignments shall generally mean those assignments which have become available due to either growth or attrition of other faculty. Adjunct assignments which will NOT be considered as available include those assignments made available by adjunct faculty during a break in service as defined in Article 5.2.6.1 and 5.2.6.2 below, or tenured/tenure-track faculty on approved leave, reassigned time, or who have retired. Assignments made available due to retirement will become available if not filled by a new tenure-track hire within one (1) year.

- 5.2.4.2 Each semester, the appropriate manager may, at her/his option, exclude the greater of: ten percent (10%) of the total number of adjunct assignments (rounded to the nearest 0.20 FTEF) OR one (1) course section, OR eight (8) hours/week in a non-teaching area, from being selected by those adjunct faculty eligible for priority of assignments for the express purpose of hiring new adjunct faculty who have not previously held an assignment in the particular discipline during the past eighteen (18) months.

- 5.2.4.3 In the event that the above exclusion results in excluding all available adjunct assignments from selection by those adjunct faculty eligible for priority of assignments, a minimum of 0.20 FTEF must be made available, provided it was not the only 0.20 FTEF available.

5.2.5 Reductions

- 5.2.5.1 In the event the percentage of FTEF assignment of an adjunct faculty member who has qualified for priority of assignment rights must be reduced due to program needs, the affected faculty member shall have the right to maintain her/his seniority and current percentage of FTEF assignment. These faculty will be contacted by the appropriate manager and advised of the assignments from their approved list which are either available or being held by an adjunct faculty member with less or no priority of assignment status. The affected adjunct faculty member will then be offered an assignment within her/his approved list of assignments. The intended result of this process shall be to displace the faculty member with the least (or no) priority of assignment.

- 5.2.5.2 For college faculty, in the event the above reduction must be made after the first day of instruction, the affected adjunct member shall not displace other adjunct faculty members until the subsequent semester.

For continuing education faculty, this displacement can occur at any time during the semester but only one time per each course cancellation from the faculty member's assigned load, and only within the faculty member's qualified subject area.

In either of the above cases, an adjunct faculty member displaced from an assignment will not lose her/his seniority nor POA FTEF load rights.

- 5.2.5.3 If an assignment is canceled, said cancellation shall be communicated to the adjunct faculty member via email within two working days of the cancellation. If said assignment is canceled after the assignment has commenced, the notice of cancellation must be communicated via both email and orally (voicemail is sufficient). If the cancellation occurs after the assignment has commenced, the adjunct faculty member shall be paid for all scheduled time worked up to that point in time, including any completed flex hours.

5.2.6 Break in Service

- 5.2.6.1 Adjunct faculty who are not given any assignment for circumstances beyond their control (course cancellations, contraction of a discipline, etc.) will retain their accumulated FTEF/hours for a period of eighteen

(18) months. Adjunct faculty shall remain in contact with the appropriate manager during this time period so that they may be called back if conditions warrant.

- 5.2.6.2 Adjunct faculty who decline all offered assignments will retain their accumulated FTEF/hours for a period of twelve (12) months, provided the reason for the declination of assignments was approved by the appropriate Vice President. Adjunct faculty with priority assignment with District-paid benefits will have their benefits restored the first of the month following their return to service.
- 5.2.6.3 Adjunct faculty who voluntarily decline all offered assignments within a discipline, without approval of the Vice President, shall lose all priority of assignment rights and accumulated FTEF/hours within that discipline. Adjunct faculty who voluntarily decline a percentage of their offered assignments shall have their POA rights reduced by that percentage.
- 5.2.6.4 Adjunct faculty who retire from CALSTRS or CALPERS and who wish to continue teaching shall retain their Priority of Assignment rights as follows:
- 1) If an adjunct faculty member retires from CalSTRS and chooses to not work during the 180 day period as delineated in AB 340 (Chapter 296, Statutes of 2012), then said member will retain her/his Priority of Assignment status, provided he/she returns to work during the semester immediately following the 180 day waiting period.
 - 2) If an adjunct faculty member retires from CalSTRS and chooses to continue to work during the 180 day period as delineated in AB 340 (Chapter 296, Statutes of 2012), then said member will maintain her/his Priority of Assignment status uninterrupted.
- 5.2.6.5 POA faculty who have part or all of their assignment removed by management after a Tentative Assignment Offer has been issued, and then decline a subsequent assignment offered to them, will not lose any POA rights within that discipline, unless such declination has taken place two or more semesters in a row.

5.2.7 Termination

- 5.2.7.1 Adjunct faculty members who have not qualified for priority of assignment rights within a specific discipline within a college, shall have no re-employment rights within that discipline and may have their assignment terminated at any time. When the services of an adjunct

faculty member are terminated for reasons other than lack of enrollment or availability of a suitable assignment, upon request, said faculty member shall receive a written statement of the reason for termination. Failure to receive such notice shall be grievable. However, the reason for such termination shall not be subject to the grievance process. Nothing herein is intended to deny an individual his/her rights provided by law.

- 5.2.7.2 Adjunct faculty members who have qualified for priority of assignment rights within a specific discipline within a college, may have their priority of assignment rights terminated at any time as a result of a finding that the adjunct violated provisions of the California Government Code, Education Code, Penal Code, District Policies and Procedures, or the District Human Resources Manual. In cases of violations of the District Human Resources Manual, a previous written warning must have been provided to the adjunct faculty member. The reason(s) shall be provided in writing. Termination per this Section of the Article shall only be grievable by AFT.
- 5.2.7.3 Adjunct faculty members who have qualified for priority of assignment rights within a specific discipline within a college who receive an unsatisfactory evaluation (“needs development” is checked on the summary line of evaluation instrument) during any of her/his regularly scheduled evaluations (as defined in Article 15.1.14.1 of the Agreement) will be provided with a written plan of remediation which he/she will be expected to implement during her/his following semester of assignment. A subsequent evaluation will take place during this following semester of assignment, again following the procedure defined in Article 15.1.14 of the Agreement. If this subsequent evaluation is again unsatisfactory (as defined above), the adjunct faculty member shall not receive an assignment the following semester in the discipline within which he/she was evaluated. In addition, her/his priority of assignment rights will be terminated.
- 5.2.7.4 No open-entry/open-exit class shall be cancelled while a faculty member is using sick leave as defined under Article 11.2 (Sick Leave). Upon return from sick leave instructors will be employed with pay a maximum of two (2) weeks or up to five (5) class sessions, whichever is less, during which time appropriate class size must be established in order for the assignment to be continued.

5.3 Work Space

Adjunct faculty shall be provided with the opportunity to utilize general common area office space on each campus in order to meet students and to prepare and store instructional materials. As individual colleges and continuing education campuses expand and renovate existing facilities, they shall include adjunct faculty work areas in the formulation of their space allocation plans. Such work areas shall include at a

minimum: a work station or table, a chair, a visitor's chair, nearby access to a phone, nearby access to a computer with internet and District network access, nearby access to a printer, and campus access to a scanner. Individual colleges and Continuing Education campuses shall consider adjunct faculty work areas in the formulation of their space allocation plans.

- 5.4 Adjunct faculty shall not be eligible for concurrent assignments in the college and the continuing education programs. Exceptions must be approved by the appropriate Vice President from the College and Continuing Education.
- 5.5 Counselors will not be categorically precluded from an assignment which includes a combination of counseling and instructing personal growth courses.
- 5.6 Adjunct Faculty Priority for Tenure-Track Faculty Vacancies

Among the existing applicants for the position, at least four (4) adjunct faculty candidates, or all adjunct faculty candidates applying, whichever is less, shall be guaranteed an interview as tenure-track vacancies are announced.

In order to qualify for the guaranteed interview the adjunct faculty member must have POA, must hold an active assignment in the discipline at the same college where the position is being advertised, have not received an "unsatisfactory" evaluation, and must meet the minimum qualifications and any other discipline specific or other local criteria as determined by the search committee for the position.

If there are more than four (4) adjunct faculty candidates who meet the above criteria, the search committee shall select the four (4) adjunct faculty candidates with the highest scores from the paper screening process to invite to the interview.

ARTICLE VI - WORKING CONDITIONS

- 6.1 Complaints from faculty with regard to classroom noise, ventilation, heating, cooling, water leakage, and other similar problems shall be reported to the campus business office. Federal Office of Safety and Health Administration (OSHA) standards for temperature, regardless of business size, for indoor workplaces is the range of 68 to 76 degrees Fahrenheit. If problems are not resolved in a reasonable time, faculty shall report the problem to the Guild. The District and the Guild shall meet and confer in an attempt to resolve such problems.
- 6.2 Each tenured/tenure-track college faculty member shall be provided with properly maintained, lighted, ventilated, and individually secured office space which shall include:
 - 6.2.1 A lockable door with key.
 - 6.2.2 One (1) desk with one (1) lockable drawer with key.
 - 6.2.3 One (1) desk chair.
 - 6.2.4 One (1) chair for visitors.
 - 6.2.5 One (1) lockable filing cabinet with key.
 - 6.2.6 Shelving for books.
 - 6.2.7 One (1) telephone with a separate line per faculty office including voice mail capabilities and, upon request, a code to be used for placing long distance calls within the United States relating to District business.
 - 6.2.8 A computer which meets current District standards for new equipment (which may, at the discretion of the District, be a desktop, laptop, or tablet device) with an email account meeting the current District standard, with internet and District network access, connected or networked to a nearby printer, and campus access to a scanner. For shared printers with the capability to have access codes (or a PIN), an access code for each faculty member shall be made available for printing confidential materials. The District shall ensure that all newly purchased shared printers have this capability where needed.
- 6.3 Personal property which is brought to the work site by faculty is done so at the faculty member's own risk. The District shall not reimburse the faculty member for loss or damage to personal property. Management may not move the location of a faculty member's office space, nor her/his personal property without prior consultation with the affected faculty member, except in exceptional cases when the faculty member is not reasonably available.
- 6.4 A faculty lounge and cafeteria shall be maintained at City, ECC, Mesa, and Miramar. Each lounge and cafeteria shall be adequately furnished, properly maintained, quiet, and comfortable.

A minimum of one designated lactation room will be identified at each District location and will meet the standards required under California Labor Code, Division 2, Part 3, Chapter 3.8, Section 1031 and also Education Code 66271.9 when there is joint use by students. Reasonable efforts will be made to provide the use of an additional temporary room or other location (other than a restroom) if a request is made by the unit member because the designated location is not in close proximity to the unit member's work area. Additional lactation rooms may be designated or added at the discretion of the District. The location of the designated lactation room shall be noted on campus maps.

- 6.5 The District shall provide necessary support services and equipment to faculty members in the carrying out of their instructional assignments. Services and equipment shall be provided in such a manner as to permit maximum availability and reasonable convenience to all faculty members. Support equipment shall be maintained and repairs shall be made within a reasonable time period. Services and equipment shall include, but are not limited to, the following:

ARTICLE VII - WORK LOAD

The professional obligation of academic employees comprises both scheduled and non-scheduled activities. The Guild and the District recognize that it is part of the professional responsibility of faculty to carry out their duties in an appropriate manner and place. As part of this responsibility tenured/tenure-track faculty are expected to play an important role in the recruitment and retention of students, campus and departmental governance, program review, accreditation, planning, and mentoring. Faculty commitment to retention will be demonstrated by informing students that they are to talk with the instructor prior to dropping the course. Faculty are encouraged to include a statement to this effect in their course syllabi.

While it is understood that course syllabi content falls within the purview of the individual faculty member's academic freedom, the parties also understand that items required to be part of syllabi in order to maintain college or continuing education accreditation must also be included.

Tenured/tenure-track faculty who have less than a full-time contract are not eligible to work any additional assignments including long-term substitution (day-to-day substitution is allowed provided the limits specified in Section 5.2.1.3 are not exceeded).

Faculty assignments shall be made in the following priority order: Tenured/tenure-track, pro-rata, overload, Priority of Assignment (POA) adjunct faculty assignments, then non-POA adjunct faculty.

7.1 WORKDAY

7.1.1 Work Site

Work site shall be defined as a college campus or any other place designated by management where instruction and/or services are performed.

7.1.2 Teaching and Non-Teaching Faculty Members

Each full-time teaching and non-teaching faculty member shall be assigned duties and/or responsibilities which require the faculty member to be at an assigned work site or sites for no more than eight (8) consecutive clock hours on any day.

7.1.2.1 Exceptions must have the approval of the faculty member.

7.1.2.2 When a faculty member has assignments at several sites on the same day, travel time shall be considered part of the total workday.

7.1.3 If the approved academic calendar includes Instructional Improvement (flex) days then these days apply to all full semester teaching assignments. The flex days are "in lieu of instruction" and are designed for faculty to conduct staff, student and instructional improvement activities (Title 5).

- 7.1.4 The appropriate manager will notify each adjunct faculty member in writing at the time of hire of her/his flex obligation for the semester if applicable. The faculty member will acknowledge in writing receipt of this notice. If the adjunct faculty member's flex obligation has not been fulfilled and reported into the faculty flex system no later than the fifth (5th) working day before the end of each academic semester (independent project proposals need to be submitted for approval prior to the tenth (10th) working day before the end of each academic semester), the faculty member's final pay warrant will be adjusted to reflect the missing hours.

Tenured/tenure-track faculty must have reported into the faculty flex system as completed their annual flex obligation no later than the fifth (5th) working day before (independent project proposals need to be submitted for approval prior to the tenth (10th) working day before) the end of the Spring semester or the faculty member's final pay warrant will be adjusted to reflect the missing hours.

Tenured/tenure-track faculty may complete FLEX activities after the above listed deadline provided that they have received approval and reported into the system as "completed" these activities prior to the aforementioned deadline.

7.2 WORKWEEK

Instruction and other services shall be scheduled on Monday through Saturday. All faculty, teaching and non-teaching, shall be expected to work a minimum of forty (40) hours per week. Saturday assignments may be made only with the consent of the faculty member

The parties agree to permit FIPT 160 - INTRO TO OCEAN LIFEGUARDING (3.0 Units) to be taught by faculty members on Sundays at Miramar College. This is a non-precedent setting exception to the restriction on teaching classes on Sunday as stated below. This exception is for teaching one or more sections of this course only.

Nothing in this agreement authorizes the teaching of any other class on Sundays within the District.

7.2.2 Teaching and Non-Teaching Faculty Member

Each full-time teaching and non-teaching faculty member shall be assigned duties and/or responsibilities up to five (5) days in each full week that is part of the officially adopted calendar and/or the period of that faculty member's contract, for a total of not more than forty (40) clock hours per full week. Faculty members may schedule meals using their professional judgment so as not to interfere with scheduled duties.

7.2.3 Substitute Assignments

All substitute assignments shall be made by the appropriate manager. Faculty who will miss any portion of their scheduled assignment shall notify the appropriate manager as soon as practical.

7.3 COLLEGE FACULTY GENERAL ASSIGNMENT/LOAD REQUIREMENT

Under the direction and supervision of management, tenured/tenure-track faculty shall maintain on-campus hours and off-campus hours in accordance with the specific assignment/load responsibilities set forth in 7.4 and 7.5 below. Tenured/tenure-track faculty teaching less than full time shall maintain on-campus and off-campus hours on a prorated basis.

7.4 COLLEGE FACULTY WORKLOAD REQUIREMENTS - TENURED/TENURE-TRACK TEACHING FACULTY

7.4.1 Teaching faculty shall maintain a workweek schedule totaling forty (40) hours per week, including a minimum of thirty (30) hours per week on campus. Faculty members shall report their class assignments, office hours, and campus assigned hours on a program card (see Appendix V). The teaching faculty member's schedule will include an office hour each day/evening that a class is taught. The Faculty Program Card shall be submitted and approved no later than two (2) weeks after the start of each semester. Effective Fall Semester, 2016, the District will provide faculty with program cards electronically, and unit members shall post outside of their office door and submit to their dean their schedule of office hours no later than the end of the first week of their teaching assignment.

7.4.3 **All tenured/tenure-track teaching faculty will perform "campus-assigned activities," as referenced in both the table 7.4.4 and text of this Section (7.4) of the Agreement. Those activities that are scheduled (as in the examples of program advisory board meetings, accreditation committee meetings, task-force meetings, and/or curriculum committee meetings), will be assigned at the discretion of management at specific times and places. Non-scheduled activities are more appropriately performed in a manner and place determined by the faculty member.

7.4.4 The mandatory forty (40) hours per week shall be distributed as follows:

WEEKLY TEACHING FACULTY HOURS DISTRIBUTION*

<u>Activity</u>	<u>Classroom Hours*</u>	<u>Advisement Office Hrs*</u>	<u>Campus Assigned Activities**</u>	<u>Off-Campus Non-assigned Activities***</u>	<u>Total Hours</u>
1. All Assignments	15	5	10	10	40
2. Health Info Mgt. ¹	12	5	10	13	40

¹Applies to upper division lecture and non-lecture assignments that are part of the curriculum in the Health Information Management program only.

- * 1) Combination of assignments (lecture/laboratory) shall be prorated on the basis of the above, using the "Instruction Hours" shown as the divisor in the prorating formula.
- * 2) The appropriate Manager shall determine the assignments or combinations of assignments.
- * 3) Work experience supervision shall be assigned as a percentage of load with each student as of the census date counting as .008 FTEF and 125 students as of the census date counting as one full-time faculty load.
- * 4) Minor variations necessitated by scheduling problems may be adjusted over the course of an academic year. In instances where the variants are greater than 0.04 FTEF and cannot be adjusted within the academic year, the negative/positive FTEF will be accumulated over succeeding semesters until the faculty member's cumulative negative/positive equals an extra class. If not resolved within a two (2) year period or by the time of retirement/resignation, the balance owed to the District will be deducted from the faculty member's payroll warrant. If there is a balance owed to the faculty member within this period, it will be included in the faculty member's payroll warrant.
- * 5) Faculty hours scheduled in tutorial centers may be in lieu of office hours or campus assigned activities on a one for one basis.
- * 6) When computing FTEF, fractional portions of FTEF shall be treated as repeating decimals in those cases where the decimal equivalent repeats, e.g.; 1/3 FTEF equals 0.3333.... (repeating decimal) such that three sections of 1/3 FTEF each, sum to 1.0 FTEF exactly.

- * 7) For faculty with online assignments, the on-campus instruction and on-campus office hour requirements shall be reduced proportionately, however these hours still need to be met.

**** Campus Assigned Activities**

Campus-assigned activities, when appropriate, are assigned by management, and may include (but are not limited to) the following: student advisement, instructional and prerequisite advising, committee meetings, faculty senate activities, curriculum development and revision, departmental meetings, voluntary club sponsorship, program advisory board meetings, accreditation committee meetings, task-force meetings, curriculum committee meetings, or other projects as assigned by management. Since tenured/ tenure-track faculty have on-site offices, they may conduct preparation for classes, grading papers, and recordkeeping in the office instead of at home.

***** Off-Campus Non-Assigned Activities**

Teaching faculty off-campus activities may include student and non-student contact, preparation for teaching, District meetings, senate activities, in-service workshops, approved recruiting and follow-up activities, professional development activities (including, but not limited to, research, projects, course work, conferences, and professional association service), and office paper work.

- 7.4.5 Faculty members shall not be assigned online teaching assignments in excess of 0.67 FTEF unless exceptions are approved by the Vice President of Instruction.

7.5 FACULTY WORKLOAD REQUIREMENTS - TENURED/TENURE-TRACK NON-CLASSROOM FACULTY

- 7.5.1 Non-classroom faculty shall maintain a workweek schedule totaling forty (40) hours per week. Effective Fall Semester, 2016, the District will provide college faculty with program cards electronically.
- 7.5.2 Non-classroom faculty shall be required to perform their assigned professional duties at specific times and places as directed by an appropriate manager after consultation with the appropriate department or program chair. Faculty will be expected to serve on a minimum of one (1) District or College committee.

- 7.5.3 It is also expected that all tenured/tenure-track non-classroom faculty will perform certain off-campus activities, as referenced below. Off-campus activities, as described below, are not specifically assigned by management.
- 7.5.4 In recognition of the importance of additional hours for off campus professional development activities, the mandatory forty (40) hours per week shall be distributed as follows:

Non-classroom faculty other than counselors: Thirty-three (33) hours assigned on campus and seven (7) hours off-campus for non-classroom activities. Upon mutual agreement of the unit member and the appropriate manager, the assigned workweek may vary from thirty-three hours, provided the average length of the workweek throughout the semester remains thirty-three hours.

Counselors: Thirty (30) hours assigned on campus and ten (10) hours off-campus for non-classroom activities. Upon mutual agreement of the unit member and the appropriate manager, the assigned workweek may vary from thirty hours, provided the average length of the workweek throughout the semester remains thirty hours.

Non-classroom faculty's off campus-activities may include student and non-student contact, District meetings, senate activities, in-service workshops, approved recruiting and follow-up activities, classroom preparation for faculty with teaching assignments, professional development activities (including, but not limited to, research, projects, course work, conferences, and professional association service), and office paper work. 7.6 COLLEGE FACULTY CLASS SIZE AND CLASS CANCELLATIONS

Decisions regarding class size and class cancellation shall be made by the appropriate manager after consultation with the department chair. Class section capacities shall be established and set prior to the beginning of class registration. In circumstances in which the department chair concludes that the decision of the appropriate manager does not meet program needs, the chair may request further review by the Vice President.

7.7 WORK ASSIGNMENT FOR TENURED/TENURE-TRACK FACULTY

7.7.1 General

When the work assignment for each teaching faculty member is prepared, primary consideration will be given to the professional training and experience of the faculty member, the classes to be taught, and the days and hours the classes assigned are to be scheduled. Resolution concerning schedule conflicts shall be made by the appropriate manager after consultation with the department chair and faculty member based on program needs. Whenever possible faculty shall be given written notice of their assignment thirty (30) calendar days prior to the first class period. Such notice shall contain the class or subject, hour and day, and location.

There shall be no priority order or seniority among tenured/tenure-track faculty and adjunct faculty with POA when making these summer and intersession assignments. The District shall not be obligated to offer a summer or intersession assignment to any faculty member if the faculty member in question has not previously held said assignment.

The District will endeavor to ensure that no college faculty member receives more than a 0.70 FTEF assignment during the summer session, and no more than one assignment during intersession, unless a specific exception has been granted by the Dean with notification to the President and the appropriate Vice-President. - 7.12.3 Such assignments will cover the period from July 1 to June 30 of each year, and will be finalized prior to the preceding May 1.

7.13 DISTANCE EDUCATION

- 7.13.1 Expanding student access, not increasing productivity or enrollment, shall be the primary determining factor when a decision is made to schedule a distance education course. There will be no reduction in force of faculty (as defined in Article XXIII of this Agreement) as a result of the District's participation in distance education.
- 7.13.2 Courses considered to be offered as distance education shall be defined in accordance with the Board of Governors' Title 5 Regulations and Guidelines. Generally, this definition refers to courses where the instructor and student are

separated by distance and interact through the assistance of communication technology (reference section 55200 of Title 5 California Code of Regulations). The determination of which courses in the curriculum may be offered in a distance education format, in addition to instructor/student contact requirements, shall be in accordance with the Title 5 California Code of Regulations.

7.13.3 Class Section Capacity

Class section capacity for distance education courses shall be established prior to the beginning of the enrollment period for each course and shall be governed by the provisions of Article VII, Section 7.6, above. The average class size of a distance education class will be that expected of any other on-campus class.

7.13.4 The decision regarding whether or not to accept a distance education assignment shall be at the sole discretion of the faculty member. Faculty will not be sanctioned or adversely evaluated in any way for refusing a distance education assignment.

7.13.5 The District shall provide training, logistical, instructional, and technical support to faculty with distance education assignments.

7.13.6 Prior to the rebroadcast of a distance education course for which a faculty member provided the primary means of instruction, the District and the affected faculty member shall meet and negotiate the terms and conditions of the rebroadcast.

7.13.7 Compensation and Load

A distance education assignment will count toward the faculty member's load as would the comparable regularly scheduled, traditionally delivered, course assignment.

Unit members who are required to undergo training in order to accept a Distance Education assignment, or due to a change in the District's Distance Education delivery system, shall be allowed to submit such training for salary advancement.

Compensation for college faculty Distance Education assignments will be computed on the same basis as would the comparable regularly scheduled, traditionally delivered, on-campus course assignment.

Compensation for continuing education faculty Distance Education assignments will be determined based on the hours on the course outline of record.

7.14. OVERLOAD BANKING

- 7.14.1 Overload banking is a means by which tenured faculty members may earn load credit instead of salary for assignments that are beyond their 1.0 FTEF standard contractual assignment as defined in Article VII. Tenured faculty members may “bank” this credit so that it is retained over a designated period of time, for use during a future academic term (fall and spring semesters only) to receive a reduced load without loss of pay for their regular 1.0 FTEF assignment.
- 7.14.2 Tenured full-time faculty may be assigned up to an additional .40 FTEF per semester (fall and spring semesters only) as an overload. Unit Members who are given an overload assignment may elect to bank the greater of the FTEF of one Course Reference Number (CRN) or 0.20 of the overload assignment worked in any one (1) semester (fall and spring semesters only). If a unit member elects to bank an overload assignment, the unit member must make her/his intention known in writing to her/his immediate supervisor at as soon as possible however, prior to the first day of instruction of the semester during which the banking will take place.
- 7.14.3 A Unit Member may not accumulate more than 1.0 FTEF of a full semester workload.
- 7.14.4 A Unit Member may utilize banked time during a subsequent semester (fall and spring semesters only) for the purpose of a reduction in her/his 1.0 FTEF contract assignment, provided the reduction does not exceed the equivalent of 1.0 FTEF for that semester and equals at least the FTEF of one full CRN.
- 7.14.5 Banked leave time will be scheduled only for the full length of a semester (no leaves shall be taken for part of a semester only).
- 7.14.6 Overload assignments will not be allowed during the semester which the unit member is reducing her/his load, regardless of the level of the load reduction. Unit members taking a full semester off on a 1.0 FTEF banked leave will not be eligible to work any additional assignments in the District, including overloads, work paid through a stipend, or any other work in any type of hourly assignment.
- 7.14.7 Any unused banked time will be paid off at the current overload rate at the time of retirement or separation from District employment or if any portion of an accumulated 1.0 FTEF remains unused after three (3) years, the entire amount will be paid off in the subsequent semester, unless the unit member’s request has been denied as a result of the approval process defined in 7.14.9. In such case, the entire amount in the bank will be paid off three semesters following the last denial.

- 7.14.8 When on a banked leave the unit member's Flex time requirement, office hours, and committee meeting obligations will be proportional to the remaining contractual assignment for the semester. Being on a full 1.0 banked leave eliminates the contractual obligation for Flex time, office hours and committee/college service work during that semester.
- 7.14.9 Before banked time may be utilized for a reduction in load, unit members must comply with the following approval process:
- i. A unit member who wishes to utilize banked leave must submit a written request to the appropriate Vice President or designee by the preceding March 1 (for fall semester reductions) or the preceding October 1 (for spring semester reductions) and must include the percentage of leave reduction requested. The Vice-President will provide a written response to the request within 30 (thirty) calendar days of receipt of the request.
 - ii. Banked leave will be granted only when the purpose is in accord with the provisions of this Article and the granting of leave will not be detrimental to the instructional program. Approval will also be based upon the ability of the college to obtain a suitable replacement for the unit member.
 - iii. Approval for banked leave during a semester may be limited within a department when the granting of multiple leaves to multiple unit members may be detrimental to the instructional program or to the service of students.
 - iv. The order of consideration of banked leave requests will be on a "first-come, first-served" basis.
 - v. Unit members on a 50% full-year sabbatical may utilize banked leave to increase their compensation during the term of their sabbatical.
- 7.14.10 Benefits for unit members during a period of banked leave use will be provided by the District as if the unit member were in her/his regular 1.0 FTEF assignment.
- 7.14.11 Unit members who request to schedule banked leave at 1.0 FTEF will not be eligible to apply or take any other leave to extend an absence from the workplace longer than one semester.
- 7.14.12 Once approved, a unit member may not rescind their acceptance of the reduced assignment within 60 (sixty) calendar days prior to the first day of instruction of the semester during which the reduced assignment will take place.

ARTICLE VIII - SALARY

The procedures set forth in this section of this Agreement regarding salary schedule placement and movement, and the granting or denial of tenure and/or promotion are intended by the Guild and the District to be applied in such a manner that they will avoid arbitrary and capricious recommendations and decisions.

Calculation of Salary for Faculty Serving Less Than a Full School Year -- A divisor will be used in calculating salaries for tenured/tenure-track faculty serving less than a full college year. For 10-month faculty, this divisor shall be 175; for 11-month faculty, 194; for 12-month faculty, 211. Annual Salaries will be recalculated for service less than a full academic year based on California Education Code §87815. Any required adjustment shall be made within the first two pay periods or the final pay period. Residual payments will be paid in equal monthly installments until the end of the assigned academic year. A unit member who serves a complete semester shall receive not less than one-half of the annual salary for that position.

A1.0 APPLICABLE POSITIONS

The following salary schedule rates and rules apply to tenured, probationary, and restricted contract classroom and non-classroom faculty.

A2.0 DEFINITION OF CLASSES

To be considered for salary placement purposes, academic degrees, units, and experience must be related¹ to the field or discipline in which the faculty member is assigned. Upon a change in the unit member's primary discipline of assignment, the unit member may request a review of applicable degrees and/or experience by submitting the unit member's relevant transcripts/documentation to the unit member's campus professional development committee. Academic degrees and units must be earned degrees or units from regularly accredited institutions of higher education⁷. Academic degrees from unaccredited domestic colleges and universities will be accepted only if a registrar of a regularly accredited institution of higher education⁷ certifies that the degree in question is the equivalent of an earned academic degree granted by his/her institution (see footnote 5 for foreign degrees). In addition, academic degrees and units earned from an institution prior to its accreditation may be considered for salary placement and advancement upon application for such credit, and only if such course work was either (1) completed during that institution's candidacy for accreditation, or (2) earned prior to candidacy, but has been certified by the institution as substantially equivalent in content and instruction as those offered under accreditation.

Official transcripts are to be delivered unopened and sealed to the hiring manager or SDCCD/Human Resources. Electronic transcripts which can be directly accessed from the accredited institution by SDCCD are also acceptable. Work experience must be verified on the appropriate form by: (1) previous employer; or (2) submission of

Schedule C or 1099 tax returns, or written verification from tax preparer; or (3) Military DD214; or (4) other related official documents relating to the assignment.

A3.0 INITIAL SALARY STEP PLACEMENT

Initial salary placement of newly employed faculty shall be on the first step of the class. Faculty with advanced course work and/or other creditable experience shall be moved to the appropriate class and step, effective the first of the month following receipt of official transcripts, the required verifications, and acceptance by Human Resources.

Verifications from tenure-track, or newly hired restricted contract faculty submitted no later than 120 (one hundred twenty) calendar days from the date of employment will be eligible for retroactive salary placement. All other verifications will be effective the first of the month following submission to Human Resources. Credit for teaching experience for all faculty shall be calculated from Step A.

Verification of experience is the responsibility of the faculty member if it is to be used for determination of placement on the salary schedule.

- A3.1 Credit for Academic Experience -- A maximum of two (2) years prior contract academic experience shall be credited up to the maximum step of C in the appropriate class of the salary schedule, provided such contract experience has been in a regionally accredited high school or institution of higher education.

Each ninety (90) hours of hourly academic experience shall be credited as one (1) calendar month of experience for initial salary step placement. Ten (10) calendar months equates to one (1) year for step placement purposes.

- A3.2 Credit for Related Experience Other Than in an Academic Environment for Faculty in Disciplines where a Master's Degree is Generally Expected or Available -- Credit for approved related experience is granted on a half credit basis provided such related experience is in a field corresponding to the current assignment. Such experience must have been continuous, at least three (3) months' duration, and the exact dates must be verified. If the work has not been full-time, it will be credited in the same proportionate amount; however, no credit will be granted for experience which is less than 1/2 time.

- A3.3 Total Credit -- Total credit allowed for prior teaching and related experience as defined above shall not result in placement beyond Step C of the salary schedule. All experience (teaching or related) shall be verified by official documents or statements from employers before experience credit shall be allowed. A

maximum of one year of step credit shall be granted within any twelve-month period of verified experience. In evaluating prior experience there must be a minimum of 7-1/2 months of creditable service in order to be granted a full year of experience for salary purposes.

The above credits are allowed only in original placement on the salary schedule and are not subject to later review, unless such review is specifically provided for under the terms of this Agreement.

A4.0 SALARY STEP AND CLASS MOVEMENT SUBSEQUENT TO INITIAL DATE OF HIRE

Effective July 1, 2011:

For unit members hired from January 1 through June 30 on an 11 or 12 month contract their first step increment will be the following January 1. For unit members hired from January 1 through June 30 on a 10 month contract their first step increment will be the following February 1.

For unit members hired from July 1 through December 31 on an 11 or 12 month contract their first step increment will be on January 1 after completing one (1) full year of service. For unit members hired from July 1 through December 31 on a 10 month contract their first step increment will be on February 1 after completing one (1) full year of service.

One (1) full year of service for purposes of step advancement shall be defined as being in paid status for at least seventy-five percent (75%) of the assigned academic year. Subsequent step movements will occur on January 1 for 11 and 12 month contract unit members and will occur February 1 for 10 month contract unit members.

Faculty whose most recent evaluation is less than satisfactory will be frozen at their current step.

- A4.1 Educational Plans for Salary Class Advancement (Professional Development) – Each faculty member desiring to take college/university course work or participate in work experience and/or undertake any scholarly or creative works for salary class advancement purposes shall submit a Professional Development Proposal to the Campus Professional Development committee through the appropriate department/program chair and manager for approval outlining the objectives of his/her proposed plan, the types of course work, degrees, or credentials sought, and the institution from which the work will be taken or in which work experience will be gained. Faculty are not required to receive prior approval before completing work for salary advancement (except as required by the Vice-President as denoted in section A4.3), but are encouraged to receive prior approval to ensure that their efforts will qualify.

A4.2 Transfer from Lower to Higher Class – Salary Class Advancement and Timelines

When a unit member has qualified for advancement to a higher class, has submitted the required forms and verification (professional development plan, any revisions, report of completion, work experience or workshop verification, official transcripts and appropriate signatures) through the campus process to Human Resources and these documents have been accepted by Human Resources, the faculty member shall be transferred to the corresponding step of the new class.

Faculty members who have all required documents approved by the appropriate campus Professional Development Committee by the last work day in September shall be transferred effective October 1st; those who have all required documents approved by the appropriate campus Professional Development Committee by the last working day in October shall be transferred effective November 1st; those who have all required documents approved by the appropriate campus Professional Development Committee by the last working day in February shall be transferred effective March 1st; those who have all required documents approved by the appropriate campus Professional Development Committee by the last working day in April shall be transferred effective May 1st each year.

A4.3 Course Work Acceptable for Salary Class Advancement – For all faculty, units must be approved by the appropriate campus Professional Advancement Committee and must be related to the faculty member's faculty service area (FSA). Coursework not directly related to the faculty member's FSA but related to meeting the minimum qualifications of another discipline or FSA may also be approved by the appropriate campus Professional Advancement Committee provided pre-approval is obtained from the appropriate Vice-President.

Credits shall be allowed from upper division or graduate courses in accordance with the official transcripts from regularly accredited institutions. Credit for courses taken in the armed forces will be allowed only when verified by official transcripts issued from regularly accredited institutions⁷. Course work⁷ taken to satisfy the unit member's FLEX obligation may also be used for salary advancement.

For all purposes of salary advancement as a result of taking a course, a passing grade for that course to count for salary advancement shall mean a grade of "C" or above. For coursework taken on a credit/no-credit, pass/no-pass, or similar type of non-letter graded system, the determination of whether or not the passing grade shall be deemed as a "C" or above shall be based on the equivalency rules in place at the institution where the coursework was taken. The unit member shall be responsible for obtaining and submitting this documentation if not already provided on the official transcript.

A4.3.1 Effective July 1, 2003, the greater of six (6) lower division units or two (2) courses may be allowed upper division credit (toward one class movement only) for purposes of transfer to a higher classification, provided that all of the following requirements are met:

A4.3.1.1 That such lower division work is taken subsequent to employment by the San Diego Community College District in a faculty position.

A4.3.1.2 That such courses are approved by the appropriate campus committee and the appropriate dean for salary credit, based upon a consideration of the value of the course in improving the professional competence of the individual.

A4.3.1.3 That all such lower division work must be taken at some institution other than one of the San Diego community colleges.

EXCEPTIONS:

- i. Vocational faculty (other than continuing education adjunct faculty) enrolled in programs leading toward an associate's or bachelor's degree in a field or discipline in which the faculty member is assigned may receive salary credit for all lower division courses from any accredited institution provided written approval is obtained from the faculty member's campus Vice-President and campus Professional Advancement Committee prior to enrollment.
- ii. Lower division courses in disciplines other than foreign languages or computer-related technologies may be taken within the San Diego Community College District provided written, prior approval is obtained from the appropriate Vice-President.
- iii. Effective July 1, 2003, courses taken in the fields of foreign languages or computer-related technologies may be taken within the San Diego Community College District without prior approval from the appropriate Vice-President.
- iv. Effective January 1, 2007, in addition to the six (6) lower division units or two (2) courses provided

above, a faculty member will be allowed up to six (6) additional lower division units or two (2) additional courses taken after January 1, 2007, in the disciplines of foreign language or computer related technologies.

A4.3.2 Credit may be allowed for a repeated course provided at least five (5) years have elapsed between the completion dates of the two (2) courses. Courses are not considered duplicate courses if they are taken at different schools under different faculty even though the course titles may be similar, or as part of a thesis or dissertation research program of study. Repeated course numbers and titles at the same school that are not part of a thesis or dissertation are not considered repeated if the course content identified within the course description differs between semesters and is submitted through the Professional Advancement Committee for approval prior to enrollment.

A4.3.3 For purposes of salary reclassification, the total number of semester units shown on official transcripts will be rounded to the next larger whole semester unit only if the fraction is $\frac{1}{2}$ or larger; e.g., $29\frac{1}{2}$ semester units will be counted as 30 semester units.

A4.3.5 Professional development activities (e.g.; conferences, workshops, scholarly & creative works) submitted for salary advancement must be completed on the faculty member's own time.

Thirty (30) hours of conferences/workshops/seminars equals one (1) semester unit. Fifteen (15) hours as a presenter at a conference/workshop/seminar equals one (1) semester unit. See Section A4.7 for unit equivalencies for scholarly and creative works.

A4.4 Salary Credit for Work Experience or Internship

A maximum of eight (8) units (thirty (30) hours of work experience/internship equals one (1) semester unit) of salary credit, shall be allowed for approved work experience or internship during a faculty member's advancement across the salary schedule, provided (a) the experience was outside of the academic year (b) the experience is directly related to the field(s) in which the faculty member is rendering service; or (c) the work is of such nature as to provide a substantial increase in the faculty member's skill in or knowledge or understanding of his/her work.

Vocational *adjunct* faculty may have additional work experience re-evaluated for class placement purposes up to a maximum placement of Class 6. Work experience is defined as experience directly related to the field(s) in which the

faculty member is rendering service; or the work is of such nature as to provide a substantial increase in the faculty member's skill in or knowledge or understanding of his/her work.

- A4.5 Scholarly and Creative Works -- Credits for salary class advancement may also be earned through scholarly works and creative endeavors. Some of the activities listed in this section are an integral part of the faculty member's assignment and will be considered under professional development only in extraordinary circumstances, as determined by the appropriate campus Professional Advancement Committee.

A maximum of seven and one half (7-1/2) units of creative and scholarly works may be applied toward each salary class advancement.

- A4.5.1 Semester unit credit equivalencies of between one (1) and seven-and-one-half (7.5) units may be granted if the following criteria are met:

A4.5.1.1 The work has been validated by a reputable agency/professional source/public exhibit. Examples of reputable validation include but are not limited to: Professional organization/guild; publisher with an editorial board or another juried process of selection; juried show; purchase of the product by industry; patent; public performance or exhibition; award by a professional organization; and,

A4.5.1.2 The work promotes excellence in the classroom and/or the instructional support area; and,

A4.5.1.3 The work has not been compensated already by the District (sabbaticals are not considered compensation); and,

A4.5.1.4 The work is reasonably related to the faculty member's discipline/FSA(s); and,

A4.5.1.5 The work accomplishes one of the following:

- It advances the field of study; or
- It makes a contribution to the discipline; or,
- It demonstrates originality and/or innovation; or,
- It brings recognition to the District.

- A4.5.2 The work must be performed on the faculty member's own time, not on a District assignment, and not using District equipment or supplies, facilities, or personnel, and must directly contribute to the instructional programs.

- A4.5.3 The awarding of units for scholarly and creative works is limited to projects which have the approval of the appropriate Department Chair, manager and the campus Professional Advancement Committee. Quality is to be assured by both reputable validation (as described in A4.5.1.1 above) and the Committee's judgment reached either with or without review by Committee-designated experts. Work which the Committee considers to be of insufficient quality shall be rejected.

Rejection may be appealed by the faculty member to the Committee on Academic Personnel (CAP). CAP will review the action and the statements of all appropriate parties, and shall make a recommendation to the Chancellor who shall make the final determination.

- A4.5.4 The following examples of work and the possible range of units awarded for it are not intended to supplant the judgment of the appropriate Campus Professional Advancement Committee but are to serve only as guidelines. Within each unit range, the exact determination of credit to be awarded will be based upon the Campus Professional Advancement Committee's judgment of the **quality** of the work (not hours logged):

A4.5.4.1 One (1) to seven-and-one-half (7-1/2) units: Novel, biography, extensive textbook, symphony, one-person art/craft exhibition, product design, performing arts production, or other similar works;

A4.5.4.2 One (1) to four (4) units: Professional paper, article, short story, song, placing in a juried art/craft exhibition, other exhibition, training or faculty member's manual, software program, or similar works.

Faculty members may challenge the Campus Professional Advancement Committee (PAC) on the number of units awarded by appealing to the Committee on Academic Personnel (CAP). The CAP will review the PDC's award and rationale, and will review a written challenge by the faculty applicant. CAP then will make a recommendation to the Chancellor who shall make the final determination.

- A4.5.5 Other examples of appropriate scholarly and creative works include but are not limited to:

A4.5.5.1 Consultancy to other educational institutions, lectures to professional organizations on topics reasonably related to one's assigned field;

- A4.5.5.2 Publication of printed or web published manuals, textbooks, articles, books of critical studies/essays, formal papers;
- A4.5.5.3 Fiction/non-fiction plays, poems, screenplays, teleplays, chapbooks, reviews, anthologies, annotation of a text, indexes, atlases;
- A4.5.5.4 Song, instrumentals, octavo choral work, chamber ensemble work for chorus, orchestra or band, work for an orchestra, symphony, oratorio, opera, musical;
- A4.5.5.5 Films, theater or media activities;
- A4.5.5.6 Exhibits of arts or crafts (examples may include painting, sculpture, photography, ceramics);
- A4.5.5.7 Creation of models, mock-ups, or simulations;
- A4.5.5.8 Creation of a product or process for increasing production efficiency in industry or business.

A4.6 Tenure Guidelines

A4.6.1 Statement of Purpose

The Guild and the District agree that the period during which prospective members of the permanent faculty of the San Diego Community College District are reviewed for tenure is understood best as a continuation of the search and selection process. In fact, the parties regard the tenure recommendation made to the Chancellor and the Board of Trustees as even more important than the initial decision to hire. The parties affirm that tenure review by faculty and administrators must be a careful and thorough process, since it is one which will result in a decision crucial to the faculty member's professional future and to the future quality of our academic programs. Consequently, tenure decisions generally will be made at the end of the fourth (4th) probationary year, except in cases of rare and compelling circumstances. A faculty member must have served in paid status (includes half-salary sick leave) seventy-five percent (75%) or more of the number of days in the assigned academic year in order to have that year count as a year served.

A4.6.2 Standards for Tenure (at the end of four (4) full probationary years)

- A4.6.2.1 The candidate shall have achieved competent performance in classroom teaching and/or in the development, coordination, and implementation of student services activities, and in carrying out other responsibilities specified in the appropriate position announcement.
- A4.6.2.2 The candidate shall have demonstrated respect for student rights and consistent attempts to meet student needs.
- A4.6.2.3 The candidate shall have demonstrated respect for colleagues, for the traditional concepts of academic freedom, and for the commonly-agreed-upon ethics of the teaching profession, as defined in the American Association of University Professors' "Statement on Professional Ethics" (as amended and adopted by the Academic Senate for California Community Colleges).
- A4.6.2.4 The candidate shall have demonstrated sensitivity to the issues of diversity.
- A4.6.2.5 The candidate shall have demonstrated continued currency in his/her discipline or non-classroom area of assignment, plus evidence of professional growth.

A4.6.3 Evaluation and Recommendation

- A4.6.3.1 Evidence of competence, respect for student rights, respect for colleagues and the ethics of the teaching profession, sensitivity to the issues of diversity, currency, and realization of professional growth shall be obtained from a careful analysis of administrative evaluations, peer evaluations and student evaluations over a period of time, and from a critical reading of materials submitted by the candidate. Recommendations regarding tenure shall be based upon this evidence alone.
- A4.6.3.2 The effective recommendation regarding the candidate's performance shall be made by his/her Evaluation Committee, under the provisions of Article XV of this Agreement.

A4.6.4 Standards for **Early** Tenure (at the end of two (2) full probationary years)

The candidate shall have demonstrated performance which **exceeds standards** in the areas described in A4.6.2 above. The effective

recommendation regarding the candidate's performance shall be made by his/her Evaluation Committee, under the provisions of Article XV of this Agreement. A decision not to grant early tenure is neither grievable nor appealable.

A4.6.5 Standards for **Early** Tenure (at the end of one (1) full probationary year)

The candidate shall have demonstrated **exceptional performance** in the areas described in A4.6.2 above. The effective recommendation regarding the candidate's performance shall be made by his/her Evaluation Committee, under the provisions of Article XV of this Agreement. A decision not to grant early tenure is neither grievable nor appealable.

A4.6.6 Additional Requirements for the Granting of **Early** Tenure

In addition to the performance requirements specified in A4.6.4 and A4.6.5 above, the candidate's Evaluation Committee must offer clear and compelling reasons for the granting of early tenure (after **either** one (1) year or two (2) years).

A4.6.7 Tenure and Promotional Review Committees

A Tenure and Promotional Review Committee shall be established by each of the three college Academic Senates following the guidelines in Article 15.1.9.8.

A4.7 Promotions: College Faculty Only

A4.7.1 Definition

Promotion, under the terms of this agreement, shall mean advancement in academic rank.

A4.7.2 General Policies

It is expected that given careful screening and recommendations by hiring committees, and serious tenure review by faculty and administrators, tenured faculty will advance ultimately to the rank of Professor, providing they meet required performance standards. Budgetary constraints shall not direct the process of promotion. The aim of peer evaluation and promotional review shall remain always to foster professional growth and teaching excellence.

A full year of service is defined as having served in paid status (includes half-salary sick leave) seventy-five percent (75%) or more of the number of days in the assigned academic year, unless expressly contraindicated by another article of this Agreement, or state or federal law. In any case, faculty eligible for promotion shall be expected to meet or exceed the promotional standards outlined in this Article in order to be promoted.

A4.7.3 General Standards

An Assistant Professor will be competent to teach in a particular field, will be current in the literature of that field, and will seek to meet student needs in both the classroom and in non-classroom environments. However, an Assistant may be a junior member of the academic community, with little professional and/or teaching experience. Furthermore, an Assistant may have little experience in curriculum development, committee work, governance, professional and/or community service, etc. In short, an Assistant Professor generally will be new to *tenure-track* college teaching.

For eligibility for promotion from Assistant to Associate Professor, the candidate must have served a minimum of four (4) years at the rank of Assistant Professor, and must show evidence that he/she has grown professionally and consistently has sought to meet student needs, in both the classroom and in non-classroom environments. A successful candidate for the rank of Associate Professor will have remained current in the field, and will have improved his/her teaching in some demonstrable way. He/she also will have demonstrated professional growth in one or more of the following ways: completion of additional appropriate course work (if applicable), attendance at professional conferences, service on campus and/or District committees, professional and/or community service, or, the production of some creative work. Evidence of professional growth will be drawn from a careful analysis of student evaluations and peer evaluations over a period of time, and from a critical reading of materials submitted by the candidate.

For promotion from Associate to Professor, the candidate must have served a minimum of four (4) years at the rank of Associate Professor, and must show evidence that he/she has grown professionally to a point where he/she has mastered both a particular field of knowledge and the teaching of that knowledge. A successful candidate must show evidence that he/she consistently has sought to meet student needs, in both the classroom and non-classroom environments. A Professor should be a senior member of the faculty, one who has such substantial experience, knowledge, and skill that he/she could mentor junior faculty in his/her area of expertise. A Professor will have demonstrated all the same kinds

of achievements and attributes necessary for promotion to the Associate Professor rank, but in addition will demonstrate that he/she is a leader in some appropriate sense. A7.0 UNDERPAYMENT OR OVERPAYMENT

Proper salary class and step placement is a joint responsibility of the faculty member and the District. Faculty are encouraged to keep up-to-date records of college courses they have completed and other accomplishments which apply toward salary class advancement. Faculty suspecting that they are incorrectly placed on the salary schedule should bring this information to the attention of the District Human Resources office immediately.

In the event of underpayment or overpayment in a faculty member's compensation, the following procedures shall control and be applicable only if the faculty member, or AFT, on its own behalf, and on behalf of the affected faculty member, agrees upon the fact and amount of underpayment or overpayment, and upon use of these procedures:

Should underpayment or overpayment in compensation occur, for purposes of determining the amount to be refunded or collected, retroactivity shall be limited to one (1) calendar year from the time the error is brought to the attention of the affected faculty member or Human Resources. If the error cannot be corrected prior to the issuance of the subsequent pay warrant, retroactivity will be extended until a correct pay warrant is issued.

In cases of underpayment, the District will issue a supplementary warrant for the amount due the faculty member.

In cases of overpayment, the faculty member shall pay the full amount back to the District within one (1) calendar year from the date of the issuance of the faculty member's first pay warrant which includes a deduction for a portion of the overpayment. In cases where the one (1) year time frame would cause the monthly repayment deduction to exceed five percent (5%) of the affected faculty member's gross pay for that month, said deduction shall be limited to five percent (5%) of the faculty member's gross pay, and the time frame for repayment shall be extended until the full amount is repaid.

A8.0 EXTENDED SERVICE

ARTICLE VIII - SALARY

B/C1.0 APPLICABLE POSITIONS

Rates of pay on Schedule B for temporary classroom assignments apply to all faculty teaching in a classroom assignment on an adjunct or overload basis, including summer or intersession assignments.

Rates of pay on Schedule C for temporary non-classroom assignments apply to all faculty serving in a non-classroom assignment on an adjunct or overload basis, including summer or intersession assignments. Adjunct faculty who are required by the appropriate manager, in consultation with the department chair, to attend committee meetings, department or school meetings, or participate in other District activities shall be compensated according to Salary Schedule C.

Rates of pay on Schedule B-2 for temporary classroom not-for-credit assignments apply to all faculty teaching in a continuing education fee based classroom assignment on an adjunct or overload basis, including summer or intersession assignments.

B/C2.0 DEFINITION OF CLASSES AND INITIAL CLASS PLACEMENT

Adjunct faculty will be placed on Salary Schedule B and Salary Schedule C following the same definition of classes as delineated in Article VIII, A2 of this Agreement. Tenured/tenure-track overload faculty shall be placed on Salary Schedule B and Salary Schedule C at the same step and class as they are placed on Salary Schedule A, subject to the maximum step limitation of Salary Schedule B and Salary Schedule C.

Upon initial hire, adjunct faculty will be required to submit all official transcripts and/or verifications of employment as described in Section A2.1 or A2.2. Faculty with advanced course work and/or other creditable experience submitted after the date of initial hire shall be moved to the appropriate class, effective the first of the month following receipt of official transcripts, the required verifications, and acceptance by Human Resources.

Adjunct faculty on Salary Schedule B-2 shall be placed based on following current salary placement rules for not-for-credit fee-based classes.

Vocational class placement as described in A 2.2 is not available for Continuing Education adjunct faculty.

B/C3.0 INITIAL SALARY STEP PLACEMENT

Adjunct faculty will be initially placed on the first step of the appropriate class.

B/C4.0 STEP AND CLASS ADVANCEMENT

B/C4.1 Step Increments -- Adjunct faculty shall be granted one (1) step increment for each 450 clock hours of hourly service in the District, with the exception of adjunct faculty on Class 0, Step J of Salary Schedule B and/or Salary Schedule C who require 12,000 hours of satisfactory hourly service to move to Step K. Qualification for step advancement shall be evaluated each pay period. Advancement shall be effective the first of the month following qualification.

Adjunct faculty on Schedule B-2 (fee-based, not-for-credit) do not move in step as a function of hours served. Paid hours of service earned from Schedule B-2 do not add into the 450 hour step increment requirements for Schedules B & C above.

Effective January 1, 2014, Continuing Education Faculty who were moved to Class 1 or Class 2 had their total number of hours served in the District reset to zero for step advancement purposes.

Overload Faculty Exception

If the hourly step placement of an instructor offered a probationary contract July 1, 1987 or thereafter is higher than that awarded for the initial contract placement, the hourly rate of pay shall be maintained until the hourly step of the matching contract placement equals the previous hourly step.

B/C4.2 Transfer from Lower to Higher Class - Salary Class Advancement -- All rules for class advancement as delineated in Article VIII A4 shall govern the class advancement for adjunct faculty on Salary Schedule B and Salary Schedule C.

B/C5.0 UNDERPAYMENT OR OVERPAYMENT

The same rules as delineated in Article VIII A7.0 shall apply to faculty placed on Salary Schedules B, B-2 and Salary Schedule C.

B/C6.0 EXTENDED SERVICE

The same rules as delineated in Article VIII A8.0 shall apply to adjunct faculty.

B/C7.0 UNIT PAY FOR COLLEGE FACULTY ONLY

B/C7.1 DEFINITION OF UNIT PAY: Unit Pay (no time card required) refers to an equalized method of monthly payments for regularly scheduled adjunct or contract overload college classroom teaching assignments. The unit pay remuneration for full semester classes (16-18 weeks) includes the paid time necessary to satisfy the required flex obligation for the full semester class.

AFT Guild, Local 1931 – SDCCD Faculty

Classes other than a full semester in length do not have a flex obligation, nor do they carry any compensation for flex activities, therefore faculty are paid at the greater of 97% (ninety-seven percent) of the unit pay amount or the actual scheduled hours for the class.

Unit pay warrants will be issued on the 10th of the month following the month in which the class session begins, with the number of pay warrants determined by the number of calendar months in which the class session runs, regardless of the number of days the employee worked in any one month. The start and end dates of the class session may not precisely match the start and end dates of the class itself.

B/C7.2 CALCULATION OF PAID HOURS:

B/C7.2.1 For classes from sixteen (16) to eighteen (18) weeks in duration, the unit pay amount will be based on the maximum approved catalog hours for the course. (For example, for a three (3) hour per week course (lecture or lab), the unit pay amount would be 54 (fifty-four) hours. All other courses will be based on this ratio of 54 (fifty-four) hours of pay for each three (3) hours of weekly course assignment for each course as stated in Integrated Student Information System (ISIS) and the college catalog.)

B/C7.2.2 For courses that are not sixteen (16) to eighteen (18) weeks in length (including summer session), the unit pay amount will be based on 97% (ninety-seven percent) of the maximum approved catalog hours for each course as reflected in the Integrated Student Information System (ISIS).

B/C7.3 Faculty who leave an assignment before its completion will have their final check recalculated based on actual hours worked.

B/C7.4 Other adjunct assignments (time card required) including non-classroom, substitute and teaching assignments outside the three (3) – eighteen (18) week term, are to be paid by completing and submitting monthly timecards based on the actual hours worked in the assignment and are not covered by the unit pay methodology. Pay warrants will be issued monthly, beginning on the 10th of the month following the month the assignment begins.

B/C7.5 Classroom Pay

An hour's compensation for instructors shall be defined as equal to one (1) hour of classroom instruction. In addition, it is expected that an instructor will devote twenty (20) minutes per classroom hour in preparation, attending

meetings, and other duties pertinent to the adjunct assignment. Such activities may be held either on or off campus.

B/C8.0 METHOD OF PAYMENT

Pay dates for hourly assignments shall normally be on the tenth (10th) day of each month. The step and class placement, along with the number of hours of service in the District shall be displayed in PeopleSoft.

B/C 9.0 COMPENSATION FOR COLLEGE FACULTY WORK EXPERIENCE ASSIGNMENTS

Faculty members employed for the purpose of work experience supervision shall be compensated at a rate not to exceed five (5) hours of non-classroom pay for each completing student, and three (3) hours of non-classroom pay for each student who begins a program but does not complete the course.

B/C 10.0 COMPENSATION FOR COLLEGE FACULTY INDEPENDENT STUDY 290 COURSE ASSIGNMENTS

Faculty members employed for the purpose of Independent Study 290 Course Assignments shall be compensated for five (5) hours of non-classroom pay for each completing student.

B/C 11.0 COMPENSATION FOR PART-TIME FACULTY SHARED GOVERNANCE COMMITTEE WORK

Adjunct faculty who are recommended by the academic senate president and approved by the adjunct faculty member's appropriate manager to perform participatory governance committee service shall be compensated for such service. Funding will be provided from an AFT established allocation derived from its share of the Resource Allocation Formula. The hourly rate available for this compensation will be determined by dividing the total amount of available resources by the number of hours submitted. In no case shall the hourly rate exceed the maximum non-classroom hourly rate of the adjunct/overload salary schedule. The total hours for each assignment will be determined prior to the start of the shared participatory committee service and submitted to the District Human Resources Department. Hours must be submitted electronically through the appropriate manager's office in accordance with the district monthly payroll timeline.

Committee work related to participatory governance shall not increase a unit member's load for the purposes of gaining tenure as delineated in Article 18.5. These participatory governance assignments, if paid from these resources, cannot be used to satisfy FLEX obligations.

ENDNOTES for Article VIII

1. The relatedness of degrees and/or units to the faculty member's assignment will be determined initially by the District following the Minimum Qualifications for Faculty and Administrators in California Community Colleges as published by the State Chancellor's Office. The CAP will study the matter and will make a recommendation to the Vice Chancellor, Human Resources.
3. Approval of professional work experience credited for initial placement will be determined by the District. 5. Foreign Degree Evaluation: Faculty who have received a degree from a college or university outside the United States, will need to have their degree evaluated by a professional organization that is a member of the National Association of Credential Evaluation Services (NACES). A list of authorized foreign degree evaluation services can be found via the link below to review credentials. The National Association of Credential Evaluation Services (NACES) is not affiliated with the San Diego Community College District. ARTICLE IX - ACADEMIC DEPARTMENTS

9.1 COLLEGE FACULTY

9.1.1 Departmental Organization

- 9.1.1.1 Unless a special exception is made by the vice president, each college shall create a departmental structure such that each department contains no fewer than five (5) full-time equivalent faculty (FTEF).
- 9.1.1.2 Faculty in each department shall elect a department chair following the procedures specified in Section 9.3 below. The department chair shall serve in a leadership position within the department, but will not substitute for the appropriate manager with respect to the reporting requirements of faculty in the department.
- 9.1.1.3 Unless excepted as per 9.1.1.4 below, all faculty shall be assigned to a department.
- 9.1.1.4 In cases where faculty are performing a special assignment such that greater than fifty percent (50%) of their duties fall outside of their regularly assigned department, or in cases where faculty are assigned to a discipline area where the total FTEF is less than two (2), these faculty will be considered to be on special assignment and will not belong to a department. Faculty on special assignment will report directly to the appropriate manager.

9.1.2 Program Directors

- 9.1.2.1 Departments that contain disciplines which require separate mandated state or federal accreditation shall establish program directors for each discipline requiring accreditation. Program directors shall be assigned by the appropriate manager following consultation with the department chair. In the event that the program director is not the department chair, he/she shall receive a minimum of twenty percent (20%) reassigned time per semester. (This section does not preclude a Department Chair who is also a Program Director from receiving additional reassigned time as determined by the appropriate manager.)
- 9.1.2.2 Prior to the beginning of each fiscal year, the appropriate manager shall meet with each program director to determine the upcoming priorities, goals, and responsibilities of the program. Additional reassigned time may be approved by the appropriate manager subsequent to this consultation with the program director.

9.1.3 Compensation/Reassigned Time for Department Chairs during the Academic Year

Effective July 1, 2004, all Department Chairs will receive additional compensation in recognition of their current department chair duties. This additional compensation will in no way impact any current department chair compensation, release time, workload computations, or currently assigned duties. In addition, any load factors (see Article VIII, Section A8.0) related to Extended Service Units received by department chairs for chair duties as described in this Article shall not be included when computing a department chair's total FTEF.

9.1.3.1 Reassigned time shall be computed based upon a forty (40) hour on-campus workweek and will be allocated each semester. Reassigned time for department chairs shall be calculated based upon the average FTEF for the department of the prior academic year, including Intersession and summer. Overload or other assignments may not conflict with the scheduled hours of reassigned time. The amount of reassigned time allocated each semester may vary provided the two (2) semester academic year average is in accordance with the allocation delineated in Sections 9.1.3.2 and 9.1.3.3 below.

9.1.3.2 Department chairs will receive reassigned time equal to the greater of: thirty percent (30%) **OR** the sum of three percent (3%) per departmental FTEF and three percent (3%) per each full time equivalent instructional laboratory technician position assigned to that department, rounded to the nearest ten percent (10%).

Additional chair compensation will be determined as follows for classroom department chairs:

<u>Percentage of Chair Reassigned Time</u>	<u>Additional ESU Compensation (per semester)</u>
20%	2
30%	3
40%	4
50%	5

9.1.3.3 In departments where the reassigned time computed from the preceding formula exceeds fifty percent (50%), an assistant department chair may be elected following the provisions of Section 9.3 below. The distribution of reassigned time between the department chair and assistant department chair(s) shall be determined by the appropriate manager after consultation with the department chair and assistant department chair(s).

Department chairs with less than or equal to fifty percent (50%) reassigned time may, at their option, ask their department members to elect an assistant department chair following the provisions of Section 9.1.6 below.

- 9.1.3.4 Chairs of non-classroom departments shall receive six (6) extended service units per semester as defined in Article VIII, A8.0 of this Agreement. A department will be considered a non-classroom department if a majority of the departmental FTEF is assigned on a non-classroom basis.
- 9.1.3.5 Program Directors who are not being compensated as a department chair as delineated above, shall receive three extended service units per semester as defined in Article VIII, A8.0 of this Agreement.

9.1.4 Compensation for Department Chairs Outside of the Academic Year

It is expected and recognized that department chairs have obligations and perform duties outside of the regularly scheduled 175 (one hundred and seventy-five) day academic year. In accordance with these additional obligations, compensation is set forth as follows.

- 9.1.4.1 Department chairs and assistant department chairs of departments where the reassigned time for the chair or assistant chair as computed from Section 9.1.3.2 above is thirty percent (30%) or greater shall be assigned on an 11-month basis and will receive an eleventh paycheck (equal to the ten month base pay rate) to compensate for those duties performed outside of the academic year. All chairs of non-classroom departments shall be assigned on at least an 11-month basis. The work requirements for Department Chairs during their additional days of service are delineated in Appendix VI.
- 9.1.4.2 Department chairs of departments where the reassigned time computed from Section 9.1.3.2 above is less than thirty percent (30%) shall receive extended service units as defined in Article VIII A8.0 of this Agreement. The number of extended service units to be received each fiscal year will be equal to four tenths (0.4) of an extended service unit per each departmental FTEF and full-time equivalent instructional laboratory technician position assigned to that department.
- 9.1.4.3 Department Chairs and Assistant Department Chairs with 30% or more of reassigned time:
 - Are all 11-month contract employees during the fiscal year in which they perform these duties;

- Are all required to work 194 days;
- Are all paid off the Tenured/Tenure-Track Salary Schedule A;
- Have similar job duties, as defined in the collective bargaining agreement;
- Use a final service credit divisor for unused sick leave of 194 days if the faculty member retires in the academic year in which they are serving as the department chair;
- Upon completion of department chair duties, the unit member reverts back to a 10 month position with a 175 day contract base year;
- Per California Code of Regulations 27300 the above requirements establish these 11 month chairs as a class of employees.

9.1.5 Expectations and Assessment of Department Chairs

- 9.1.5.1 Department chairs and assistant department chairs receiving 11-month assignments will be expected to perform departmental duties outside of the regularly scheduled 175 day academic year. The total number of hours these department chairs are obligated to serve will be based on an equivalent number of eight (8) hour days as specified in Article VII 7.12 of this Agreement.
- 9.1.5.2 Department chairs and assistant department chairs receiving extended service units will also be expected to perform departmental duties outside of the regularly scheduled 175 day academic year. The total number of hours these department chairs are obligated to serve will equal the number of extended service units received multiplied by twenty (20).
- 9.1.5.3 Department chairs and assistant department chairs will be expected to attend training sessions, school meetings, and other appropriate college meetings (e.g. academic affairs, chairs' council, curriculum committee, etc.). Department chairs and assistant department chairs on 11-month assignments will also be expected to participate in evening duty assignments. These department chairs/assistant department chairs will not be expected to participate in evening duty more than fifty percent (50%) as frequently as is usual for managers.
- 9.1.5.4 Prior to the beginning of each fiscal year, the appropriate manager will meet with each department chair to determine her/his schedule of non-classroom obligations, in addition to assessing the upcoming priorities, goals, and objectives of the department. Hourly overload and summer assignments must be scheduled in such a way as to not interfere with scheduled department chair duties.

At the conclusion of each academic year, the appropriate manager will also discuss with the department chair the chair's previous year's performance utilizing the department chair assessment instrument (a copy of this instrument may be found in Appendix VI of this Agreement). The results from any leadership assessment survey of department faculty conducted during the previous year will also be included in this discussion.

Nothing herein precludes the application of due process under Article XIV when appropriate problems arise in the performance of assigned chair duties and responsibilities.

- 9.1.5.5 If the overall assessment by the appropriate manager demonstrates that the department chair is in need of development in her/his assignment as chair, the appropriate manager will provide specific written suggestions for improvement. In this case, a follow-up meeting with the department chair, appropriate manager, and vice president will be scheduled at the conclusion of the ensuing fall semester. The department chair, at her/his option, may ask a representative to attend this meeting. The purpose of this follow-up meeting will be to assess the chair's level of improvement during the past semester.
- 9.1.5.6 If the vice president determines as a result of this follow-up meeting that the department chair is still in need of development in her/his assignment as chair, the vice president may send a letter to the voting members of the department recommending against the re-election of the department chair. The letter to the voting members of the department shall simply state: "Based upon assessments from your department's manager and the results of the leadership assessment survey of department faculty, in addition to discussing these results with the department chair, I recommend against the re-election of (name) as department chair." If the vice president elects to send this letter to the voting members of the department, it must be received no later than the first day of instruction of the spring semester.
- 9.1.5.7 None of the preceding department chair assessment documents may be placed in the department chair's PRF or official personnel file, nor may any of the conclusions drawn from the above process impact the evaluation of the department chair as a faculty member in concert with the procedures set forth in Article XV of this Agreement.

9.2 CONTINUING EDUCATION PROGRAM CHAIRS AND DIRECTORS

Unless a special exception is made by the vice president, each program within Continuing Education shall create a structure such that each program contains no fewer than five (5) full-time equivalent faculty (FTEF).

Faculty in each program shall elect a program chair following the procedures specified in Section 9.3 below. The program chair shall serve in a leadership position within the department, but will not substitute for the appropriate manager with respect to the reporting requirements of faculty in the program.

9.2.1 Compensation of Program and Assistant Program Chairs

- 9.2.1.1 The reassigned time for each Program for a given academic year shall be determined by calculating the FTEF (full-time equivalent faculty) of the Program from the immediately preceding academic year for implementation the subsequent academic year. The reassigned time and stipends listed below apply only to work performed during the fall and spring semesters. Program Chairs and Assistant Program Chairs are not expected to perform program chair related work assignments during the summer, winter, or spring breaks.
- 9.2.1.2 FTEF shall be determined by the full-time equivalent instructional assignments in each Program including day, evening and weekend assignments of both tenured/tenure-track and adjunct faculty each academic semester as of the first week of the semester. FTEF for the academic year shall be determined by summing the FTEF from each semester of the previous academic year and dividing by two (2).
- 9.2.1.3 The following table shall be used in determining the reassigned time for each Program (effective Fall 2020):

<u>Program Reassigned Time</u>	<u>FTEF for Program</u>
40%	up to 9.99
50%	10.0 - 14.99

200%	75.0+

AFT Guild, Local 1931 – SDCCD Faculty

No individual Program Chair or Assistant Program Chair may receive greater than 80% reassigned time. The Program Dean, after consultation with the Program Chair and Assistant Program Chairs, shall determine how to allocate the reassigned time among the Program Chair and Assistant Program Chairs.

- 9.2.1.4 For each month of their ten (10) month assignment, Program Chairs will receive a monthly stipend according to the following table:

<u>Reassigned Time</u>	<u>Monthly Stipend</u>
20%	\$400
30%	\$600
40%	\$800
50%	\$1,000
60%	\$1,200

80%	\$1,600

Assistant Program Chairs will receive a two hundred dollar (\$200) monthly stipend.
Note: Program Chairs Stipends would be capped at \$1,600 monthly.

9.2.2 Program Directors

- 9.2.2.1 Programs that contain disciplines which require separate mandated state or federal accreditation shall establish program directors for each discipline requiring accreditation. Program directors shall be assigned by the appropriate manager following consultation with the program chair. In the event that the program director is not the Program Chair, he/she shall receive a minimum of twenty percent (20%) reassigned time per semester. (This section does not preclude a Program Chair who is also a Program Director from receiving additional reassigned time as determined by the appropriate manager.)
- 9.2.2.2 Program Directors who are not being compensated as a program chair or assistant program chair as delineated above, shall receive three extended service units per semester as defined in Article VIII, A8.0 of this Agreement.

9.2.3 Evaluation of Program Chair

- 9.2.3.1 All Program Chairs will be evaluated during each odd-numbered academic year of their terms of office with regard to the performance of their duties and responsibilities.

9.2.3.1.1 Administrative Evaluation of Program Chair - All Program Chairs shall be evaluated by the administrator to whom he/she reports at least once per year and no later than one (1) month prior to the end of each Spring Semester in which he/she serves as Program Chair. An “Administrative Evaluation Form” will be completed by the administrator prior to meeting with the Program Chair. The Program Chair will be provided a copy of the evaluation form during the meeting. The Program Chair may submit a rebuttal statement within six (6) days of receiving the evaluation form and, if submitted, will be attached to the evaluation form and placed in his/her personnel file.

9.2.3.1.2 Faculty Evaluation of Program Chair – An informal evaluation of each Program Chair by the faculty of his/her program shall occur during February/March each year of the term of office using a form developed by AFT and the administration. The administrator and Program Chair shall examine and discuss all submitted evaluation forms. The administrator shall summarize the informal review in the Administrator Evaluation Form where appropriate.

9.2.3.2 Management-Initiated Evaluation of Program Chair – An evaluation of a Program Chair by the supervising administrator may occur at any time if the administrator believes there has been a substantive violation of the duties and responsibilities of the Program Chair. If the supervising administrator determines that the Program Chair is not satisfactorily performing his/her duties and responsibilities, the administrator shall immediately prepare a detailed letter of adverse findings marked confidential and submit it to the Vice President of Instruction and Student Services, requesting that an immediate administrative-initiated evaluation occur. If the Vice President of Instruction and Student Services determines that an evaluation should occur, he/she will direct the appropriate administrator to conduct an evaluation following the procedure set forth above.

9.3 Election Procedures for Chairs

9.3.1 Each department (program in Continuing Education) shall have a chairperson. The term of office of the department/program chair and any Assistant Department or Program Chair, will commence July 1 and will run through June 30 two (2) years hence. Assistant Department/Program Chairs shall also be elected following these provisions.

- 9.3.2 Department/program chair elections will be held during the month of February in odd numbered years.
- 9.3.3 Announcement of the specific date of election shall be made no earlier than one (1) month, nor any later than two (2) weeks prior to the date of election. Announcement of election must be communicated to each voting member of the department/program.
- 9.3.4 The election shall be coordinated by a voting member of the department/program other than the current Chair or the candidate(s). This person shall be identified as the Election Chair concomitant with the election announcement.
- 9.3.5 Candidates who wish to run for Chair must submit a statement declaring their candidacy to the Election Chair no later than one (1) week prior to the date of the election.
- 9.3.6 Voting shall be by written, secret ballot (written proxy ballots are acceptable). All ballots shall list the names of announced candidates in lottery order, and shall provide a space for a "write-in" candidate's name.
- 9.3.7 Ballots shall be cast, counted, and announced at the department/program election meeting. In the case of more than two candidates running for Chair, if one candidate does not receive greater than fifty percent (50%) of the vote, the top two candidates receiving the most votes will contest in a run-off election during the same department election meeting.
- 9.3.8 All tenured and tenure-track faculty are eligible to vote according to the principle of one (1) person - one (1) vote, regardless of the percentage of assignment. For departments/programs with three (3) or more full-time faculty, the current department/program chair will only vote in the case of a tie. In Continuing Education only, adjunct faculty who have worked a minimum 12% (twelve percent) assignment for the academic year preceding the election shall also be eligible to vote. For college faculty only, adjunct faculty who have qualified for Priority of Assignment and hold at least a .50 FTEF assignment in that department shall also be eligible to vote.

In the case of a tie vote when there is no current chair due to resignation, recall, retirement, etc.; the election chair shall break the tie by lot.

- 9.3.9 Each tenured and tenure-track faculty member shall be eligible to vote in only one (1) department/program, that in which he/she holds the largest percentage of assignment (overload assignments are not to be counted in this formula). In Continuing Education only, adjunct faculty who have

worked a minimum 12% (twelve percent) assignment for the academic year preceding the election shall also be eligible to vote, but only in the department where he/she holds the largest percentage of assignment.

- 9.3.10 For departments/programs with three (3) or more tenured faculty, Chairs may be elected only from the full-time tenured ranks of the faculty. For departments/programs with fewer than three (3) tenured faculty, Chairs may be elected from the tenure-track ranks as well. The tenured ranks shall be defined as those faculty holding tenure as of the beginning of the Chair term for which they are to serve. Departments/programs with only two (2) eligible tenured or tenure-track faculty shall rotate the position of department/program chair every two (2) years unless otherwise specified by written mutual agreement between the two (2) faculty members.

Assistant Department/Program Chairs may be elected from among either tenured or tenure-track faculty.

For Continuing Education faculty only, in the case of a program where there are no tenured or tenure-track faculty members who are willing to serve, adjunct faculty members who have Priority of Assignment will be eligible to run for Program Chair or Assistant Program Chair.

- 9.3.11 A faculty member may run for Chair only in the department/program where he/she holds the largest percentage of his/her tenured/tenure-track assignment (overload assignments are not to be counted in this formula).
- 9.3.12 If any Chair shall step down prior to completion of his/her term, an election for interim Chair shall be held within one (1) month of the announcement of vacancy, following all of the procedures specified in 9.3.3 through 9.3.11 above. The Interim Chair shall serve the remainder of the term of office of the Chair he/she replaces.
- 9.3.13 The provisions of Section 9.3 of this Article shall not be grievable.

9.4 Recall of Department/Program Chair

- 9.4.1 For the purposes of this entire Section 9.4, the department/program chair does not have voting rights nor is to be considered as a voting member of the department/program. Voting department/program faculty (as defined in 9.3 above), any time after a Chair has served one (1) full semester in office, may petition for recall of the department/program chair. (The one (1) full semester waiting period does not apply to Chairs who are serving a consecutive term.)

- 9.4.2 A petition for recall must state the reasons for the action, and must be signed by a simple majority of voting department/program members.
- 9.4.3 A petition meeting these specifications shall be presented to the appropriate AFT Guild tenured/tenure-track vice president and the appropriate college vice president, who will be jointly responsible for conducting a recall election within two (2) weeks of receipt of said petition.
- 9.4.4 The ballot shall simply state: "Should _____ continue to serve as department/program chair; YES_____ NO_____." Voting shall be by written, secret ballot (written proxy ballots are acceptable). Ballots shall be cast, counted, and announced at the department/program recall election meeting by the appropriate AFT Guild tenured/tenure-track vice president and the appropriate college vice president.
- 9.4.5 If, and only if, a two-thirds majority of all eligible voting department/program faculty vote "NO," the Chair will be removed from office. The appropriate AFT Guild tenured/tenure-track vice president and the appropriate college vice president will then jointly arrange for an interim election under the terms of 9.3.12 above.
- 9.4.6 None of the aforementioned materials will be placed in the Chair's campus-based performance review file, nor official personnel file. All written material relating to the above process must be destroyed after completion of the recall election.
- 9.4.7 The provisions of section 9.4 of this Article shall not be grievable.

ARTICLE X - EMPLOYMENT BENEFITS

The District and the Guild agree to continue VEBA participation which was first effective January 1, 1994.

10.1 FRINGE BENEFIT COMMITTEE

There shall be established a District Fringe Benefits Committee, the Chairperson of which shall be the District Fringe Benefits Coordinator. Each exclusive agent shall be entitled to one (1) representative on the committee. The committee shall review existing benefit programs and gather comparative information on other benefit programs not currently in effect in the District. Each representative shall communicate such information to his/her bargaining unit members. This committee is solely for the purpose of information gathering and does not, as a body, make recommendations.

10.2 ELIGIBILITY

10.2.1 Tenured/Tenure-Track Faculty

Tenured/tenure-track faculty as used in this Article shall mean contract faculty who are assigned in a paid status fifty percent (50%) or more of a full-time equivalent.

10.2.2 Adjunct Faculty

Adjunct faculty shall be eligible for benefits as follows:

10.2.2.1 Adjunct faculty shall be eligible for the District-paid contribution toward health premiums as defined in Sections 10.3.2.1 and 10.3.2.2 of this Article if they serve an average equal to fifty percent (50%) of a full-time assignment for two (2) consecutive academic semesters. The effective date of insurance for adjunct faculty is the date when he/she completes an enrollment application where such date coincides with or follows the completion of two (2) consecutive academic semesters. Coverage continues as long as qualifying hours are served. For purposes of determining qualifications, summer recess shall not represent an interruption. Faculty members currently eligible for benefits if assigned as long-term substitute or leave replacement in lieu of their initial semester assignment, shall have their long-term substitute or leave replacement hours counted towards their FTEF for purposes of benefit eligibility only. Retired tenured faculty members are not eligible for this program.

Adjunct Faculty who have previously qualified for benefits, and who subsequently have two (2) consecutive semesters with a forty percent

AFT Guild, Local 1931 – SDCCD Faculty

(40%) assignment may remain in the benefits program. In order to remain in the benefits program they must receive a 60% assignment during the subsequent third semester.

10.2.2.2 Effective Fall 2001, shared premium will no longer be offered to newly subscribing adjunct faculty. Those adjunct faculty who currently participate in the shared premium program as described in Section 10.3.2.1 will be allowed to continue.

10.2.2.3 Adjunct faculty on medical leave shall have their benefits continue to the point of exhaustion of all paid leaves as per section 11.2.3.

10.2.3 Retirees

Eligible retirees as defined in this section shall mean those tenured faculty who have retired from the State Teachers' or Public Employees' Retirement Systems on a service retirement and who have worked as a tenured/tenure-track faculty member for the San Diego Community College District for a minimum of twenty (20) years and are between the ages of sixty (60) and sixty-four (64), inclusive.

Tenured faculty who retire after the ages of fifty-five (55) with a minimum of fifteen (15) years of service in the District shall be eligible for a proportionate share of resources available from a pool of funds from the AFT's share of the allocation formula to help defray the cost of District medical, dental, and vision insurance premiums. Faculty who retire under the provisions of 10.2.3 above shall receive the District provided coverage for medical, but shall be eligible for a proportionate share of resources to help defray the cost of the District dental and vision insurance premiums. The amount per retiree will vary from year to year based on the number of retirees participating and the cost of benefits.

The contribution amount for the calendar year shall be determined and communicated to eligible retirees during each year's Open Enrollment period. The amount contributed shall not exceed that which the District currently contributes for active tenured/tenure-track faculty members. Eligibility to receive these contributions shall cease the first of the month following the faculty member's 65th birthday.

Up to \$13.74 per month for vision insurance.

- 10.3.2.3 Eligible faculty electing to participate in a plan option which exceeds the District contribution shall be required to contribute the difference through monthly payroll deductions.
- 10.3.2.4 The District will contribute the cost of medical, dental and vision benefits for domestic partners as defined by VEBA rules who are enrolled by eligible adjunct track faculty under Section 10.2.2 above.
- 10.3.2.5 Upon the initial effective date of eligibility, the unit member is only eligible for employee only coverage. The unit member may add her/his spouse, domestic partner, or other dependents at no additional cost during subsequent open enrollment periods in November, for coverage effective the following January 1.
- 10.3.2.6 Sunsetting of Shared Premium Program

The following language of this section will no longer apply to newly eligible adjunct faculty. Those adjunct faculty who were grandfathered in and currently participate in one of the following plans will be allowed to continue under the following terms and conditions. The District shall provide to each grandfathered in participating adjunct faculty member a choice, including at least one (1) Health Maintenance Organization Plan option, of comprehensive group medical plan options during open enrollment periods. The open enrollment period for enrollment or changes in group insurance will be held once annually as announced by the District Benefits Office.

- 10.3.2.6.1 Effective January 1, 2020, the District shall contribute the cost of benefit premiums for those eligible under the terms of Section 10.2.2 above to the maximum amounts shown below (coverage includes spouse or domestic partner, and dependents).

\$111.29 per month for dental insurance.

Up to \$13.74 per month for vision insurance.

\$1,223.47 per month toward the cost of the premium for the Kaiser HMO and the United HealthCare medical insurance plan options offered by the District.

- 10.3.2.6.2 Eligible faculty electing to participate in plan options which exceeds the District contribution shall be required to contribute the difference through monthly payroll deductions.

- 10.3.2.6.3 Faculty eligible under the terms of Section 10.2.2.3 above for group medical insurance on a "shared-premium" basis shall make an advance premium deposit, at least one (1) month in advance, with any unused portion refunded at the end of the insurance year based upon the ratio of clock hours served to a regular sixty (60) percent of the weekly assignment. This option does not apply to dental and vision insurance.

Current faculty who participate in the pre-payment of medical insurance premiums shall remit those premiums as follows:

During each of the following months the faculty member shall remit a monthly payment which shall be equivalent to the faculty member's average monthly percentage cost during the past two (2) years.

Example Background:

Benefit rates are based on a .60 FTE assignment, which equates to 525 clock hours for the fall and spring semesters. For this example, .60FTE equates 100% of the benefit cost. The District will use clock hours when calculating benefit premiums. The benefit year is January 1 – December 31.

Example Scenario:

- 1) In this scenario, the total monthly benefit premium is \$500. Historical data shows faculty member has maintained an average of .45 FTE assignment over the past two (2) years (394 clock hours). This equates to 75% of the 100% benefit cost (394 clock hours divided by 525). This has averaged to a cost to the District of \$375 per month and to the Employee \$125 per month.
- 2) In spring and fall 2005 the faculty member has a .48 FTE assignment (420 clock hours). This equates to 80% of the 100% benefit cost (420 clock hours divided by 525).
- 3) December 15, Employee pays \$500 for first month's full premium.
- 4) Each month thereafter in the benefit year, Employee pays \$125, which equates 25% of the benefit cost and District pays \$375, which equates 75% of the benefit cost.
- 5) At the post-year-adjustment review, the payment is recalculated based on the past year's average of .48 FTE assignment. The Employee is accountable for 20%, which equates \$100 per month, yet has paid \$125 per month. Therefore the Employee has overpaid the difference of \$25 per month x 12 months = \$300. This amount will be applied to the following year's premium.

10.3.2.7 Retirement Contributions

The contributions to alternative retirement plans in-lieu of CalSTRS for adjunct faculty will be made equally by the District and the faculty member.

The District shall ensure each adjunct faculty member has been notified of her/his option to become a member of CalSTRS as per Education Code section 22455.5 (b). Written acknowledgment by the employee shall be maintained in the employee's official personnel file.

10.3.3 Retirees

The District shall provide to each eligible faculty retiree a choice, including at least one Health Maintenance Organization Plan option, of comprehensive group medical plan options during open enrollment periods. The open enrollment period for enrollment or changes in group insurance will be held once annually as announced by the District Benefits Office.

- 10.3.3.1 The District shall contribute the same amount per month as for current active faculty toward the cost of the premium for any of the medical insurance plan options offered through the District for all eligible retirees.
- 10.3.3.2 Eligible retirees electing to participate in a plan option which exceeds the District contribution shall be required to contribute the difference in the form of deposits at least one (1) month in advance.
- 10.3.3.3 Retirees who do not meet the qualifying criteria defined in 10.2 above may continue to participate in the medical plan option of their choice by paying premiums to the District in advance.
- 10.3.3.4 Effective July 1, 2017, all AFT employees that retire from CalPERS or CalSTRS *and* the District and who are enrolled in the District's dental or vision insurance plan at the time of retirement, will be eligible to purchase continued dental and/or vision insurance at their own expense within 30 days of retirement or within 30 days of their District-paid benefits expiring at age 65. If the retiree does not purchase the insurance at this time of eligibility, they will not be eligible to purchase it at a later time (beyond the 30-day time limit to elect coverage).
- 10.3.3.5 Medical, dental, or vision coverage shall remain in effect as long as the retiree continues to make monthly premium payments.
- 10.3.3.6 Retirees who elect medical, dental, or vision coverage at retirement at their own expense and choose to terminate the coverage, will not be eligible to re-enroll in the plan(s) at a later date.

NOTE: Specific provisions for the foregoing sections are described in information available from the District Benefits Office.

10.4 DUAL COVERAGE WAIVER

In cases where two District employees are both covered by the District medical plan as dependents of each other, or where the unit member can provide proof of coverage from

AFT Guild, Local 1931 – SDCCD Faculty

another VEBA employer there is an opportunity for the following voluntary “In-Lieu-of Dual Medical Coverage Stipend”:

10.4.1 Eligibility

District employees who are covered under the medical insurance programs of the San Diego Community College District by another District employee as each other’s dependent, or where the unit member can provide proof of coverage from another VEBA employer, are eligible to receive a monthly stipend in-lieu-of coverage to help offset out-of-pocket medical expenses. The District shall annually send out a notice of this provision to all employees.

10.4.2 Requirement

In order to receive the “In-Lieu-of Dual Medical Coverage” stipend, one of the enrolled employees must waive medical coverage by completing a San Diego Community College District Waiver Form. This waiver may be voluntarily rescinded during open enrollment each year, and will automatically rescind if the covered employee loses coverage due to resignation, retirement, layoff, reduction in hours, or any change in dependent status. In the event of rescission, District coverage will begin for the dependent of the covered employee effective on the effective date of the rescission (no lapse in coverage).

10.4.3 Payment

Beginning with the month dual coverage ceases, an annual amount not to exceed \$1,500 will be set as a stipend in the monthly paycheck of the employee waiving medical coverage. The \$1,500 will be divided by the number of annual pay warrants and paid as \$150.00 monthly for employees paid on a 10 month basis, \$136.36 monthly for employees paid on a 11 month basis, and \$125.00 monthly for employees paid on a 12 month basis. The annual stipend amount will be increased each January 1 by the average percentage increase in the cost of the District’s Kaiser medical plan premiums.

10.5 DISTRICT FLEX PLAN

The District agrees to continue its bilaterally agreed upon January 1, 1989, implementation of Internal Revenue Code Section 125 for its tenured/tenure-track faculty. This code allows employers to structure benefit plans to provide options to its faculty. Faculty in qualified plans are allowed to earmark pre-tax dollars toward specific uses for health and dependent care. The District shall continue to offer faculty participation in its Flex Plan for health care premiums, health care expenses, and dependent care expenses. Amounts included in the Flex Plan will not be subject to federal, state, or social security taxes.

It is understood that the District has made no representation regarding tax or other consequences of the Flex Plan with regard to any particular faculty member or group of faculty and that any questions by any faculty should be directed to his or her personal financial, legal, or tax advisor.

Adjunct faculty may participate in the Flex Plan for medical premiums payments only.

10.6 MEDICARE BUY-IN OPTION

The District and the Guild agree to give eligible tenured/tenure-track faculty the option to buy into Medicare per California statute AB 265. This was a one-time opportunity with a balloting period of ten (10) calendar days' duration from March 4, 1994. The District and the faculty member will each contribute 1.45% of the faculty member's gross earnings.

10.7 CHILD CARE

Unit members with pre-school age children may enroll their children in the child development center at each campus by paying the full cost of the childcare on a space available basis. Failure to accommodate any particular child in the child development center shall not be grievable.

10.8 EQUIVALENT HOURS OF CREDITABLE SERVICE FOR ADJUNCT FACULTY STRS MEMBERS

Pursuant to Education Code Section 22138.5(c)(5) the equivalent number of hours that equal full time for adjunct faculty assignments shall be as follows:

10.8.1 College Adjunct Faculty

Effective July 1, 2004, for Classroom faculty the full-time equivalent will be 525 (five hundred twenty-five) instructional hours per academic year. For Non-Classroom faculty the fulltime equivalent will be 1,050 (one thousand fifty) assigned hours per academic year.

10.8.2 Continuing Education Adjunct Faculty

Effective January 1, 2000, the formula for calculating retirement service credit for classroom adjunct faculty will be based on an 875-hour base and for non-classroom adjunct faculty will be based on a 1400-hour base:

CLASSROOM Example:

1. To determine the full-time equivalent for adult education based on the minimum standard of 875 hours plus the requirement for an additional 20 minutes, multiply the base hours by the conversion

$$875 \text{ (instructional hours)} \times 1.333 \text{ (conversion factor)} = 1,166 \text{ hour full-time equivalent}$$
2. To calculate the annual earnable multiply the hourly pay rate by the full-time equivalent

$$\$33.13 \text{ (hourly rate)} \times 1,166 = \$38,629.58 \text{ (annual earnable)}$$
3. To calculate service credit, divide the amount of earnings by the annual earnable

$$\$23,191 \text{ (earnings)} / \$38,629.58 \text{ (annual earnable)} = .600$$

NON-CLASSROOM Example:

1. To calculate the annual earnable multiply the hourly pay rate by the full-time equivalent

$$\$32.57 \text{ (hourly rate)} \times 1,400 = \$45,598 \text{ (annual earnable)}$$
2. To calculate service credit, divide the amount of earnings by the annual earnable

$$\$27,358.80 \text{ (earnings)} / \$45,958 \text{ (annual earnable)} = .600$$

10.9 COMPUTER LOAN PROGRAM

Effective July 1, 2006, the District will make a one-time allocation of \$77,161 (seventy-seven thousand one hundred sixty-one dollars) from the AFT allocation formula for the purpose of providing computer purchase loans to unit members in the amount not to exceed \$2,000 (two thousand dollars) each. Unit members may submit a request to AFT to borrow from the Computer Fund an amount not to exceed \$2,000 (two thousand dollars) for the purchase of computer equipment and/or software. The specific timelines/application forms and procedures will be announced by AFT to all unit members.

AFT will develop a procedure to select the employees eligible for the loan by lot and will submit a list of the selected buyers to the District. Buyers will be notified by AFT that they have been selected to receive the interest free loan. The buyer must then submit a completed check request/payroll deduction form to the District within thirty (30) calendar days of the notification date. This form will be reviewed and approved by the District. Upon approval the buyer will be issued a check made out to the vendor as soon as practical.

The buyer will have the option to choose to purchase from any vendor currently used by the District.

Monthly payments will be determined by dividing the check amount by twelve (12). Payroll deductions will begin on the next available pay period following the date on the check. There will be no penalty for early payoff.

10.10 STATE DISABILITY INSURANCE FOR PART-TIME FACULTY

The parties agree to implement the State Disability Insurance (SDI) program for part-time faculty members if by majority vote the part-time faculty agree to fund this deduction. AFT will conduct the election on behalf of the part-time faculty members and certify the results to the District.

If the election results are in favor of membership into the SDI program, the District shall endeavor to begin the deductions as soon as practical. This election and agreement is contingent upon there continuing to be no cost to the District. If in the future the District is required to contribute a portion of the cost to the State Disability Insurance (SDI) program, the District may revoke this program at its discretion.

ARTICLE XI - LEAVES

11.1 DEFINITION OF IMMEDIATE FAMILY

Immediate family shall include:

- 11.1.1 The faculty member's current spouse, domestic partner (as confidentially certified following approved District procedures), guardian, or ward, and any relative or person living in the faculty member's immediate household; and
- 11.1.2 The faculty member's and his/her current spouse's or domestic partner's mother, stepmother, father, stepfather, grandparent, child, grandchild, stepchild, brother, brother-in-law, sister, sister-in-law, son-in-law, daughter-in-law, stepbrother, and stepsister.

The above definition shall apply wherever reference is made to immediate family in this Agreement.

11.2 SICK LEAVE

11.2.1 Eligibility

Sick leave benefits shall be available to all faculty covered by this Agreement including adjunct faculty. Any time taken as sick leave, which, upon termination, does not have a sufficient accumulation from which to draw, shall be recovered from the faculty member. Leave taken under this Article that qualifies as Family Medical Leave Act (FMLA)/California Family Rights Act (CFRA) shall run concurrently with leave provided under Section 11.4 of this Article (FMLA/CFRA).

11.2.2 Application for Benefits

A unit member shall report an absence of any duration to his/her immediate supervisor, or supervisor's designee prior to or during the first working hour of the unit member's workday unless an emergency makes notification impossible. One (1) notice to the unit member's supervisor or designee of the unit member's intent to be off consecutive days shall meet the requirements for notification for the entire period absent if the estimated duration of the absence is specified at the time of initial notice. Changes in the estimated duration of the absence shall be reported to the immediate supervisor as soon as possible.

Faculty shall be required to complete and submit electronically via the District approved timekeeping system for each separate pay reporting period within five (5) working days of their return to work to the immediate supervisor. Faculty who have recurring patterns of absence shall be counseled by the dean

concerning those patterns. Physician's signature may be required on the prescribed form for leaves of any duration in cases of recurring patterns of absence following consultation with the appropriate Dean, and will be required on any leave over five (5) workdays. The statement shall contain the physician's prognosis for recovery. At the faculty member's request the details of prognosis will be maintained confidential within the District Human Resources Department.

For tenured/tenure-track classroom college faculty who are assigned on-campus five (5) days per week the following shall apply:

tenured/tenure-track classroom college faculty who complete any portion of the day's assignment will be charged four (4) hours of contract sick leave. Tenured/tenure-track classroom college faculty who do not complete any portion of the day's assignment will be charged eight (8) hours of contract sick leave.

For tenured/tenure-track classroom college faculty who are assigned on-campus four (4) days per week the following shall apply:

tenured/tenure-track classroom college faculty who complete any portion of the day's assignment will be charged five (5) hours of contract sick leave. Tenured/tenure-track classroom college faculty who do not complete any portion of the day's assignment will be charged ten (10) hours of contract sick leave.

Non-classroom college tenured/tenure-track faculty sick leave may be reported in increments of one (1) hour. Each hour of reported contract sick leave shall be deducted from the sick leave balance of the faculty member at the rate of 1.2 times each hour reported. (Example: A non-classroom tenured/tenure-track faculty member is out sick for 4 hours. That person will report 4 hours of sick leave, but will have her/his sick leave balance reduced by 4.8 hours.)

Sick Leave Usage for Continuing Education Faculty (11.2.2.1 – 11.2.2.3)

11.2.2.1 Continuing Education Classroom Assignment

Sick leave usage for tenured/tenure track faculty will be calculated by multiplying the number of hours absent from the teaching assignment by 1.6.

For example:

- a) Sick for 5 hours of teaching = 5 times 1.6 = 8 hours of sick leave usage

- b) Sick for 2 hours of teaching = 2 times 1.6 = 3.2 hours of sick leave usage
- c) Sick for 3 hours of teaching = 3 times 1.6 = 4.8 hours of sick leave usage.

Adjunct faculty are charged sick leave on an hour-to-hour basis for the number of teaching hours for which they were absent.

Full-time tenured/tenure track faculty with an overload assignment are charged sick leave from their adjunct pool of hours.

11.2.2.2 Continuing Education Non-classroom Assignment

Tenured/tenure track and adjunct faculty on non-classroom assignments are charged sick leave on an hour-to-hour basis.

11.2.2.3 Illness While On Duty

Employees who report for duty and are unable to continue because of sudden illness will be counted as absent for the number of hours and minutes not worked. Minutes shall be a minimum of fifteen (15) minute intervals.

11.2.3 Authorized Uses

Absence from duty because of illness, injury, medical or dental appointment, exposure to contagious disease, or disability due to pregnancy shall constitute proper uses of sick leave. Accumulated benefits may also be used for personal necessity, herein defined, and in connection with leaves arising from industrial accident and illness.

Upon giving birth, the faculty member shall be eligible for six (6) weeks of continuous paid maternity leave (eight [8] weeks of leave are allowed for C-Section deliveries, the last two weeks of which would be covered by other paid or unpaid leave available to the unit member) without the need for a physician's statement. Upon returning to work the provisions of 11.2.11 shall be followed.

Adjunct faculty members who remain on sick leave from the end of one semester through the start of the subsequent semester shall be able to continue in paid status during the subsequent semester until the exhaustion of their accrued sick leave. Any catastrophic sick leave which may be granted shall be in addition to this leave.

Family Necessity Leave – A maximum of forty-eight (48) hours of accrued, full-salary sick leave credit may be used in a calendar year. Proper uses of Family Necessity Leave are: absence from duty to care for the unit member's

AFT Guild, Local 1931 – SDCCD Faculty

sick child, parent, spouse, or domestic partner (as confidentially certified through the District's Benefits Office).

11.2.4 Sick Leave Allowance

Faculty with a full-time assignment shall accrue sick leave at the rate of eight (8) hours per month of paid service, beginning with the first (1st) month in which the faculty member begins work in the District on or before the fifteenth (15th) of the month. The accrual shall be proportional for assignments other than full time. Unused, full-salary sick leave shall accrue without limitation. A tenured faculty member who resigns and is rehired within thirty-nine (39) months of the last date of paid service shall have all accumulated, unused full-salary sick leave credits restored.

Adjunct faculty who become tenured/tenure-track faculty shall have their full-salary sick leave converted to their tenured/tenure-track assignment on the effective date of the contract. Tenured/tenure-track faculty who also have overload assignments shall separately accumulate and be eligible for sick leave benefits from each of her/his tenured/tenure-track and overload assignments. Tenure/tenure-track faculty may utilize sick leave from their contract sick leave account for hourly assignments, or may utilize sick leave from their hourly sick leave account for tenured/tenure-track assignments, provided the sick leave account against which their sick leave is being charged has been depleted.

A tenured/tenure-track employee who has both accrued contract sick leave and accrued hourly/adjunct sick leave may use leave from either accrued amount in the event of a qualifying absence, regardless of whether the absence is from tenured/tenure-track or hourly/adjunct assignment. Unless the employee requests in writing that the leave be deducted from a specified accrual amount the leave will be deducted based on the assignment from which the employee is absent. However, the two accrual amounts will be calculated and maintained separately for all other purposes, including but not limited to service credit for retirement.

NOTE: For purposes of accrual and usage, a full-day (100% paid assignment) shall be defined as eight (8) hours. Adjunct faculty shall earn sick leave at the rate of .057 multiplied by the hours worked each month. Upon retirement, adjunct faculty CalSTRS members shall have any existing sick leave balance converted to days for reporting to CalSTRS as delineated in Education Code Section 22717.

11.2.5 Half-Salary Sick Leave

Tenured/tenure-track faculty are eligible for half salary sick leave up to a maximum of one hundred (100) days of their contractual assignment. Absence

for any portion of a workday shall be considered as one complete day of half-salary sick leave. Tenured/tenure-track faculty are eligible to be placed on half-salary sick leave status following the exhaustion of both their full salary sick leave accrual and their sick leave allotment for that fiscal year. The exact number of half salary sick leave days a faculty member is eligible for will be computed by summing the total number of full salary sick leave days accrued, allotted, and used within the fiscal year, and then subtracting this total from one hundred (100). Faculty may continue on half-salary sick leave from one (1) fiscal year to the next and shall be eligible for a new entitlement of half-salary sick leave annually.

Tenured/tenure-track faculty who exhaust their contract sick leave will utilize any hourly sick leave they have accumulated prior to being placed on half-salary sick leave status.

- 11.2.6 When a faculty member is on half-salary sick leave at the end of a fiscal year and continues to be absent due to illness into the next fiscal year, he/she shall be placed on full-salary sick leave to the limit of the new year's entitlement from the previous year and is eligible for a new entitlement of half-salary sick leave.

11.2.7 Transfer of Accumulated, Full-Salary Sick Leave

Faculty who have previously worked for another California school or community college district may have their previous sick leave balance transferred to the San Diego Community College District pursuant to Education Code §87782.

11.2.8 Extenuating Circumstances and Special Conditions

- 11.2.8.1 Quarantines -- Faculty who are unable to perform their duties due to legally established quarantines shall be entitled to the same leave as though they were personally ill, provided a certificate from the County Health Department is filed verifying the quarantine.

- 11.2.8.2 Illness Preceding Death -- In the event of the death of a faculty member while absent because of illness, application for sick leave benefits may be made by his/her estate, heirs, or dependents by filing a properly executed certificate in the name of the estate, heirs, or dependents, at any time within thirty (30) calendar days after death.

NOTE: Only that period of illness immediately prior to and including the day of death of a faculty member is claimable as a sick leave benefit by the estate.

- 11.2.8.3 Work While Convalescing -- During an illness or while convalescing, a faculty member may return to work only when fully cleared as prescribed in 11.2.11 for absences of thirty (30) calendar days or more.
- 11.2.8.4 Termination of Employment -- If an hourly class cancels due to low enrollment, lack of funding or other reason, sick leave benefits cease (accrual and usage) upon termination of the employment relationship. This situation should be distinguished from those in which the faculty member severs the employment relationship before the end of the academic year. When a faculty member severs the relationship, the District may deduct from the final check a prorated amount representing unearned sick leave which has been previously used.

11.2.9 Personal Necessity Leave

- 11.2.9.1 A maximum of seven (7) workdays of accumulated, full-salary sick leave credit per fiscal year may be used for any of the following:
- 11.2.9.1.1 Death or serious illness of a member of the immediate family as defined in Article 11.1. In the case of illness, there must be a need for the services of a physician and the immediate presence of the employee.
 - 11.2.9.1.2 Accident involving the employee's person or property, or that of his/her immediate family as defined in Article 11.1.
 - 11.2.9.1.3 Appearance in court as a litigant, or as a witness under an official order.
 - 11.2.9.1.4 Personal observances or events which are of such significance that to be absent from duty is a personal necessity.
- 11.2.9.2 Absences for personal necessity may be taken in increments of one (1) hour, and shall not be granted during a scheduled leave of absence.
- 11.2.9.3 Applications for personal necessity leave are to be submitted in writing to the site administrator five (5) working days in advance. In an emergency, (a personal event which an employee could not plan and had no control) applications for personal necessity may be made orally to the immediate supervisor and, upon return to duty, a

completed application for benefits, prescribed and provided by the District, shall be filed.

11.2.10 Catastrophic Illness or Injury Leave (reference Education Code 87045)

At the discretion of the District, this section will sunset and become null and void ninety (90) days after the District serves notice upon the Guild of its intent to do so. Any catastrophic illness donation which is in process at the time of termination of this Article will be completed.

Faculty members may contribute up to a maximum of sixty-four (64) accumulated sick leave hours (a minimum of eight [8] hours and in one [1] hour increments thereafter) per fiscal year to another unit member within the faculty bargaining unit or the classified bargaining unit. The parameters of the program are:

11.2.10.1 The illness/injury of the unit member or family member must be serious (life threatening or expected to incapacitate him/her for thirty calendar days or more) as verified by a physician. The District may require the faculty member who is incapacitated to undergo an examination by a physician selected by the District, at the District's expense, to verify the injury or illness, the degree of disability, and the anticipated length of disability;

OR, the unit member is on maternity leave and has exhausted her sick leave.

11.2.10.2 Sick leave contributions will be solicited by AFT-Guild after the faculty member makes the need known to the AFT union representative or her/his appropriate manager. AFT will then forward the donated time received to the District Payroll Manager;

11.2.10.3 The ill/injured faculty member must have exhausted all accrued full-salary paid leaves;

11.2.10.4 Injuries or illness claimed for worker's compensation injuries, whether or not approved, shall be excluded;

11.2.10.5 A maximum of sixty (60) additional paid sick leave days may be utilized by each faculty member per catastrophic illness/injury;

11.2.10.6 Sick leave days donated will be paid at the salary level of the faculty member who receives such days;

11.2.10.7 AFT-Guild shall indemnify and save harmless the District, its officers and employees from and against any and all claims, demands, liabilities, damages, costs (including reasonable attorney fees and court costs), suits and administrative proceedings arising out of or connected with employees giving or receiving sick leave time for catastrophic illness or injuries.

11.2.11 Return to Work

11.2.11.1 Not less than three (3) workdays prior to returning from leaves of thirty (30) calendar days or more, unit members must provide a written clearance of the attending physician indicating recovery and fitness to resume a full range of normal duties as determined by management.

11.2.11.2 In cases of requests to return to work with temporary restrictions, the unit member must provide a detailed written medical statement not less than five (5) working days prior to the requested return date. The ability of the District to meet the request to return to work with temporary restrictions shall be determined by management.

If the unit member remains unable after sixty (60) calendar days to return to her/his full range of duties, the District will obtain the necessary evaluation of fitness for duty and essential functions of the position to determine the appropriate continued assignment. The District will consult with AFT on the results of this evaluation.

11.4.1 FMLA/CFRA

11.4.1.1 Definitions

- FMLA – Family Medical Leave Act administered by the United States Department of Labor.

- CFRA – California Family Rights Act administered by the California Department of Fair Employment and Housing.

These two acts run concurrently.

11.4.1.2 Conditions

FMLA and CFRA shall run concurrently, except in the case when PDL is used. All District-approved leaves of absence taken in accordance with this Agreement, paid or unpaid, that are FMLA/CFRA qualifying shall run concurrent with the leave provided for under the FMLA/CFRA. The District has adopted the “rolling 12-month period” for determining eligibility. This means that the District will measure back 12 months from the date of the qualifying event. Unused FMLA/CFRA leave shall not accrue from 12-month period to 12-month period.

11.4.1.3 Eligibility

A unit member is eligible for a FMLA/CFRA leave if he/she: (1) has been employed for at least twelve (12) months; and (2) has a minimum of 1250 (twelve hundred fifty) hours of service (hours worked) in the twelve (12) month period immediately preceding the leave.

11.4.1.4 Notice

Unit members wishing to take family and medical leave must provide the District with at least thirty (30) days’ advance notice before the leave is to begin if the need for the leave is foreseeable. If thirty (30) days’ advance notice is not practicable, the unit member must give the District notice as soon as practicable. The notice to the District shall include the anticipated start date and the duration of the leave. Whenever a unit member provides notice to the District of the need for FMLA leave, the District is required to provide the unit member with a notice detailing the specific expectations and obligations of the unit member and explaining any consequences of the failure to meet these obligations.

11.4.1.5 Duration

FMLA/CFRA leave credit can be used up to a maximum of twelve (12) weeks per entitlement year. Leaves of absence taken in accordance with this Agreement may exceed twelve (12) weeks; however; nothing in this Agreement is intended to extend the provisions of the FMLA/CFRA. An employee’s entitlement to leave

for the birth or placement of a child for adoption or foster care expires twelve (12) months after the birth or placement.

11.4.1.6 FMLA/CFRA Qualifying Reasons

Leaves taken for the following reasons are “FMLA/CFRA qualifying:”

- 11.4.1.6.1 The birth of a child of the unit member, and to care for the newborn child;
- 11.4.1.6.2 The placement of a child with the unit member for adoption or foster care;
- 11.4.1.6.3 Providing for the care of the unit member's parent, child, spouse or domestic partner who has a serious health condition;
- 11.4.1.6.4 Because of a serious health condition that makes the unit member unable to perform the essential functions of his/her position.

Unlike the FMLA, CFRA does not include pregnancy or related medical conditions within the definition of serious health condition (refer to Article 11.4.2).

11.4.1.7 Medical Certification

Unit members shall be required to furnish medical certification of the serious health condition that is the basis for the FMLA/CFRA leave. Failure to do so may result in delay in granting the FMLA/CFRA leave.

Medical certification required for the unit member's own serious health condition shall include:

- a) the date when the serious health condition began;
- b) the probable duration of the condition; and
- c) a statement that due to the serious health condition, the unit member is unable to perform the essential functions of his or her position.

Medical certification is required when the unit member requests leave for the care of the unit member's seriously ill child, parent, spouse or domestic partner and shall include:

- a) the date on which the serious health condition commenced;
- b) the probable duration of the condition;

- c) an estimate of the time the health care provider believes the unit member needs to care for the individual requiring the care; and
- d) a statement that the serious health condition warrants the participation of a family member to provide care.

The District also may require that the unit member obtain subsequent recertification on a reasonable basis, such as upon the expiration of the period of leave originally estimated. The District also may require an employee on FMLA leave to report periodically on the employee's status and intent to return to work.

11.4.2.4 Notice

Unit members wishing to take FMLA/PDL must provide the District with at least thirty (30) days' advance notice before the leave is to begin if the need for the leave is foreseeable. If thirty (30) days' advance notice is not practicable, the unit member must give the District notice as soon as practicable. The notice to the District shall include the anticipated start date and the duration of the leave. Whenever a unit member provides notice to the District of the need for FMLA/PDL leave, the District is required to provide the unit member with a notice detailing the specific expectations and obligations of the unit member and explaining any consequences of the failure to meet these obligations.

11.4.2.5 Duration

All parties have the right to bring in consultants as needed. The committee shall serve to represent the concerns of the interested parties by the formulation of an appropriate calendar to be presented to the Chancellor or his/her designee. Subsequent to the final recommendation of the District Calendar Committee to the Chancellor or her/his designee, the AFT Guild will have the right to submit an independent recommendation of an academic calendar. If the Guild elects to submit an independent recommendation, that recommendation will be docketed for consideration by the Board in addition to the Chancellor's recommendation.
- 13.2 The work year for individual faculty members will follow the Board-adopted calendar for the respective organization (college or Continuing Education) based upon the location of the faculty member's assignment.

ARTICLE XIV - DUE PROCESS

- 14.1 When problems arise in the performance of assigned duties and responsibilities, the District will attempt to assist the faculty member in solving these problems. Should discipline be warranted, such discipline shall be administered progressively, beginning with a measure appropriate to the severity of the infraction. Discipline includes the District's rights to reprimand, to suspend (with or without pay) or to terminate a faculty member. Discipline shall not be administered without just cause.
- 14.2 All faculty are eligible for a hearing prior to any disciplinary action involving loss of pay. If a unit member of the Guild elects to be represented by the Guild in a disciplinary matter the unit member shall be allowed to have no more than three (3) Guild representatives present during the pre-disciplinary hearing, consisting of the Guild's attorney, Guild President, and Guild representative or Grievance Chair. Only one (1) of these Guild representatives will be allowed to be the spokesperson during the hearing.
- 14.3 In all cases involving a hearing, the appropriate manager, serving as a hearing officer, shall be required to provide in writing the following:
 - 14.3.1 The proposed disciplinary action,
 - 14.3.2 A statement of charges,
 - 14.3.3 The rule, regulation, practice, or policy involved.
 - 14.3.4 Statements of faculty member's right to review, and/or receive copies of any documents or evidence,
 - 14.3.5 Statement of faculty member's right to respond orally or in writing, or both, and
 - 14.3.6 Right of faculty member to have representation.
- 14.4 The hearing date and time shall be set no sooner than fourteen (14) calendar days after delivery of the written notice, unless an earlier date is mutually acceptable.
- 14.5 After the hearing has been concluded and all pertinent facts have been reviewed, the hearing officer shall notify the parties in writing of the final decision within ten (10) calendar days.
- 14.6 Any disciplinary action which involves the deprivation of salary or termination of employment is subject to the grievance procedure, after a final decision has been rendered.

- 14.7 A tenured/tenure-track faculty member who submits a written resignation under stress or duress may, within ten (10) workdays following the date said resignation was submitted, withdraw the resignation without prejudice.
- 14.8 Prior to the placement of any letter of reprimand into a faculty member file, the faculty member shall be given the opportunity to review the letter of reprimand.
- 14.9 Investigations of bargaining unit members after a complaint has been received.

At the point the District takes disciplinary action against the accused unit member:

The District shall disclose the identity of the complainant to the accused unit member and provide the accused unit member with a copy of any written complaint, and any transcription, if such exists, of any oral complaint.

The District shall provide to the accused unit member the content of any interview (relevant to the investigation) conducted during the course of the investigation, including the identity of those interviewed, and the identity of the District agent(s) who conducted the interview(s).

The District shall inform the accused unit member of his or her right to union representation.

ARTICLE XV - EVALUATION OF FACULTY

15.1 COLLEGE FACULTY

All tenured, tenure-track, adjunct, and restricted college faculty are to be evaluated according to the procedures outlined in this Article.

15.1.1 Purposes

The purposes of administrative, peer, and student evaluation of faculty shall be to assess teaching effectiveness, to encourage professional growth, and to make informed decisions regarding retention, tenure, promotion, and salary advancement whenever appropriate. The procedures set forth in this Article XV of this Agreement regarding evaluation and the granting or denial of tenure and/or promotion are intended by the Guild and the District to be applied in such a manner that they will avoid arbitrary and capricious recommendations and decisions.

Evaluation committee members should refer to Article VIII, Sections A4.6 and A4.7, for general standards regarding tenure and promotion.

The parties agree that the addition of language to this collective bargaining agreement regarding online evaluation procedures and instruments does not imply agreement between the parties that online education and classroom-based instruction are the same with respect to factors affecting performance and evaluation of performance. The parties also agree that nothing in this language will be interpreted to mean that one form of instruction (online or classroom-based) is equivalent or non-equivalent, superior, or inferior to the other.

15.1.2 Frequency

A comprehensive evaluation will be completed during each of the following full years of service. A full year of service is defined as having worked for at least seventy-five percent (75%) of the number of days in the evaluatee's assigned academic year, unless expressly contraindicated by another article of this Agreement, or state or federal law. In any case, faculty eligible for promotion shall be expected to meet or exceed the promotional standards outlined in Article VIII of this Agreement in order to be promoted.

15.1.2.1 An evaluation shall be completed during each full year of probationary service (four [4] years in most cases). Unless the faculty member has received early tenure, the faculty member's fourth (4th) year evaluation will culminate with a recommendation either in favor of both tenure and promotion to Associate Professor, or in a recommendation to deny tenure.

AFT Guild, Local 1931 – SDCCD Faculty

15.1.2.2 An evaluation shall be completed during the second (2nd) year following the awarding of tenure and every two (2) years hence until promotion to Professor.

15.1.2.3 Evaluation for promotion from Assistant Professor to Associate Professor shall occur during the evaluatee's fourth (4th) full year of service. Evaluation for promotion from Associate Professor to Professor shall occur during the evaluatee's eighth (8th) full year of service. Time worked in a District assignment different from the faculty member's regular assignment will be counted toward the 75% (seventy-five percent) of the work year requirement for purposes of promotion.

15.1.2.4 An evaluation shall be completed every three (3) years for faculty who hold the rank of Professor.

15.1.3 Timelines

15.1.3.1 Probationary and promotional evaluations shall be performed during the fall semester without exception unless the unit member is on an approved leave. All other evaluations shall be performed during the spring semester unless an exception is made by the Dean with the approval of the appropriate campus Vice-President in consultation with the Guild Vice-President. In the case where a fall semester promotional evaluation is postponed to the spring, the promotion shall become effective retroactively to the preceding September 1, once the appropriate college committee reviews have taken place during the subsequent fall/spring semesters.

15.1.3.2 Evaluation committees shall endeavor to be convened, and the first committee meeting held, by the fifth week of instruction of the full-term fall or spring semester.

15.1.3.3 Evaluation committees shall endeavor to complete class visits and student evaluations no later than ten (10) working days prior to the last day of the semester.

15.1.3.4 All materials, including those provided by the evaluatee, must be submitted and all Evaluation Committee meetings must be completed no later than five (5) working days prior to the last day of the semester, unless expressly approved by the appropriate Vice President, in consultation with the appropriate Guild tenured/tenure-track vice-president.

- 15.1.3.5 Notification of Evaluation Committee decisions must be forwarded to the appropriate Vice President no later than the last day of the semester unless expressly approved by the appropriate Vice President, in consultation with the appropriate Guild tenured/tenure-track vice-president. For all non-promotional and non-probationary evaluations, the deadline shall be five days prior to the end of spring semester.
- 15.1.3.6 In cases of probationary and promotional evaluations, and below satisfactory biennial or triennial evaluations, notification that the evaluatee's Performance Review File is complete, including written comments from the Vice President when appropriate, must be forwarded to the appropriate Tenure and Promotion Review Committee (TPRC) by the last day of the first week of the following semester, unless expressly approved by the appropriate Vice President, in consultation with the appropriate Guild tenured/tenure-track vice-president.
- 15.1.3.7 The recommendations of the TPRC must be forwarded to the appropriate President no later than ten (10) working days after receipt of the above notification from the Vice President.

15.1.4 Evaluation Instruments

The comprehensive evaluation of faculty will utilize the Faculty Appraisal Guide with forms, that is referenced in Appendix II of this Agreement, and the procedures delineated herein. A link for accessing the Faculty Appraisal Guide shall be posted on the websites of each of the colleges and the District for access by faculty and administrators. Faculty will be evaluated using the same evaluation instruments whether they teach in the classroom, online, or by using a combination of both instructional modes.

Faculty not covered by one of these forms and/or guides may suggest modifications of the most suitable form, to be approved by the appropriate manager and the Guild. This process may be initiated by either the evaluatee or any of the evaluation committee members.

All tenured/tenure-track faculty members will be required to acknowledge on their evaluation form at the time of signing the summary report that they have participated in the assessment of student learning outcomes and discussions with colleagues stating how they use the results of the assessments to improve student learning by checking all applicable boxes below:

- ☐ Discussion of outcomes assessment with colleagues at department meetings;

- ☐ Revisions to syllabi;
- ☐ Revisions to course outlines based upon assessment of learning;
- ☐ Revisions to curriculum based upon assessment of learning;
- ☐ Revised institutional materials and/or textbooks;
- ☐ Requested additional resources through program review to improve student learning;
- ☐ Revisions to examinations, course assignments, or class assignments and activities;
- ☐ Participation in the collection of SLO data;
- ☐ Updated program learning outcomes;
- ☐ Pedagogically sound class caps to maximize student success have been discussed with the Dean and/or Department Chair;
- ☐ Increased workload concerns relating to meeting accreditation standards have been discussed with the Dean and/or Department Chair;
- ☐ Other (please specify) _____

Faculty evaluation committee members shall not make reference to the foregoing in their evaluation comments or their summary report of the evaluatee.

15.1.5 Student Evaluation: Instruments, Frequency, Review, and Restrictions on Use

15.1.5.1 Mandatory student evaluations, using the official student evaluation instruments (attached to this Agreement in Appendix III) and procedures delineated herein, will be completed by two (2) classes each year (one [1] per semester if possible) for tenured faculty, and by two (2) classes each semester for probationary faculty. The student evaluation instrument will be available in both Scantron (for face-to-face interactions) and Online (for fully online interactions) forms. The page format of the instrument may vary between the Scantron and Online versions, but the questions will be the same in both versions. Completed student evaluation instruments from previous semesters will be included in the evaluatee's performance review file (PRF) except for faculty on a triennial evaluation cycle who will only have student evaluation instruments from the previous fall semester provided they have been administered. Only the statistical report will be included for evaluations conducted by classes for which grades have not yet been submitted.

15.1.5.2 Student evaluation packets will be sent to each tenured/tenure-track faculty member each semester. Each tenured or tenure-track member of the faculty shall select two (2) classes to be surveyed. The second class shall be a different preparation, unless the evaluatee has only a single preparation. Each adjunct member of the faculty

shall select one (1) class to be surveyed. Only those classes so designated will evaluate the faculty member officially during that particular semester or year.

- 15.1.5.3 Faculty members shall fill out class identification forms for each class to be surveyed, and shall give those and the evaluation packets to a selected student in each affected face-to-face class who will administer the evaluations no later than the date established by the campus Faculty Evaluation Coordinator. If an online class is chosen by the faculty member for evaluation, the faculty member will request online evaluation services from SDCCD Office of Information Technology by completing an online form to provide the same information as is required on the class identification forms used for in-class evaluations. Office of Information Technology will provide the faculty member with a URL Internet address for students to use and the faculty member will publish the URL at the appropriate place in the online course, no later than the date established by the campus Faculty Evaluation Coordinator.
- 15.1.5.4 The faculty member is not to be present when the evaluations are administered.
- 15.1.5.5 The student who administers classroom evaluations will return them immediately after class to the designated drop-off location approved by the Vice President.
- 15.1.5.6 Student evaluations for counseling faculty shall be available to all students who utilize non-classroom services beginning in the third (3rd) week of the fall semester and continuing until one set of thirty-five (35) evaluations has been submitted. Probationary counseling faculty shall submit two sets of thirty-five (35) student evaluations each year. Online counseling students will be directed to the online counseling evaluation immediately after the online counseling session. Completed online counseling evaluations will be downloaded by the Online Counseling Services Technician. Online counseling evaluations will be counted toward the thirty-five (35) student evaluations. The appropriate manager will be responsible for collecting these evaluations.

Evaluation forms shall only be completed by students who have had an opportunity to spend an ample amount of time in direct contact with the faculty member so that the evaluation is meaningful. Students who have only casual contact with the faculty member shall not evaluate the faculty member.

- 15.1.5.7 When the completed classroom student evaluation forms are returned to the designated campus office, Miramar will submit them to the Office of Information Technology; City and Mesa will submit them to their respective File Custodian's Offices. Online classroom evaluations are submitted directly to the Office of Information Technology by the online students.
- 15.1.5.8 Once student evaluations have been processed, the File Custodian will retain one (1) copy per class per tenured/tenure-track faculty of the Faculty Evaluation statistical reports. These will be placed in the faculty member's PRF. The student evaluation forms and the second (2nd) copy of the statistical report will be maintained in confidential envelopes established for each faculty member as the evaluations flow in. For adjunct faculty, both sets of statistical reports will be placed in the envelope containing the original student evaluations and sent to the appropriate Dean's Office, as per 15.1.14.9.
- 15.1.5.9 As soon as the grade-filing deadline for the semester has passed, the statistical reports and all the original student evaluations will be available for review by the affected faculty member.
- 15.1.5.10 For adjunct faculty and all faculty on the promotional track, the written comments sections of the student evaluation forms may be scanned and made available in electronic format by a reputable firm, one that contracts to do so with a College and/or the District, and one that provides an agreement of non-disclosure of confidential information. Once the appropriate sections are converted to an electronic format, the File Custodian (or Dean for adjunct faculty) will return the original student evaluation forms to each faculty member in sealed envelopes via campus mail. Those colleges that choose not to electronically copy student evaluation records must retain the original survey sheets for a period of at least four (4) years for all adjunct faculty and all faculty who have not yet achieved the rank of Professor. Student evaluations for faculty with the rank of Professor may be returned in sealed envelopes via campus mail at the end of each academic year.

In cases where the faculty member receives an overall rating of less than satisfactory, the Dean may direct the File Custodian to retain a copy of these evaluations in the faculty member's PRF.

- 15.1.5.11 For all faculty on the promotional track, the student evaluation forms should be returned within ten (10) days after the end of the semester (if classes were surveyed in the fall), or within ten (10) days after the start of the next fall semester (if surveyed in the spring). The File

Custodian must keep a log of the date on which the original student evaluation forms are sent out (promotional- track faculty only) and the date on which they are returned. After promotional-track faculty have returned their evaluations and such has been noted in the log, the evaluations are to be placed in the PRF's established for each faculty member. This provision does not apply to non-promotional-track faculty or to adjunct faculty: They do not need to return their student evaluation forms.

- 15.1.5.12 Student evaluations alone never may be used as the sole justification for a decision in summative evaluation, in promotional denial, or in the application of progressive discipline.
- 15.1.5.13 The District shall ensure that each site is supplied with a sufficient quantity of student evaluation forms and instructor forms for each fiscal year.
- 15.1.5.14 The District will ensure that the Office of Information Technology provides technical support, online forms, data processing, and summary reports that maintain student anonymity and provide reliable data, while being as similar as possible to classroom/non-classroom evaluations given the inherent differences in data collection procedures and methods of instruction.

15.1.6 Evaluation Coordination

The evaluation process shall be a collaborative one, and shall be supervised and coordinated at each college by a Faculty Evaluation Coordinator to be mutually agreed upon by the College President and the Guild. The duties of the Faculty Evaluation Coordinator shall include meeting with all new faculty and administrators to review the evaluation system, updating and maintaining the faculty evaluation database, providing appropriate managers with lists of all faculty to be evaluated in each academic year prior to the beginning of the third (3rd) week of each semester, overseeing the scheduling of peer and student evaluation of all faculty, securing and distributing student evaluation forms as specified in Section 15.1.5 of this Article, serving as a liaison with administration, providing any formal training necessary and any information requested by raters, and attending to general administrative details. The Faculty Evaluation Coordinator will work under the supervision of the College President or his/her designee and may reasonably utilize the support services of the College. The Faculty Evaluation Coordinator at each campus, if a faculty member, shall receive a minimum of 20% (twenty percent) reassigned time.

Continuing Education Counselors will be included under the responsibility of the Continuing Education President. For Continuing Education Counselors, the

“appropriate” Vice President and President shall be the Continuing Education Vice President and President; for faculty assigned to the District Office the responsible Vice Chancellor will serve as the “appropriate” President.

For purposes of tenure and promotional review, the Mesa College Tenure and Promotional Review Committee (TPRC) responsibility will include the DSPS Counselors assigned to the District Office.

15.1.7 Evaluation Committee - Composition and General Rules

15.1.7.1 Faculty Evaluation Committees shall be composed of the appropriate immediate manager or his/her designee, the Department Chair or his/her designee, and a peer evaluator. Retired tenured faculty who are serving in a pro-rata contract capacity may be considered for the peer role. Each evaluation committee member may serve in only one of these roles.

The peer selected in the first year of a probationary faculty member’s evaluation cycle shall remain on the evaluation committee for each year of the probationary faculty member’s subsequent evaluation cycles unless the peer is no longer an active District employee.

In every other three (3)-year cycle, starting with the first triennial evaluation, the evaluation committee for Professor triennial evaluations may consist of a peer only, provided there is mutual agreement of the evaluatee and the appropriate manager. In these cases, the dean and chair shall sign the evaluation form as having been received only, without any further commentary, except in the area of responsiveness to administrative requests.

The appropriate manager’s or department chair’s designee must be acceptable to the faculty member being evaluated. If the designee is not acceptable, the appropriate manager or department chair shall serve on the committee. In cases where the evaluatee believes that the appropriate manager or department chair may not be able to perform an objective evaluation due to perceived bias, the evaluatee may ask the appropriate Vice President to consult with the Site Compliance Officer to determine whether or not the appointment of a replacement of that evaluator from that committee is warranted. The evaluatee’s claim of perceived bias must be verifiable with concrete evidence. The burden of proof of alleged bias remains with the evaluatee.

15.1.7.2 Hereafter, all references in this Article to “appropriate manager” or “chair” shall be understood to include “or his/her designee.”

AFT Guild, Local 1931 – SDCCD Faculty

- 15.1.7.3 Prior to the first committee meeting, each faculty member who is scheduled for evaluation must submit to his/her appropriate manager a list of three (3) tenured faculty members acceptable as peer evaluators. The appropriate manager will select one (1) peer evaluator from this list of three (3), in consultation with the Department Chair. If, after written request of the appropriate manager, the faculty member who is scheduled for evaluation fails to submit this list of three (3) peer evaluators within ten (10) working days of the request, the appropriate manager will select the peer evaluator, provided this is done in consultation with the Department Chair. All those recommended or selected as peer evaluators must be willing to serve.
- 15.1.7.4 The peer evaluators must be specialists in the subject area in which the evaluatee teaches or is assigned or in a subject area reasonably related to that in which the evaluatee teaches or is assigned. All peer evaluators must be tenured (or tenure-track, in the cases of adjunct faculty evaluations) or retired faculty serving in a pro-rata capacity and in active status in this District. The subject matter specialist shall have the major role in evaluating the criterion of "Subject Matter Knowledge."
- 15.1.7.5 If there are not three (3) appropriate faculty within the District, the faculty member being evaluated may include in her/his list of three (3) evaluators, evaluators from outside the District. In such cases, the outside peer evaluator must be a subject area specialist or a specialist in a subject area reasonably related to that in which the evaluatee teaches or is assigned. It will be the responsibility of each campus Faculty Evaluation Coordinator to make the arrangements for external evaluators and to provide training on the evaluation criteria and process.
- 15.1.7.6 If there is a disagreement between the appropriate manager and the faculty member regarding peer selection, the disagreement will be resolved in a timely manner by the College President, or his/her designee, and the College Faculty Evaluation Coordinator. The resolution shall be in writing and shall be sent to both the appropriate manager and the affected faculty member.
- 15.1.7.7 Upon request by the evaluatee, a second peer evaluator may serve on the evaluation committee. The evaluatee making the request must submit to his/her appropriate manager a list of three (3) tenured faculty members as second peer evaluators who all must be willing to serve in this role. The appropriate manager will select one (1)

peer evaluator from the list of three (3) in consultation with the Department Chair. In addition to holding a tenured position, the second peer must hold an assignment within the same or a closely related discipline, whether in this District or at another accredited community college or university. The manager's selection of a second peer is exempt from the review process described in 15.1.7.6.

- 15.1.7.8 In cases where the evaluatee has a split assignment such that he/she reports to more than one manager and/or academic supervisor, the manager/academic supervisor under whom the evaluatee has the greatest percentage of assignment shall be the "appropriate manager." In the case that the second manager and/or appropriate academic supervisor also wishes to serve on the committee, Sections 15.1.7.1 through 15.1.7.7 above shall again be followed with the second manager and/or appropriate academic supervisor becoming an additional "appropriate manager," in addition to an additional chair and an additional peer(s) being appointed following these above procedures.

15.1.8 Performance Review Files

Description

- 15.1.8.1 All evaluation-related material for all faculty shall be placed in individual Performance Review Files (PRF's) retained in the appropriate Vice President's office, or in another campus office designated by the College President [Please see Article XX]. These materials may be stored electronically with appropriate security measures and restricted access privileges.

Mandatory Official Materials

- 15.1.8.2 The PRF must contain all official evaluation material. Official evaluation-related material consists of: (a) the current "Faculty Appraisal Form" and (b) letters of appraisal from each evaluator. Following the completion of each comprehensive evaluation, the official evaluation documents must be transferred to the official personnel file under the provisions of Article XX of this Agreement.

Mandatory Unofficial Materials

- 15.1.8.3 The PRF also must contain: (a) the student evaluation statistical reports, and, (b) for those faculty on the promotional track, the original student evaluations (or electronic copy of the written

comments sections of the original student evaluations, as per Section 15.1.5.1 of this Article) taken from all student evaluations done within the past four (4) years.

- 15.1.8.4 In addition to the items specified in Sections 15.1.8.2 and 15.1.8.3 above, the PRF of an evaluatee shall include the following materials:

15.1.8.4.1 Current syllabi (when applicable);

15.1.8.4.2 An updated listing of professional accomplishments which may include, but is not limited to the following information:

- The evaluatee's description of curriculum or program development and teaching or program innovations, if any, implemented during the evaluation period;
- A complete list of all articles, books, papers, works, etc. produced by the evaluatee with dates;
- A complete list of paper presentations, guest lectures, etc. given by the evaluatee with dates;
- A list of professional conferences attended within the preceding four years;
- The evaluatee's description of College and District service as well as professional and public service if any;
- A list of awards, grants, honors, prizes, etc.;

15.1.8.4.3 A Self-Evaluation/personal statement by the evaluatee. This self-evaluation should reference the performance standards as they appear on the "Faculty Appraisal Form." The self-evaluation shall state the goals the faculty member set for him/herself at the start of the current evaluation cycle, shall explain the extent to which the goals were met, and shall establish goals for the next evaluation cycle. On such a statement, a candidate may wish to explain institutional limitations on his/her activity (such as no funding for conference travel, no release time for professional improvement, etc.).

Discretionary Unofficial Materials

- 15.1.8.5 The self-evaluation/personal statement of an evaluatee also may contain reference to any other information and/or documents the evaluatee and the evaluation committee agree are appropriate, provided they have bearing on his/her position as a faculty member.

AFT Guild, Local 1931 – SDCCD Faculty

Such materials should be submitted only by the evaluatee to the appropriate Vice President's office, or to another campus office designated by the College President upon request of the evaluation or review committees, and may include the following information:

- 15.1.8.5.1 A list and brief description of all courses the evaluatee has taught since initial assignment;
- 15.1.8.5.2 Course materials (other than syllabi) used within the evaluation period (these could include examples of examinations);
- 15.1.8.5.3 The evaluatee's description of his/her teaching methods, along with an explanation of their appropriateness;
- 15.1.8.5.4 The evaluatee's description of his/her grading practices;
- 15.1.8.5.5 A complete list of all teaching materials (such as videos) that are not listed on the submitted syllabi;
- 15.1.8.5.6 Outside evaluations when appropriate and when requested by the evaluatee.

Upon request of the evaluation or review committee, such materials should be submitted by the evaluatee to the appropriate Vice President's office or to another office designated by the College President.

Review

- 15.1.8.6 All material submitted by the evaluatee to the official PRF file must be reviewed and considered by all evaluators.

Confidentiality

- 15.1.8.7 A designee of the President, to be known as the "File Custodian," will maintain an "Access Log" for each PRF to insure that confidentiality is guaranteed. Faculty PRF's will be accessible only to: (a) the faculty member being evaluated up until the date of the third committee meeting, (b) evaluation committee members up until the date of the third (3rd) committee meeting, (c) the appropriate Vice President, (d) Academic Senate Tenure and Promotional Review Committee members (when appropriate), (e) the College President, and, (f) the CAP (when appropriate).

15.1.8.8 During the evaluation process, only the appropriate manager, or the chair of the Academic Senate Tenure and Promotional Review Committee, may remove the PRF from the File Custodian's care.

15.1.8.9 On every occasion that a file is accessed, the File Custodian will assure that the log is filled in and signed. File material should be retained for four (4) years. After the materials retention period has passed, the faculty member should be notified that his/her PRF will be purged of dated material [Please see Article XX for treatment of dated material in Official Personnel Files]. If there is no response within ten (10) business days, all file material more than four (4) years old may be destroyed

15.1.9 Probationary and Promotional Evaluation Procedures

First Committee Meeting: Instrument Modification

15.1.9.1 After the evaluation committee has been formed but before any class visits are made in each evaluation cycle, the entire committee shall meet with the evaluatee to discuss the Faculty Appraisal Guide, instrument, and process. The committee shall also agree on the date of the second committee meeting during this meeting. All materials submitted by the evaluatee must be placed in the evaluatee's PRF no later than the date of the second committee meeting. For tenured triennial evaluations the first meeting may occur electronically upon mutual agreement between the evaluatee and the evaluation committee.

If, after written request of the appropriate manager, the faculty member who is scheduled for evaluation refuses to attend the first or subsequent committee meetings within ten (10) working days of the request, the appropriate manager will convene the evaluation committee and proceed with the evaluation absent the evaluatee.

Class Visits

15.1.9.2 The appropriate manager and Department Chair each will make at least one (1) class or work station visit; peer(s) each will make at least two (2) class or work station visits. Class visits shall be of a minimum of fifty (50) minutes duration.

For online classes, the faculty member who is being evaluated will establish access within the appropriate course Management System for all members of the evaluation committee. Access to the online class sessions will be established at the student level. At the request

of the faculty member being evaluated, access may be established at a higher level. Access to the online class will persist for the duration of the term. In some circumstances, at the request of the faculty member being evaluated, and in addition to the minimum access to the online class discussed above, the faculty member may request to demonstrate certain features of the online class to the evaluation committee. This type of demonstration, if desired by the faculty member being evaluated, will be arranged during the first evaluation committee meeting.

Letters of Appraisal

- 15.1.9.3 After all class visits are completed and evaluation materials are submitted, the appropriate manager will review the evaluatee's performance review file and verify that it is complete. The appropriate manager shall also solicit letters of appraisal from the peer evaluator(s) and the Department Chair, and shall him/herself write a letter of evaluation. Each evaluator must ensure that evaluations never will be based upon the evaluatee's identification with or belonging to a protected class, political beliefs, or lifestyle. Evaluation decisions cannot be based upon factors unrelated to performance of the faculty member's duties. Reviewers must strive to maintain objectivity, and to assure that decisions regarding tenure or promotion do not contravene established principles of academic freedom, appropriate sections of Title 5, and/or Departmental standards. Decisions cannot be based upon any political criteria, nor can they be made arbitrarily, capriciously, or unreasonably.

Second Committee Meeting: Data Integration

- 15.1.9.4 The appropriate manager will convene a second meeting of the evaluation committee on the date agreed upon during the first committee meeting. At that meeting, committee members should agree upon summary ratings and comments and prepare the "Faculty Appraisal Form" referred to in 15.1.4 above. At the conclusion of this meeting, all appropriate items shall be placed in the evaluatee's PRF, with a copy of these items made available to the evaluatee upon request.

In the event the committee members cannot reach consensus decisions, each shall submit her/his own appraisal form. In this case, the Tenure and Promotional Review Committee (TPRC) shall complete the summary appraisal form based upon materials in the evaluatee's PRF.

Third Committee Meeting: Review and Summary

- 15.1.9.5 The appropriate manager then will convene a third meeting of the evaluation committee and the evaluatee to review the committee's findings. Subsequent to the second committee meeting and the placement of evaluation materials in the evaluatee's PRF, the dean shall notify the evaluatee that the committee's documents have been filed and that the evaluatee may inspect her/his PRF. If the evaluatee wishes to respond to anything that is in the file, he/she shall be granted ten [10] working days, from the date of the notification, to do so. The response(s) will be included in the file. The third committee meeting will not be held until this ten (10) working day period expires. Based on the evaluatee's response(s), committee members may change their initial appraisal ratings and/or re-write their letters of appraisal.

Upon mutual agreement between the appropriate manager and the evaluatee, the review and summary meeting may be held with the committee immediately following the second committee meeting. However, electing this option does not preclude the evaluatee from requesting a third meeting following the timelines listed above.

Tenure and/or Promotion Recommendations and Administrative Review

- 15.1.9.6 After the completion of the third evaluation committee meeting and the resolution of all matters pursuant to it, the appropriate manager will notify the appropriate Vice President of the evaluation committee's recommendations. Such notification shall be in writing.
- 15.1.9.7 The appropriate Vice President may review the candidate's file and may comment on the evaluatee's performance in a letter if he/she so desires. If the appropriate Vice President writes such a letter, it must be included in the evaluatee's file, and the evaluatee shall be sent a copy and have the right to read the letter and to respond to it within ten (10) working days. The Vice President shall ensure that the evaluatee's response(s) will be included in the PRF.

Tenure and/or Promotion Recommendations and Academic Senate Review

- 15.1.9.8 The Academic Senates at each of the colleges shall appoint a Tenure and Promotional Review Committee (TPRC) composed of one (1) full Professor from each School, one (1) faculty EEO representative from that College, who has been certified by the District EEO office. The Faculty Evaluation Coordinator shall also serve on the TPRC as

AFT Guild, Local 1931 – SDCCD Faculty

a non-voting member. This committee shall review all tenured/tenure-track, contract renewals, and/or promotional recommendations to see if they are procedurally correct and meet general College and District standards. (Please see Article VIII, Sections A4.7 – A4.8)

The committee shall elect its chair from among these committee members.

- 15.1.9.9 After the faculty member has been evaluated according to the terms of this Article, and, if consensus has been reached, his/her Committee has made a recommendation regarding retention as a contract faculty member, tenure, and/or promotion, to the appropriate Vice President, the Vice President shall notify the appropriate Academic Senate committee (the TPRC) that the faculty member's PRF is ready for the committee's review.
- 15.1.9.10 The TPRC shall review the candidate's file and then shall recommend either for or against retention as a contract faculty member, tenure, and/or promotion, on the basis of a simple majority vote. The recommendation of the TPRC must be clear and unambiguous. The chair of the TPRC will only vote in the case of a tie. If a recommendation of the TPRC contradicts that of the candidate's Evaluation Committee, reasons supporting the recommendation must be expressed in writing. The committee then will forward its recommendations to the President and the evaluatee.

Tenure and/or Promotion Decisions

- 15.1.9.11 The President will make a recommendation regarding the tenure status (and, when appropriate, the promotional status) of the faculty member to the Board of Trustees through the Chancellor, and will send a copy to the evaluatee. The evaluatee shall have the right to submit a written response.

If the candidate is awarded tenure and/or promotion, his/her future salary step advancement and rank advancement henceforth will be governed under the terms of Article VIII, A4.1 and A4.7.5 respectively.

- 15.1.9.12 If a probationary candidate does not meet standards for tenure, he/she may be terminated in accord with state law. The faculty member shall have the right to appeal all terminations to the Committee on Academic Personnel under the terms of Article XV, Section 15.1.10 of this Agreement.

15.1.10 Contract Renewal, Tenure and/or Promotion Denial, Retention as a Regular Employee: Appeals

- 15.1.10.1 If a tenure-track contract renewal, tenure, or promotional decision of a College or Continuing Education President is negative, the faculty member in question may appeal the decision to the Committee on Academic Personnel CAP (as described in Article VIII -Salary, Section A6.0) within five (5) working days of notice from the College or Continuing Education President.
- 15.1.10.2 In each case of appeal, the appropriate Vice President's office shall forward the evaluatee's file to the Chair of the CAP.
- 15.1.10.3 The file will be available for examination by each member of the CAP prior to the convening of the CAP meeting at a secure location to be provided by the CAP Chair.
- 15.1.10.4 The CAP shall begin the appeal review process within fifteen (15) working days of the receipt of a written request by a faculty member to the Chair of the CAP. CAP members will individually review the appellant's file in a timely manner. If necessary, CAP may request additional information from prior reviewers. The CAP may ask for a personal presentation by the appellant and, if he/she so desires, an official representative. If a personal presentation is made by either the appellant or the appropriate manager CAP must also ensure a personal presentation by both the appellant and the appropriate manager takes place. Appellant and manager presentations shall be conducted without the other party present. Following the presentations, the committee shall review and discuss all evidence – documented and testimonial. Members will maintain evaluator confidentiality throughout the review process. All CAP recommendations shall be made after all submitted materials have been reviewed by all committee members, all presentations by appellant and manager have concluded, and only when the entire membership is present or represented. Each member's vote must be based only upon the evidence presented and the statements delivered. The committee's decision will be by a simple majority vote. In cases of promotional appeals only, if the CAP is unable to reach a majority decision, the appeal shall be submitted first to mediation as delineated in Article IV, Grievance, Section 4.3. If a satisfactory resolution is not obtained via this mediation step, the appeal shall be submitted to arbitration following the Step 3 procedures of Article IV, Grievance, Section 4.2.

All CAP decisions will be explained in writing and submitted to the evaluatee by the chair of the CAP.

- 15.1.10.5 CAP recommendations regarding appeals of denials of tenure-track contract renewal, tenure, or promotion will be forwarded to the Chancellor for final action. In the event that the Chancellor's final decision is to deny promotion, said denial shall be in writing and shall be accompanied by written suggestions for improvement.

In the event that the Chancellor's final decision overturns the recommendation of the Faculty Evaluation Committee which was to deny a tenure-track contract renewal, or to deny tenure and/or promotion, the Faculty Evaluation Committee must complete a "Faculty Evaluation Development Plan" following the procedure in Article 15.1.11 below.

In the event that the Chancellor's final decision is to deny tenure, his/her decision shall be forwarded to the Board of Trustees for final action. If the Board's action is to deny tenure, the faculty member shall have the right to proceed to arbitration as specified in the Education Code.

15.1.11 Development Plans

- 15.1.11.1 The Evaluation Committee must complete a "Faculty Evaluation Development Plan" (FEDP) whenever its decision is to recommend a denial of a promotion to Professor, when the committee's overall summary rating is less than satisfactory for a tenured member of the faculty, or when the Chancellor's final decision overturns the recommendation of the Faculty Evaluation Committee which was to deny contract renewal, or to deny tenure and/or promotion.
- 15.1.11.2 Any time factors militating against promotion are observed, those factors must be identified specifically and a constructive process must be identified in order to assist faculty to meet expectations. Specific suggestions detailing what a faculty member needs to do to meet expectations must be made in a timely fashion.
- 15.1.11.3 When an FEDP is completed by evaluators, the faculty member's progress toward reaching his/her developmental goals will be discussed via a "follow-up" evaluation process. The follow-up evaluation process will take place during the subsequent year's regular evaluation cycle and will follow the same procedures as the standard procedure requires. The evaluation committee which created the FEDP will maintain its original composition throughout

the follow-up process, unless a change is expressly approved by the appropriate Vice President, in consultation with the appropriate Guild tenured/tenure-track Vice President.

15.1.11.4 If after the "follow-up" evaluation cycle the evaluation committee agrees that remedial expectations have been met, the FEDP will not become part of the faculty member's official personnel file. If the evaluation committee decides that remedial expectations have not been met, the FEDP and the "follow-up" report will become part of the faculty member's official personnel file, and he/she will be notified of such in accordance with the procedures specified in Article XX, Personnel Files.

15.1.11.5 The failure to meet remedial expectations by the time of the "follow-up" report and the entering of that information in the faculty member's official personnel file shall be considered as an "unsatisfactory" evaluation. An unsatisfactory evaluation will result in the faculty member's salary being "frozen" at his/her current step, under the terms of Article VIII, Section A4.1 above. As soon as remedial suggestions have been met (as determined by a positive outcome during a subsequent evaluation cycle), the faculty member will begin again to advance in annual step increments, effective the first day of the next pay period. Promotional step advancement will be effective the following fall semester. The evaluation process will repeat yearly until remedial suggestions have been met, or, in cases of tenure-track faculty, the faculty member has received a final denial or approval of tenure.

15.1.12 Tenure and/or Promotion: Notification

Candidates for tenure and/or promotion will be notified of pertinent action in writing by the Chancellor or designee.

15.1.13 Non-Promotional Evaluation Procedures for Tenured Faculty

Non-promotional evaluation procedures for tenured faculty shall follow all of the preceding sections of this Article XV, with the exception of Sections 15.1.9.8 through 15.1.9.12, and Section 15.1.10. If the faculty member being evaluated chooses to appeal an unsatisfactory evaluation as defined in Section 15.1.11.5, then Sections 15.1.9.8 through 15.1.9.12, and Section 15.1.10 shall apply.

15.1.14 COLLEGE ADJUNCT FACULTY EVALUATIONS (including pro-rata faculty from Article XVII)

The comprehensive evaluation of faculty will utilize the Faculty Appraisal Guide with forms, that is referenced in Appendix IV of this Agreement, and the procedures delineated herein. A link for accessing the Faculty Appraisal Guide shall be posted on the websites of each of the colleges and the District for access by faculty and administrators. Faculty will be evaluated using the same evaluation instruments whether they teach in the classroom, online, or by using a combination of both instructional modes.

Faculty not covered by one of these forms and/or guides may suggest modifications of the most suitable form, to be approved by the appropriate manager and the Guild. This process may be initiated by either the evaluatee or any of the evaluation committee members.

- 15.1.14.1 An adjunct faculty member must be peer evaluated within the first year of employment within each discipline he/she holds an assignment within each college, at least once every six (6) regular semesters thereafter, and within two (2) semesters of qualifying for Priority of Assignment (POA). It is also recommended that all adjunct faculty be evaluated during their first semester of any new assignment. However, failure to evaluate an adjunct faculty member as per the aforementioned timelines has no impact on her/his POA eligibility.
- 15.1.14.2 There will be at least one (1) class visit of a minimum of fifty (50) minutes duration during each evaluation cycle. Class visits will be made by a peer evaluator who is a subject matter expert in the appropriate discipline area, as defined in Articles 15.1.7.4 and 15.1.7.5.

The appropriate manager (or her/his designee) will be added as a member of the evaluation committee during the two semester period prior to the adjunct faculty member qualifying to participate in the POA program. Subsequent to gaining POA rights, the appropriate manager may elect to participate as a member of the evaluation committee in addition to the peer.

The evaluatee will provide to her/his evaluator(s): current syllabi (when applicable), an updated listing of professional accomplishments, a list of all courses or assignments the evaluatee has completed since her/his last evaluation, course materials such as examples of examinations, or other materials the evaluatee deems appropriate relating to her/his professional development since her/his last evaluation.

- 15.1.14.3 Each adjunct member who is scheduled for evaluation will be asked to submit, at his/her discretion, a list of three (3) tenured and/or tenure-track faculty members within the District acceptable as peer evaluators to his/her appropriate manager via the Department Chair. If there are not three (3) appropriate faculty within the District, the faculty member being evaluated may include in her/his list of three (3) evaluators, evaluators from outside the District. In such cases, the outside peer evaluator must be a subject area specialist or a specialist in a subject area reasonably related to that in which the evaluatee teaches or is assigned. The appropriate manager will select the peer evaluator from this list of three (3), in consultation with the Department Chair. If none of these three (3) is acceptable, the appropriate manager may select an alternate, provided this is done in consultation with both the Department Chair and the adjunct evaluatee. If the adjunct evaluatee does not submit names of acceptable peer evaluators in a timely manner, the appropriate manager, in consultation with the Department Chair, shall select a peer evaluator. All those recommended or selected as peer evaluators must be willing to serve.
- 15.1.14.4 The peer evaluator (and the appropriate manager if applicable) will write a letter of appraisal in addition to completing the evaluation instrument attached to this Agreement in Appendix II. Copies of the instruments shall be provided to all adjunct faculty prior to their peer evaluation.
- 15.1.14.5 Student evaluations, using the forms attached to this Agreement in Appendix III, will be completed at least once during the first term of assignment. Student evaluations will be completed during the first semester of assignment and at least once during every three (3) semesters within each discipline he/she holds an assignment within each college or program within continuing education. The adjunct faculty member may request more frequent student evaluations. If an additional off-cycle evaluation is scheduled, student evaluations may be scheduled during the same semester the peer evaluation takes place if sufficient notice was not given to complete these evaluations one semester prior.
- 15.1.14.6 The student evaluation statistical report(s), the letter of appraisal, items delineated in section 15.1.14.2, and the evaluation instrument will be reviewed by the faculty member's Department Chair, peer, and his/her appropriate manager. The appropriate manager and chair shall sign the evaluation form as having been received only, without any further commentary, except in the area of responsiveness to administrative requests. The letter of appraisal shall include a

recommendation to the appropriate manager regarding the desirability of future assignment for the adjunct faculty member.

- 15.1.14.7 The results of the peer evaluation, student evaluation statistical reports, and Chair and appropriate manager reviews must be made available to the adjunct faculty member in a timely manner. The adjunct faculty member shall be provided a copy of the evaluation form and any letters of appraisal at the conclusion of the evaluation process.
- 15.1.14.8 At the request of the adjunct faculty member, a meeting must be held with the peer, Department Chair, and/or appropriate manager to discuss the contents of the evaluation file and to answer questions. A meeting also may be held at the discretion of the appropriate manager in consultation with the Department Chair in the absence of a request from the adjunct faculty member.
- 15.1.14.9 The appropriate manager shall maintain a file of each adjunct faculty member's evaluation materials during the adjunct faculty member's active assignment, and for a period of eighteen (18) months following the conclusion of the adjunct faculty member's final assignment. If the adjunct faculty member returns to active status during the eighteen (18) month period, the evaluations shall be maintained in the file.
- 15.1.14.10 In the case of multiple assignments in different disciplines or campuses, each discipline/campus will follow the procedures outlined in 15.1.14.1 through 15.1.14.9 above.

15.1.15 COLLEGE TENURED/TENURE-TRACK/ADJUNCT FACULTY
EVALUATION COMPENSATION

- 15.1.15.1 Evaluation of all faculty shall be scheduled by the respective appropriate manager in consultation with the appropriate Department Chair and under the terms of the relevant preceding sections of this Article XV.
- 15.1.15.2 If requested, each tenured faculty member will be expected to complete a maximum of three (3) evaluations during the academic year. These three (3) evaluations can be any combination of tenure-track/tenured faculty and/or adjunct faculty.
- 15.1.15.3 If a faculty member participates in more than three (3) evaluations during any academic year, he/she will be compensated. Compensation shall be at the faculty member's non-classroom rate,

AFT Guild, Local 1931 – SDCCD Faculty

and shall be three (3) hours per adjunct evaluation and five (5) hours per tenure-track/tenured faculty evaluation. Faculty who agree to participate in the evaluations of colleagues at other District campuses or who must return to their own campus after the conclusion of their normal work day shall be paid their mileage expenses according to the District's standard mileage allowance.

15.2 CONTINUING EDUCATION – PERFORMANCE EVALUATIONS

15.2.1 Purpose of Evaluation

The purpose of administrative, peer, and student evaluation of faculty shall be to assess teaching effectiveness, to encourage professional growth, and to make informed decisions regarding retention, tenure, promotion, and salary advancement whenever appropriate.

Representatives from the District, AFT, and Faculty Senate will collaboratively review and modify the current faculty instrument, student instrument, and process to ensure adequate and appropriate feedback to faculty.

15.2.2 Unit Members to be Evaluated

Tenured/tenure-track and adjunct faculty, of other than fee-based classes, with a 48% FTEF or greater assignment shall be evaluated on an individual basis utilizing the instruments found in Appendices II and IV.

15.2.3 Initiating the Evaluation

The Program Dean or appropriate administrator will notify the faculty member of the contract requirements, evaluation process, and timeline, at least two weeks in advance, of a period of time which the dean or appropriate administrator may visit his/her classroom.

15.2.4 Frequency of Evaluation

15.2.4.1 All tenured faculty shall be formally evaluated every three (3) years. Probationary faculty shall be evaluated each year. Adjunct faculty assigned 48% FTEF or greater shall be evaluated at least once every three (3) years. All other faculty will be evaluated as needed on an informal continuous basis.

15.2.4.2 Nothing contained in this section shall preclude the initiation of a supplemental evaluation if deemed necessary or appropriate by the appropriate manager. Frequent evaluations shall not be used to harass faculty.

15.2.5 Evaluation Process

15.2.5.1 In the evaluation process there are four (4) possible sources of input to the assessment of the faculty member's performance.

15.2.5.1.1 A self-evaluation

15.2.5.1.2 Peer evaluation/s, one (1) or more

15.2.5.1.3 Administrator evaluation/s, one (1) or more

15.2.5.1.4 Student evaluations for classroom assignments; student evaluations for nonclassroom assignments which require the advising of students; no student evaluations for nonclassroom assignments that do not require advisement. If student evaluations are utilized in the evaluation of a faculty member, these evaluations must be administered by an individual who is not a party to any other portion of the evaluation process i.e.; the administrator, instructor/advisor, or peer evaluator. All student evaluation forms may be found in Appendix III. In cases where there is a question as to whether student evaluations are appropriate, the decision will be made by a committee composed of the faculty member, the Program Dean, Program Chair, and an AFT Guild site VP.

15.2.5.2 Three (3) of the four (4) sources must be used. The sources of input to be used are at the discretion of the appropriate manager after consultation with the faculty member being evaluated. If a peer evaluation is selected the peer must be selected by both the faculty member and the appropriate manager. One (1) or two (2) observations by the site administrator and one (1) observation by the other evaluators will be scheduled for the evaluation. All unit members have the right to receive a second observation by the appropriate manager upon the unit member's request.

15.2.5.3 In the case of probationary faculty all four (4) sources must endeavor to be used and the "peer" evaluation will be conducted by the faculty member's Program Chair, or Assistant Program Chair, or a tenured faculty discipline expert after consultation with the faculty member being evaluated. If the unit member objects to her/his own Program Chair or Assistant Program Chair conducting the evaluation, and provides written reasons to the Continuing Education Academic

AFT Guild, Local 1931 – SDCCD Faculty

Senate Professional Advancement Committee, the committee may recommend an alternate to the President of Continuing Education. Two (2) observations by the site administrator and one (1) observation by the peer evaluator will be scheduled for the evaluation of probationary faculty.

15.2.5 Follow-up Conference

15.2.5.1 After separate evaluations have been completed and collected, and faculty have access to all completed peer and manager evaluations, a face-to-face conference with the appropriate administrator shall be scheduled with the evaluatee to discuss the proposed evaluation and recommendation(s). The evaluatee may have an AFT representative present at the conference, when an unsatisfactory evaluation and/or disciplinary action will be discussed as a part of the performance evaluation.

15.2.5.2 In the case of an unsatisfactory evaluation, the evaluating administrator or the evaluatee may request a second evaluation, which may be made by another qualified administrator. Evaluations made by the Program Dean and the second evaluating administrator must be sent to the employee and placed in the District personnel file by March 15 of the rating year.

15.2.6 Contract Renewal, Tenure Denial, and Retention of a Regular Employee Appeals

In cases of contract renewal, tenure denial, and retention of a regular employee appeals, Articles 15.1.10, 15.1.11 shall apply.

ARTICLE XVI - TRANSFERS

16.1 DEFINITIONS

- 16.1.1 A transfer refers to any administrative or Board action that results in the movement of a tenured/tenure-track faculty member from the administrative jurisdiction of one president to another, from one campus site to another, or from one college/continuing education department to another.
- 16.1.2 A transfer may be initiated by the faculty member (voluntary transfer) or by the District (administrative transfer).

16.2 VOLUNTARY TRANSFERS

- 16.2.1 Faculty shall be notified of tenure-track faculty vacancies on all sites prior to any general advertising or recruitment via an internal Districtwide publication.
- 16.2.2 Tenured faculty members desiring to transfer as defined in 16.1.1 above shall submit their request in writing to the president of the college/continuing education prior to the closing date of the advertised position. The President shall acknowledge the request in writing. A copy of the transfer request shall be sent to the vice president, school dean or appropriate manager, and department chair of the discipline to which he/she desires to transfer. The faculty member must meet the minimum qualifications of the discipline to which he/she desires to transfer in order to be considered for transfer. The faculty member shall send a courtesy copy of the transfer request to the president and department chair of the faculty member's current assignment.
- 16.2.3 Upon receipt of the transfer request, the school dean or appropriate manager and department/program chair shall determine whether the faculty member meets the minimum qualifications of the discipline to which he/she desires to transfer. If the dean and chair are unable to agree, the vice president shall make the final determination. For those faculty who meet the minimum qualifications, the department chair shall recommend to the college president either:
 - 16.2.3.1 The department concurs with the request and recommends the transfer. In this case, the president shall consider the recommendation of the department prior to making the final transfer determination.

OR

- 16.2.3.2 The department recommends that the faculty member submit a complete application package and be interviewed along with other candidates for the current vacancy or when the next vacancy occurs.

AFT Guild, Local 1931 – SDCCD Faculty

In this case, the faculty member must be recommended to the president by the hiring committee in order to be considered for transfer. If the faculty member is recommended by the hiring committee, the president will then make the final transfer determination.

In cases where the transfer is within the purview of a single president, the president may implement the transfer without requiring the faculty member to participate in the hiring process. In cases where the transfer involves more than one president, the Chancellor may implement the transfer without requiring the faculty member to participate in the hiring process as per Article 16.3.

In each of the above cases, the president shall communicate the final transfer decision in writing to the faculty member.

16.3 ADMINISTRATIVE TRANSFERS

- 16.3.1 The Chancellor may transfer a faculty member when such transfer serves the needs of the District.
- 16.3.2 A faculty member who is to be administratively transferred shall be given the reasons for the impending transfer in writing, not less than six (6) weeks in advance of the transfer, and shall have the right to indicate preference from a list of current vacancies. The six (6) week notification period may be shortened if mutually agreed upon by the Chancellor and the faculty member.
- 16.3.3 A faculty member who has been administratively transferred shall have the option of returning to the original site to fill the first vacancy occurring within three (3) years of the transfer for which he/she is qualified or to remain at the site to which he/she has been transferred.

ARTICLE XVII - REDUCED LOAD AND RETIREMENT

17.1 REDUCED LOAD (this is a pre-retirement benefit)

On the approval of the Board of Trustees faculty members shall be granted the option of no less than a fifty percent (50%) reduced load-early retirement under the following rules:

- 17.1.1 The faculty member must have reached the age of fifty-five (55) prior to reduction in workload.
- 17.1.2 The faculty member must have been employed full-time in a position requiring certification and/or minimum academic qualification for at least ten (10) years, of which the immediately preceding five (5) years were full-time employment without a break in service.

Sabbaticals and other Board-approved leaves do not constitute a break in service. Such leaves, however, are not used to compute the five-(5) year full-time service requirement for entering the program.

- 17.1.3 The option of part-time employment may be exercised at the request of the faculty member and can be revoked only with the mutual consent of the Board and the faculty member. Participation in this program is limited to five (5) years. Retirement is mandatory at the end of that period.
- 17.1.4 The faculty member shall be paid a salary which is the pro rata share of the salary he/she would be earning had he/she not elected to exercise the option of part-time employment, but shall retain all other rights and benefits for which he/she makes the payments that would be required if he/she remained in full-time employment.
- 17.1.5 Leave of absence benefits shall be reduced proportionately.
- 17.1.6 The part-time employment shall be the proportional equivalent of one-half of each regular workday of service required by the faculty member's contract during his/her final year of service in a full-time position (unless there was an atypical assignment during that year). In cases of a reduction to exactly 50%, full-time service may be provided during the first or second semester of an academic year, provided that in the event the faculty member elects full-time service during the second semester, he/she shall be required to furnish a third-party surety bond at his/her own expense indemnifying the District for all benefits and retirement contributions paid by the District in the event he/she does not render paid service during the second semester.

In lieu of the bond, unit members may enter into an indemnification agreement with the District that, in the District's sole discretion, sufficiently ensures compliance with this Section 17.1.6. The District and the AFT agree that the indemnification program which the AFT makes available to its members sufficiently ensures compliance with Section 17.1.6.

17.1.7 Contributions to the State Teachers' Retirement System shall continue at the full salary amount.

17.1.8 Participation in this reduced load program does not preclude eligibility in the pro-rata program (Article 17.2) following retirement.

17.2 PRO-RATA EMPLOYMENT FOR RETIREES – APPLIES TO COLLEGE FACULTY ONLY (this is a post-retirement benefit)

17.2.1 Faculty members with eight (8) or more years tenured/tenure-track service shall be eligible for employment at the time of retirement not to exceed thirty percent (30%) of full-time and subject to the maximum allowable under his/her retirement system. Pro-rata assignments include an equivalent pro-rata portion of on-campus assigned time, off-campus time and office hours as delineated in Article VII. Employment may extend from the date of retirement for a maximum of ten (10) years. To be eligible, the unit member's most recent evaluation must have been at an overall rating of competent or above, and the unit member must not have been subject to any formal disciplinary action within the preceding twelve months that has been finalized at the level of a written reprimand or above.

The pro-rata assignment will commence the second semester following the faculty member's retirement date. (e.g., end of fall semester retirement date, pro-rata begins beginning of subsequent fall semester, end of spring semester retirement date, pro-rata begins beginning of subsequent spring semester.) At the time of submitting their retirement notice or any time prior to or during the course of their pro-rata service, faculty may request from their College President the option of either delaying the start date of their pro-rata period of service or taking a leave of absence from the program. If approved by the College President, the faculty member must then give four (4) months notice prior to the semester the faculty member wishes to initiate or resume her/his pro-rata assignment. Any delay in the initiation of the pro-rata assignment will not diminish the number of years of pro-rata eligibility for the faculty member. Once the faculty member has started the pro-rata program, the faculty member will have ten (10) years of pro-rata eligibility, including time taken on leave within this ten (10) year period.

The understanding of the parties is that faculty will retain their pro-rata rights as per the sideletter agreement of 12/6/2012, but to clarify further, faculty who

retire subsequent to January 1, 2013 will be able to commence work at the beginning of the semester which is 180 days or more from the faculty member's retirement date.

In most cases, with a retirement date at the end of the semester, that will mean faculty will be eligible to begin their post-retirement assignment two semesters later (e.g., end of fall semester retirement date, assignment may resume beginning of subsequent fall semester, end of spring semester retirement date, assignment may resume beginning of subsequent spring semester.)

However, in certain cases where the faculty member retires early enough in the semester such that the 180 day period ends prior to the start of the subsequent semester, faculty will be allowed to resume working at the beginning of that subsequent semester (e.g.; a faculty member who retires on February 1 may resume work at the beginning of the fall semester since 180 days will have passed prior to the start of the fall semester).

In no cases will faculty be allowed to resume their duties after the semester has begun, even if the 180 day period would allow them to do so, unless a special written exception is made due to a justified business need of the campus and approved by the College/Continuing Education President and the Vice-Chancellor of Human Resources.

- 17.2.2 Faculty who have retired from District service under 17.2.1 shall be placed on a pro-rata rate on the current tenured/tenure-track schedule on the step equal to their last placement on the tenured/tenure-track schedule prior to retirement. Pro-rata faculty shall not be paid from the unit pay chart.

17.3 HOURLY EMPLOYMENT FOR RETIREES NOT ELIGIBLE FOR PRO-RATA (17.2)

- 17.3.1 Any retired faculty member who is not eligible for or has completed service under 17.2.1 and is re-hired for an adjunct faculty assignment will be paid at the rate on the appropriate adjunct faculty salary schedule at the same Class and Step placement as his/her last contract placement up to a maximum of the top step of the hourly schedule, provided this hourly assignment is in a discipline for which the faculty member held a Faculty Service Area (FSA) at the time of retirement. If the retired faculty member returns to work as an adjunct faculty member in an assignment requiring a different set of Minimum Qualifications than those within which he/she held an FSA at the time of retirement, he/she shall be re-evaluated as a new adjunct faculty member for purposes of step and class placement as per Article VIII.

ARTICLE XVIII - PROFESSIONAL DEVELOPMENT

18.1 PROFESSIONAL ADVANCEMENT COMMITTEES

Each college and continuing education shall have a Professional Advancement Committee, the membership of which will be appointed by the Academic Senate.

SIDELETTER BETWEEN THE SAN DIEGO COMMUNITY COLLEGE DISTRICT AND THE AFT GUILD, LOCAL 1931

Sideletter by and between the AFT and SDCCD

As a pilot program beginning in January of 2020, adjunct faculty meeting the criteria in Section 18.2.1 - Purpose and Eligibility, of the collective bargaining agreement will also be able to apply for sabbatical leaves following the same process and timelines as delineated in ARTICLE XVIII - PROFESSIONAL DEVELOPMENT.

Adjunct faculty shall be restricted to a one-semester sabbatical leave as their only leave option. Their compensation during this one semester sabbatical leave shall be equal to the average FTEF level they have completed over the two semesters (fall/spring or spring/fall only) immediately preceding the start of their sabbatical leave.

The number of sabbatical leaves per the Section 18.2.4 – Number of Leaves, shall continue to be allocated based on the number of tenured/tenure-track faculty and will not be modified in any way by virtue of this sideletter. Furthermore, the number of sabbatical leaves available shall be allocated based on headcount, not FTEF.

All other conditions and restrictions of Article 18.2 shall apply to this pilot program.

Absent a written agreement between the parties to include the provisions of this pilot program into any successor agreement, this side letter will sunset on June 30, 2022.

Sabbatical leaves are encouraged and may be granted to full-time tenured faculty members for the purpose of carrying out an approved program, which will benefit students, instructors, and the District. Such leaves are a means of enhancing the professional development of faculty members through a variety of activities and/or experiences, which have significant relevance to the specific assignment, and/or to the retraining of the faculty member. The District shall publish the availability of sabbatical leaves annually, and with such publicity as to reasonably ensure that all eligible faculty are informed.

Tenured faculty shall be eligible for a sabbatical leave after six (6) consecutive years of satisfactory service to the District (as determined by Article XV - Evaluation). Faculty who have completed a sabbatical leave are ineligible for a sabbatical leave until completion of each additional six (6) consecutive years of satisfactory service. However, time spent on sabbatical leave may not be included in any such six-year (6) period.

- 18.2.2.12 A recipient may withdraw from an approved sabbatical leave prior to beginning that leave. A second consecutive withdrawal will result in ineligibility to apply for the subsequent academic year, except for accident or illness as provided in Section 18.2.6 of the contract.
- 18.2.2.13 Should the recipient of an approved sabbatical leave make changes in the Application for Sabbatical Leave after it has been approved, the altered application must be resubmitted in writing to the Professional Advancement Committee, which will review and recommend action to the President.

18.2.3 Number of Leaves

A minimum number of sabbatical leaves will be equal to three and one half percent (3.5%) of the total number of tenured/tenure-track faculty. If one or more of the colleges does not have a sufficient number of allocated sabbatical leave applications, the AFT and Human Resources will reallocate unused sabbatical leaves to another college(s). Additional sabbatical leaves may be approved based upon the availability of additional resources. Such additional leaves would be subject to the application process as delineated in Article 18.2.2.

18.2.4 Types of Leaves

Sabbatical leaves may be taken for a variety of purposes. The following are examples of types of leaves, which may be considered, and are not in any order of priority. However, in times of retrenchment the first priority shall be given to proposals requesting retraining.

18.2.4.1 Application Coursework

Applicants for study leaves are expected to carry a full program of academic work at an accredited institution as determined by the institution where the program of study is to take place. Individuals applying for a sabbatical who have less than a 100% contract will be expected to carry a course load equivalent to their percent of a full contract.

Training taken from educational providers that have not sought accreditation may be included as a part of a study leave, but justification for the selection must be provided and the final decision as to the validity of the inclusion will rest with the sabbatical committee. If approval is given to include training from a non-accredited institution, such training time will be converted to semester credits on the basis of forty-eight (48) hours of training equals one semester credit.

Prior to submitting the request for leave, the faculty member should have determined personal eligibility or admission to the institution and completed as much preplanning as possible regarding the program. Ineligibility for admission to the named institution will result in the cancellation of the sabbatical leave.

The application should include the name of the institution that will be attended, the number of units that will be carried, courses that may be taken, (including course number, title and description, if available at the time of application), and the degree that will be received, if any. If specific courses are not known at the time of applying for sabbatical leave, a list of courses to be sent to the Professional Advancement Committee prior to enrollment.

Applicants are expected to earn a grade of “C” or above. The applicant is expected to earn credit for each course taken as part of the approved leave program. All courses taken for college credit must be taken for a grade. No courses can be taken in the following grading modes: 1) pass/no pass; 2) credit/no credit; 3) audit.

18.2.4.2 Retraining

Retraining is defined as the upgrading or the acquisition of knowledge and skills to assist the faculty member to move into a new area of instruction, or for the acquisition of new knowledge and skills in order to bring the particular instructional program up to date with current practices in industry or current knowledge of the discipline.

18.2.4.3 Teaching, Learning, and Appropriate Instructional and Student Services

Some examples are as follows:

- a) Develop new or revise existing courses, programs, certificates or degrees.
- b) Develop technologically mediated instruction for courses/programs.
- c) Infuse global concepts in courses/programs.
- d) Evaluate the effectiveness of teaching and learning strategies, instructional delivery systems and/or performance assessment techniques.
- e) Develop and/or implement student success initiatives.
- f) Develop programs that improve student success and achievement of learning outcomes.

18.2.4.4 Research

Applicants for independent research leaves are expected to accomplish an amount of work equal to a full-time study program.

18.2.4.4.1 Applications for research leaves should include a description of the research project that will be undertaken, how the research will be conducted and how the information will be used. The specific itinerary, if any, schedule of activities and other pertinent information should also be included.

18.2.4.4.2 A person wishing to follow a research program should discuss his/her intentions with the College President and should clarify the following before submitting the request:

- a) What research has already been conducted in this area?
- b) What information may be available in the literature to support the need for the proposed research project?
- c) How will the college/district and/or students benefit from the research project?

18.2.5 Compensation and Bond

18.2.5.1 Compensation for a faculty member on sabbatical leave shall be equivalent to one-half of the faculty member's yearly salary. The faculty member shall receive the benefit of any service increment and/or salary reclassification entitlement as if the faculty member had remained in active service.

18.2.5.2 Every faculty member, as a condition to being granted a leave, shall agree in writing to render a period of service in the employ of the District following his/her return from the leave of absence, which is equal to twice the period of the leave. Faculty members not completing the agreed upon service will be subject to the conditions set forth in 18.2.5.4 below.

18.2.5.3 The faculty member may elect to receive compensation under either of the following options:

18.2.5.3.1 Option 1 -- If the leave is for a period of one (1) year, the faculty member may receive compensation in two (2) equal installments at the end of the first and second year of service rendered in the District following return from leave; if the leave is for a period less than one (1) year, the faculty member may receive the total compensation at the end of the first year of service rendered in the District following return from leave.

18.2.5.3.2 Option 2 -- Regardless of the length of leave, the faculty member may receive compensation in the same manner as if he/she had remained in active service.

18.2.5.4 The faculty member who elects Option 2 must post a bond in an amount equal to the faculty member's contract salary while on sabbatical leave indemnifying the District against loss in the event the faculty member fails to render the agreed-upon period of service in the employ of the District upon return of the faculty member from the leave of absence, or if he/she fails to meet the provisions of 18.2.6.

A faculty member who has completed a sabbatical leave and who either leaves the District before fulfilling the service obligation or fails to meet the provisions of 18.2.6 below shall reimburse the District in the amount due for the portion of the unfulfilled obligation no later than the last day of employment with the District.

In lieu of the bond, unit members may enter into an indemnification agreement with the District that, in the District's sole discretion, sufficiently ensures compliance with this Section 18.2.5.4. The District

and the AFT agree that the indemnification program which the AFT makes available to its members sufficiently ensures compliance with Section 18.2.5.4.

- 18.2.5.5 In order to ensure receipt of monthly warrants, Human Resources must be notified in writing by the faculty member of the current mailing address to which the warrants are to be forwarded.
- 18.2.5.6 Time on sabbatical leave shall be counted as regular service for purposes of salary advancement, promotion, or reclassification, while for retirement purposes it shall be counted as half-time if a full-year sabbatical leave, or full-time if a half-year leave. (A faculty member on a full-year sabbatical leave may elect to pay STRS the difference between half-year and full-year status for retirement purposes, in which case the leave will count as full time for retirement purposes.)
- 18.2.5.7 During the term of the sabbatical leave, the successful applicant will be expected to be devoted full-time to the leave activity and will not be eligible for overload assignments, chair duties, release time duties, Academic Senate office, or other campus/District responsibilities. Exceptions to the foregoing, and any other outside employment during the period of the sabbatical leave must be approved by the Chancellor. Substitute assignments with a duration of one (1) week or less may be approved on an emergency basis by the president.

Successful applicants who work less than full time and receive less than a 100% sabbatical leave may receive adjunct assignments so long as the total combined assignment (sabbatical and work) does not exceed 100% of their normal contract percentage.

- 18.2.5.8 Through the sabbatical leave process, faculty members may also apply for tuition reimbursement for college-level coursework completed at an accredited institution. Subject to available funding, a maximum of \$2,000 (two thousand dollars) may be reimbursed in any academic year.

If specific courses are known at the time of application, they should be submitted through the sabbatical leave process along with the Application for Sabbatical Leave. If courses are not known at the time of applying for sabbatical leave, the list of course(s) should be submitted to the Professional Advancement Committee at the time of enrollment along with a copy of the approved Application for Sabbatical Leave.

An Application for Sabbatical Leave Tuition Reimbursement must be submitted to, and approved by the Professional Advancement Committee prior to enrollment. Tuition reimbursement shall be

processed upon submission of evidence of successful completion of courses taken subject to available resources. Official transcripts of credit and original receipts must be sent to the District Office upon completion of coursework.

18.2.6 Accident or Illness

Interruption of the program by serious accident or illness during a sabbatical leave, evidence of which is required, shall not prejudice a faculty member with regard to the fulfillment of the conditions under which the leave was granted, nor affect the amount of compensation to be paid each faculty member under the terms of such sabbatical leave. However, the president must receive prompt notification of such accident or illness, which in general shall be by registered or certified letter mailed within ten (10) days of such accident or illness. It is the responsibility of the president to communicate such change in leave plans to the Vice Chancellor, Human Resources. In case of death of the individual while on leave, his/her estate shall not be required to fulfill the conditions upon which the leave was granted, but payment of salary by the District shall cease upon such death.

18.2.7 Return to Service

18.2.7.1 At the expiration of the sabbatical leave, and in the absence of other mutual agreement between the faculty member and the District, the faculty member shall be reinstated in a position equivalent in duties and salary to that held by him/her at the time of the granting of the leave of absence.

In most instances, it will be possible to determine in advance that the best interests of the District will be served by placing the sabbatical leave recipient in the same assignment held prior to the granting of the leave. If applicable, Human Resources shall notify the faculty member replacing the faculty member on sabbatical leave, in writing, that the assignment shall be only for the duration of the sabbatical leave.

18.2.7.2 Not later than six (6) weeks after return to duty, each faculty member returning from sabbatical leave shall file with the Professional Advancement Committee, evidence that the specific objectives stated in the application have been completed and the deliverables/products have been submitted.

The faculty member shall not be considered as having completed the requirements of the sabbatical leave until this evidence has been verified by the Professional Advancement Committee as having met the

objectives of the leave and all deliverables/ products have been submitted.

18.2.7.2.1 Evidence of fulfillment of a retraining leave shall meet the criteria outlined in the original application for the leave.

18.2.7.2.2 Evidence of fulfillment of a formal study leave is an official transcript showing all courses completed and degrees granted; additional credentials obtained should be registered; and plans for the application of learning in ways beneficial to the college and students.

18.2.7.2.3 Evidence of fulfillment of an independent research leave is an original typewritten report in thesis form and the plans for application of research findings in ways beneficial to the college/center and students.

18.3 TRAVEL AND CONFERENCE

18.3.1 Application and Approval - Applies To College Faculty Only

Applications for conference and travel requests shall be in writing, upon the form prescribed and provided by the District, and shall be filed with the school dean or appropriate manager following the published calendar of deadlines as determined by the College Professional Advancement Committee. In no case shall faculty be required to seek approval for travel and conference requests more than one (1) month in advance of the travel and/or conference. In cases where the detail of the travel and/or conference is not fully available by the deadline date for submission, the faculty member may submit a tentative request based upon approximate anticipated costs.

Applications will be reviewed and a recommendation made by the department chair, the school dean or appropriate manager, and then forwarded to the College Professional Advancement Committee for evaluation. Approval from the College Professional Advancement Committee for all travel and/or conference requests must be secured prior to the date of the travel and/or conference.

In exceptional cases, upon a recommendation by the college president, the committee may approve a travel and/or conference request retroactively, provided the college president's recommendation is submitted within thirty (30) days of the completion of the travel and/or conference.

Unit members on sabbatical leave shall be eligible for travel and conference funds provided the purpose of the travel or conference is in direct support of the unit member's approved sabbatical project.

18.3.2 Vehicular Travel and Reimbursement

Faculty members may use District vehicles for travel for District-related activities or on District business within the State of California and outside the state at the discretion of the District.

Faculty members shall be entitled to reimbursement for required travel for District-related activities. Prior approval must be granted by the president of the related program or his/her designee.

A unit member required to use his/her vehicle on District business shall be reimbursed at the prevailing IRS rate per mile for all actual miles driven on behalf of the District; provided, however, that the total reimbursement for any single trip shall be limited by the current rate of coach air fare.

18.3.3 Travel and Conference Fund - Applies To College Faculty Only

At the beginning of each fiscal year, a separate travel and conference fund shall be available for faculty travel and conference. The budgeted amount of the fund shall be \$118,827 effective July 1, 2019 and \$121,798 effective July 1, 2020. Effective July 1, 2003, this value shall increase regularly by the same percentage increase that is negotiated equal to the available COLA per the RAF for the Unit.

These funds shall be allocated on a proportional FTEF (including both tenured/tenure-track and adjunct faculty) basis among the three (3) colleges. Each College Professional Advancement Committee may establish standards to ensure the fair disbursement of these funds, provided these standards are published at the beginning of each academic year, and that said standards do not otherwise violate any portion of this Agreement. Resources to cover substitutes for faculty who will miss their regularly scheduled assignment as a result of an approved travel and/or conference request may be allocated from this fund.

Adjunct faculty who receive prior approval for their travel request shall be compensated at their regular rate of pay only for any regularly scheduled assignment which cannot be met as a result of the travel. Adjunct faculty who attend workshops or conferences without prior approval shall not be compensated.

18.3.4 Reconciliation of Advance Payments

Faculty who have received travel/conference payment advances shall file the necessary accounting forms within two (2) months of the completion date of the travel/conference. If not filed by that time, the full amount of the advance payment shall be withheld from the faculty member's next payroll warrant. If the faculty member subsequently submits the necessary accounting forms, he/she

shall be reimbursed for the amount which was withheld from her/his payroll warrant, provided this late submission occurs within the same fiscal year.

18.4 LICENSURE/CERTIFICATION FEE REIMBURSEMENT – APPLIES TO COLLEGE FACULTY ONLY

A pool of funds shall be allocated on a yearly basis from the AFT share of the allocation formula to be used to reimburse unit members for the actual cost of fees charged which directly relate (does not include mileage, lodging, meals, etc.) to the issuance or re-issuance of a license or certificate required by the District, after initial employment, for the unit member to qualify for or retain his/her teaching or non-teaching assignment.

Such requests for reimbursement shall be subject to approval of the unit member's department chair and dean. The dean shall then forward the request to the college professional development committee (PDC) for final approval. The PDC shall forward all approved requests to the AFT who will ensure the reimbursement is processed via Business Services from AFT's pooled account.

If the amount of requested reimbursements exceeds the amount of available resources, reimbursements may be distributed on a pro-rata basis.

Any activities reimbursed by this section may not also be used for salary advancement purposes or any other type of District reimbursement.

18.5 ADJUNCT FACULTY ANCILLARY ACTIVITIES/ PROFESSIONAL DEVELOPMENT

ADJUNCT FACULTY ANCILLARY ACTIVITIES

18.5.1 Applicable law establishes that any person who is employed to teach classes for not more than sixty-seven percent (67%) of the hours per week, considered a full-time assignment for regular employees, be classified as an adjunct faculty member and shall not become a contract employee under applicable law.

18.5.2 Applicable law provides that service in ancillary activities by persons employed under this section, including, but not necessarily limited to, governance, staff development, grant writing, and advising student organizations, shall not be used for purposes of calculating eligibility for contract or regular status. The District has right of assignment of all ancillary service activities and will determine eligibility and compensation and/or stipends for such activities. Activities and expectations will be determined in writing before the assignment begins and will be approved by the President or designee. In accordance with this section, AFT agrees that it will not support or pursue claims of employees to become contract employees based upon their acceptance and fulfillment of ancillary activities assignments as defined in this Article.

18.5.3 Compensation may include either a stipend or paid release time.

FOR CONTINUING EDUCATION FACULTY ONLY: The total cost of compensation under this Article will not exceed \$10,000 (ten thousand dollars) per fiscal year from non-grant funds plus no more than \$40,511 (forty thousand five hundred and eleven dollars) from the AFT share of 2006-07 growth money under the RAF. Ancillary activities beyond this cost limit will not be approved.

FOR COLLEGE FACULTY ONLY: Any approved ancillary activities would be funded from the college's approved budget. This provision does not create any expectation or cost pressure that these activities must be funded.

18.5.4 For purposes of this Article, the following more specifically defines the areas of ancillary activities:

18.5.4.1 Governance: This includes participation in the formal governance process and structure of Continuing Education or the college campus, including assignment to a standing governance committee, a special governance assignment, or other governance activities outside those covered by other articles of this contract.

18.5.4.2 Staff Development: This includes participation in training and professional development activities such as pre-approved department training, and professional development activities supporting broad-based strategic themes, research and development of new curricula, and other professional development activities outside those covered by other articles of this contract. For purposes of Ancillary Activities, Staff Development does not include activities by faculty which are eligible for classification as FLEX activities.

18.5.4.3 Grant Writing: This includes participation in pre-grant workshops, grant meetings and presentations, grant research and development, grant writing, and other approved grant activities outside those covered by other articles of this contract.

18.5.4.4 Advising Student Organizations: This includes activities of development and advisement of Associated Student Government in organization, management, and leadership, and other activities outside those covered by other articles of this contract.

18.5.5 Applications must be submitted on a District form no later than four (4) weeks prior to the proposed start date of the assignment. The application and any potential grant funding sources will be reviewed by the President's designee and an AFT official. Any disagreement regarding approval/disapproval will be

submitted to the President for final decision. Decisions under this Article are not subject to the grievance procedure.

PROFESSIONAL DEVELOPMENT ACTIVITIES FOR ALL CONTINUING
EDUCATION FACULTY

- 18.5.6 In the event there are unused sabbatical leaves as specified in Article 18.2.2.6, the unallocated sabbatical funds shall be re-allocated for professional development or travel and conference activities for all Continuing Education faculty including counselors.
- 18.5.7 Faculty interested in applying for these funds must first seek approval from their department chair and dean. Requests will then be forwarded to the Continuing Education Academic Senate Professional Advancement Committee for final approval.
- 18.5.8 Effective January 1, 2015, this fund shall be augmented by \$20,000 each fiscal year from on-going resources from AFT's share of RAF funds.

ARTICLE XIX - AFT MEMBERSHIP DUES DEDUCTIONS

19.1 Eligible Unit Members

All unit members with an active assignment are eligible for membership in the Guild. Union dues shall only be deducted from Guild members in good standing, as determined by the Guild, whose monthly gross earnings are \$450 (four hundred and fifty dollars) or greater in the corresponding monthly pay period.

19.2 Forfeiture of Deduction

If, after all voluntary insurance premium deductions and other voluntary deductions are made in any pay period, the balance is not sufficient to pay the deduction of AFT dues, no such deduction shall be made for the current pay period.

19.3 Reinstatement

Upon the reinstatement of any employee, or upon the recalling of any employee from layoff status, the District will resume dues, in accordance with Section 19.1.

19.4 Guild Notification to District

Upon notification by the Guild and delivery to District payroll of appropriate authorization forms, the District shall deduct from each unit member's wages the amount of the AFT dues as specified by the Guild.

Any questions from unit members concerning the amount of deduction shall be referred to the Guild. AFT shall notify the District in writing of any corrections and this shall be made during the following payroll period.

Any overpayments or underpayments of dues by unit members shall be adjusted upon notification to the District by the Guild at the next payroll cycle in which the overpayment or underpayment is noted.

19.5 Indemnification

The Guild shall indemnify the District and hold it harmless against all suits, claims, demands, liability, attorney's fees and other costs that shall arise out of or by reason of any action that shall be taken by the District for the purposes of complying with the requirements of this Article.

19.6 The Guild agrees to furnish any information needed by the District to fulfill the provisions of this Article. However, the Guild shall not be required to submit to the District copies of a unit member's dues deduction authorization for the purpose of

fulfilling the provisions of this Article, unless a dispute arises about the existence or terms of the dues deduction authorization.

- 19.7 With respect to all sums deducted by the District pursuant to authorization of the unit member, the District agrees to remit monthly, within fifteen (15) days following the date of deduction on the unit member's pay warrant, such moneys to the Guild's designee accompanied by an alphabetical list of faculty members for whom such deductions have been made, and indicating any changes in personnel from the list previously furnished.
- 19.8 Upon appropriate written authorization from the unit member, the District shall deduct from the salary of any unit member and make appropriate remittance for annuities, credit union, savings bonds, charitable donations, or any other plans or programs jointly approved by the Guild and the District.

19.9 Non-Interference

The District agrees that it will not deter or discourage unit members, or applicants to become unit members, from becoming or remaining members of the Guild, or from authorizing representation by the Guild, or from voluntarily authorizing Guild dues deductions.

19.10 District Initiated Union Related Communications

The District will not initiate any type of mass or individual communication to Guild unit members concerning their rights to join or support the Guild, or to refrain from joining or supporting the Guild, unless the Guild has expressly pre-approved the communication in writing.

ARTICLE XX – PERSONNEL FILES

- 20.1 There shall be only one (1) official personnel file for each bargaining unit member. No action may be taken against a unit member on the basis of material other than that contained in the official personnel file.
- 20.2 Official personnel files shall be kept in confidence in the District Office of Human Resources and shall be available for inspection only by the unit member, a representative of the Guild (with the unit member's written authorization), and authorized administrative employees of the District when actually necessary in the proper administration of the District's affairs or the supervision of the faculty member.
- 20.3 Any material placed in a faculty member's official personnel file must be signed and dated by the originator and the management person responsible for placing it in the file, and a copy of all materials shall be given to the faculty member prior to the time of insertion in the official personnel file. No anonymous letters or materials shall be placed in this official personnel file.
- 20.4 Only material related to the faculty member's assigned duties or professional responsibilities shall be placed in the official personnel file.
- 20.5 In the case of derogatory materials related to a faculty member's assigned duties or professional responsibilities, such material shall not be entered in a faculty member's official personnel file unless and until the faculty member is given notice and an opportunity to review, comment, and to have such comments attached to the material in question. The faculty member shall acknowledge that he/she has read such material by affixing his/her signature and the date to the actual copy to be filed with the statement; his/her signature indicates only that he/she has read the material and does not necessarily indicate agreement with its contents.
- 20.6 A faculty member shall have the right to place in the official personnel file any material that he/she determines may have a bearing on his/her position as a faculty member. In the case of bulky items such as manuscripts or books, only a reference shall be placed in the file.
- 20.7 Upon the request of the faculty member, all materials he or she deems derogatory, after remaining in the official personnel file for a period of four (4) years, shall be placed in a separate sealed envelope which shall be retained in the official personnel file. This sealed envelope shall not be opened except with the written consent of the faculty member and/or upon court order.
- 20.8 A unit member shall have the right during normal business hours of the District Administrative Offices to examine and/or obtain a copy, at the unit member's expense, of any material in her/his official personnel file, except those excluded by law, by appointment with the Human Resources Office. Material not available to the unit

member includes, but is not limited to, materials, which were obtained prior to the employment of the unit member.

20.9 College Faculty Campus-based Performance Review Files (PRFs)

- 20.9.1 Campus-based Performance Review Files (PRFs) will be kept in order to facilitate administrative, evaluative, or supervisory activities. Material transferred from a PRF, or from a supervisor's official file, to the official personnel file shall be handled in the manner described above with the following exceptions: (a) material transferred from a PRF or from a supervisor's unofficial file may not be used in action against a faculty member unless the transfer occurred two (2) weeks prior to the initiation of such action and the specified procedures for notification and review have been followed; (b) material so transferred shall not be more than one (1) year old. For college faculty, PRF materials identified as "Mandatory Official Materials" in Article XV, Section 15.1.8.2 of this Agreement are exempt from the provisions of this section.
- 20.9.2 Each College President will designate an instructional office in which PRFs shall be maintained in a confidential manner and shall designate a custodian for the PRFs. Prior to the initiation of any negative action based on a probationary and/or promotional review, copies of all relevant documents must be transferred to the official personnel file, in accordance with 20.9.1 above.
- 20.9.3 Each faculty member shall be provided with a list of all materials transferred from the PRF to the official personnel file. Identification shall indicate each author or officially authorized body generating the material. PRF materials identified as "Mandatory Official Materials" in Article XV, Section 15.1.8.2 of this Agreement are exempt from the provisions of this section.
- 20.9.4 The list mentioned above must be provided to the faculty member at least five (5) working days prior to its transfer. PRF materials identified as "Mandatory Official Materials" in Article XV, Section 15.1.8.2 of this Agreement are exempt from the provisions of this section.
- 20.9.5 The file custodian must maintain an "Access Log" for each PRF to ensure that confidentiality is guaranteed. PRFs will be accessible only to: (a) the faculty member, (b) evaluation committee peers (including Chair), (c) evaluation committee administrator (School Dean or Program Dean), (d) Dean or Instruction or equivalent instructional officer, (e) senate review committee members (when appropriate), (f) College President, and, (g) CAP members (when appropriate).
- 20.9.6 On every occasion that a file is accessed, the File Custodian will assure that the log is filled in and signed, or an electronic login has been verified.

- 20.9.7 All evaluation committee persons and authorized administrators are to review the PRFs in a confidential area to be provided by the File Custodian.
- 20.9.8 Student evaluations of faculty on the promotional track will be retained for four (4) years. After four (4) years have elapsed, the faculty member will be notified that his/her PRF will be purged of dated material. The faculty member then may request the student evaluation forms, and may make arrangements to pick them up. If there is no response within ten (10) days, all student evaluations more than four (4) years will be destroyed.
- 20.9.9 A unit member shall have the right, by appointment with the File Custodian, during normal business hours to examine and/or obtain a copy of any material in her/his PRF.

ARTICLE XXI - MISCELLANEOUS

- 21.1 If work is being considered by the District for contracting out, and that work is currently being performed by unit members covered by this Agreement then the Guild shall have the right to review and approve or disapprove.
- 21.2 If work is being considered by the District for contracting out, and that work is not being performed by unit members covered by this Agreement, then the District shall provide one hundred twenty (120) calendar days notice to the Guild.

ARTICLE XXII - SAVINGS

- 22.1 If any provision of this Agreement or any application of this Agreement to any unit member or group of unit members is held invalid by operation of law or by a court or other tribunal of competent jurisdiction, such provision shall be inoperative, but all other provisions shall not be affected thereby and shall continue in full force and effect.
- 22.2 The parties shall meet after such written decision by a court, legislative change, or tribunal to negotiate regarding any affected provision(s).

ARTICLE XXIII - FACULTY SERVICE AREA/REDUCTION-IN-FORCE

23.1 FACULTY SERVICE AREA (FSA)

23.1.1 Definition

A faculty service area (FSA) is a discipline area in which faculty have seniority rights in the event of a reduction in force. A FSA is identical to catalog disciplines and services.

23.1.2 Qualifications

In order to qualify for a faculty service area, faculty must:

23.1.2.1 Meet minimum qualifications as adopted by the Board of Trustees, and

23.1.2.2 Be competent as defined by the AB 1725 FSA Committee in their January 5, 1990 report which states:

Competencies for bumping and layoff in FSA's will be based upon minimum qualifications (any faculty member who has a credential is deemed to meet the minimum qualifications consistent with any limitations on that credential) for the disciplines including any license and/or certifications in the subject field and course or series of courses, in the assigned disciplines. Therefore, recency of teaching or experience in the specific discipline is not a requirement except under the provisions of this license or certification.

23.1.3 Establishment

Pursuant to the provisions of Education Code Section 87743.3 each faculty member shall qualify for one or more faculty service areas (FSA) at the time of initial employment. A faculty member shall be eligible for qualification in any faculty service area in which the faculty member has met both minimum qualifications pursuant to Education Code Section 87356 and district competency standards, if applicable, as established by the Academic Senates. Faculty members hired to provide instruction in the Community College Baccalaureate Pilot Program in Health Information Management will follow the Minimum Qualifications as determined by the Statewide Academic Senate. After initial employment, a faculty member may apply to the district to add faculty service areas for which the faculty member qualifies.

23.1.3.1 Human Resources will establish initial FSA's for faculty hired before July 1, 1991, utilizing credential records. Relevant information will

AFT Guild, Local 1931 – SDCCD Faculty

be sent to each tenured/tenure-track faculty member by October 15 of each year. Faculty hired on or after July 1, 1991, will have initial FSA's established at the time of hire.

- 23.1.3.2 Faculty may apply for additional FSA's by enumerating the additions on the FSA application form. These forms must be returned to Human Resources by November 15 of each year.
- 23.1.3.3 Human Resources will verify minimum qualifications for any additional FSA's based upon the District's approved FSA list. FSA declarations which do not clearly meet the District's minimum qualifications list will be referred to the FSA Commission. The Commission's decision must be rendered by December 15.
- 23.1.3.4 The FSA Commission will be composed of four (4) voting members (two [2] AFT representatives and two [2] Instructional Executive Deans/Vice Presidents), standing advisory (non-voting) representatives from Human Resources, and up to six (6) non-voting discipline specialists. Half of the discipline specialists are to be selected by the faculty member and half by the voting members of the Commission. The discipline specialists will advise the Commission as to the validity of the additional FSA declaration(s). The decision on the FSA declaration(s) will be made by a majority vote of the voting members of the Commission.

23.1.4 Appeals

Appeals of the decisions of the FSA Commission will be through the grievance procedure as delineated in Article IV.

23.2 REDUCTION-IN-FORCE

- 23.2.1 Recommended layoffs and recall shall be in accordance with the appropriate Education Code provisions.
- 23.2.2 The District shall furnish the Guild a seniority list of tenured/tenure track faculty by no later than the first teaching day of each spring semester.
- 23.2.3 The Guild and District administration, at least thirty (30) working days before the date of the Board meeting at which the recommendations for layoff are to be made, shall meet and negotiate regarding the impact of the proposed layoffs.
- 23.2.4 Tenured/tenure-track faculty who are laid off shall be entitled to receive health and welfare benefits beyond their last actual date of service to the District up to September 30 of the year in which the faculty member was laid off.

- 23.2.5 Tenured/tenure-track faculty who are laid off shall have the right to buy into the District's health and welfare insurance program, at their own expense, for a period of time not to exceed one (1) year beyond September 30 of the year in which they were laid off. Premiums are due and payable quarterly, in advance, on October 1, January 1, April 1, and July 1.

ARTICLE XXIV – LABOR/MANAGEMENT MEETINGS

- 24.1 Consultation meetings between AFT Guild representatives and the District will be convened on a regular basis, but at intervals no greater than six (6) weeks unless both parties agree there are no agenda items. The purpose of these meetings will be to exchange information and resolve matters related to the administration of the Agreement as well as matters outside the scope of representation. Participants in the meetings shall include the Chancellor, or designee, the AFT Guild President, or designee, and such other representatives as either shall appoint. The number of other representatives at each meeting shall be mutually agreed upon by the District and the Guild.

ARTICLE XXV - RESTRICTED CONTRACT FACULTY

- 25.1 Faculty in categorically funded positions are entitled to all of the collective bargaining agreement rights of Tenured/Tenure-Track faculty with the exception of the due process rights of tenured faculty if the specifically-funded projects to which they are assigned are terminated.
- 25.2 This Article in no way confers tenure-track status upon restricted contract faculty.

ARTICLE XXVI – INTELLECTUAL PROPERTY RIGHTS

26.1 Purpose

The District and the AFT have a mutual interest in establishing an environment that fosters and encourages the creativity of individual faculty members. In accordance with that mutual goal, the purpose of this Article is to identify the owners of the copyrights to certain works that may be created by faculty members, and to identify the uses that may be made of those works by faculty members and the District. None of the language in this Article applies to works wholly created by faculty members on their own time, outside of their assigned work schedule, without any use of District equipment and/or resources and intended for non-District use.

26.2 Definitions as Used in this Article

26.2.1 "Works" means any material that is eligible for copyright protection including (but not limited to) books, articles, dramatic and musical compositions, poetry, instructional materials (e.g., class notes recorded by students, syllabi, lectures, student exercises, multimedia programs, and tests), fictional and non-fictional narratives, analyses (e.g., scientific, logical, opinion or criticism), works of art and design, photographs, films, video and audio recordings, computer software, architectural and engineering drawings, and choreography.

26.2.2 "License" means permission to use a work. A "non-exclusive license" is one that gives permission to use a work while that same work may also be used by the party who gave the permission and by others to whom permission is also given. For any course offered by the SDCCD, the official outline of record, as defined and approved by the Board of Trustees in accordance with Title 5, Sections 55000, 55001, 55002, and 55100, constitutes the Course and is owned by the District.

26.3 Works Covered

26.3.1 *Types of works whose ownership and use are covered by this Article.* This Article identifies the copyright ownership of works created by faculty members in connection with the courses they teach, or other duties they perform as faculty members, while they are employed by the District and in connection with their employment; and it addresses the use of those works by faculty members and the District.

26.3.2 *Types of works not covered by this Article, and consequences of not being covered.* This Article does not cover all works created by faculty members, even if those works are in some sense related to their duties. For example, it does not cover works created primarily for purposes that are separate from a faculty member's teaching or other duties as a faculty member (works not made

for hire), *such as*: novels, even if written by faculty members who teach literature; business books, even if written by faculty members who teach business; art works, even if created by faculty members who teach art; or music, even if composed by faculty members who teach music.

Also, this Article does not cover works created by faculty members for their own personal use that are not intended to be distributed to others, even if created in connection with their duties, such as a faculty member's personal lecture notes.

The copyrights to works that are not covered by this Article shall not be owned by the District under paragraph 26.4.2.1 below, and the District is not authorized to use such works under paragraph 26.5.1.2 below.

26.4 Copyright Ownership

26.4.1 Ownership by Faculty Members

26.4.1.1 The copyrights to works created by faculty members will be owned by them, even if those works (e.g., class notes recorded by students, syllabi, lectures, student exercises, multimedia programs, and tests) are created in connection with courses they teach, or other duties they perform as faculty members, while they are employed by the District and in connection with their employment, *unless* the work is created under the circumstances described in paragraph 26.4.2.1 below.

26.4.1.2 In cases where RFP's and grants from outside agencies stipulate in the proposal or formal agreements with the district or college that materials developed as part of the project either remain the property of the outside agency or are to be shared or accessible outside of the district in some way, faculty who receive significant financial support to develop materials as part of the project will be advised before any materials development on their part takes place of this potential loss of ownership and/or future control of any materials developed under the auspices of said grant.

26.4.2 Ownership by District. The District will own the copyright to works under the following circumstances:

26.4.2.1 *Circumstances relating to substantial support by the District.* The District will own the copyright to any work created with substantial support from the District. As used in this Article, "substantial support" means financial support over and above the cost of the faculty member's normal compensation, office space, office

computer, local telephone use, library use, laboratory use, minimal office supplies and copy services. Substantial support would include extra compensation or the provision of reassigned time to create a work, the cost of providing secretarial, technical, legal or creative services specifically for the creation of a work, as well as the cost or value of the use of expensive District equipment or facilities (such as professional film or recording studios). Grant funds obtained by faculty members for the creation of works shall not be considered substantial support provided by the District. Payment for the development of a course ends after the initial offering of the course unless mutually agreed between the District and faculty. Additional work beyond the scope and time frame of a grant which enhanced a course developed under work for hire would not be considered to be part of the original work for hire and would remain the work of the faculty member.

- 26.4.2.2 *Circumstances relating to the nature of the work.* The District will also own the copyright to any work, such as a course outline, administrative policy, or information brochure, that is formally reviewed by the District and becomes part of its curriculum, policies, or administrative or promotional literature. Ownership of a copyright does not preclude updating and/or revising the course. It is understood by the parties that courses are naturally dynamic.

26.4.3 *Faculty Member's Option to Acquire Copyright*

If the District is to be the owner of the copyright to a work because it provided substantial support for its creation, the faculty member who created the work shall have an option to acquire the work's copyright by paying the District an amount of money that shall be agreed upon in writing by the faculty member and the District at the time the District provides (or agrees to provide) that support. To exercise this option, the faculty member shall pay the District the agreed-upon amount; and the District shall immediately assign the work's copyright to the faculty member.

26.4.4 *Process for Documenting District Ownership and Faculty Member's Option*

- 26.4.4.1 If the District is to be the owner of the copyright to a work, the faculty member and the District should sign an agreement that contains the following clauses:

"Faculty member and District agree that the work identified below shall be a work made for hire whose copyright shall be owned by the District. If the work is not a 'work made for hire' as a matter of

copyright law, then faculty member hereby assigns his or her copyright in the work to the District.

“The work to which this agreement pertains is one that will be created by faculty member with substantial support from the District, or is a work that will be formally reviewed by the District and will become part of its curriculum, policies, or administrative or promotional literature. The work is titled or described as follows: _____.”

26.4.4.2 If such an agreement has not been signed, the absence of a signed agreement means the faculty member is the copyright owner rather than the District, *unless* the District proves in arbitration (as provided in 26.8 below) that it did provide substantial support for the work or that the work became part of its curriculum, policies, or administrative or promotional literature.

26.4.4.3 If the District is to be the owner of the copyright to a work because it contributed substantial support, the agreement signed by the faculty member and District also should contain the following clause:

"To exercise his or her option to acquire the copyright to the work identified above, the faculty member shall pay the District the sum of \$_____."

26.4.4.4 The amount to be paid by the faculty member to exercise his or her option to acquire a work's copyright may be adjusted from time to time, if for example the amount of the District's support increases (or decreases), *but only if* the faculty member and District both sign a new clause containing the agreed-upon adjusted amount.

26.4.4.5 AFT shall receive a copy of any such agreements reached as described above.

26.5 Permitted Uses

26.5.1 *Use of Work when Copyright is Owned by Faculty Member*

26.5.1.1 *Uses by faculty member.* The District acknowledges that faculty members may use works whose copyrights they own in any and all ways they may wish, including, for example, authorizing the for-profit publication of such works in return for royalties paid solely to faculty members, subject only to the District's non-exclusive license to use those works (set forth in paragraph 26.5.1.2 below), without any further authorization from the District.

AFT Guild, Local 1931 – SDCCD Faculty

26.5.1.2 *Uses by District.* It is the policy of the District to protect and not to infringe on the copyrights of others within or without the District community. Use of copyrighted works without permission of the owner may subject the user and the District to liability from an infringement action or other possible causes of action. Accordingly, administration, faculty, staff, and students are required to restrict their use of copyrighted materials within the confines of District policies, District guidelines, applicable statutes, and relevant court decisions.

The rights of copyright owners are not exclusive; permission is not necessary for every use. Exceptions to the exclusive rights of copyright owners are numerous and, among others, include: "Fair Use" of copyrighted works; limited copying of computer programs; certain "Library Exemptions"; application of the "First Sale Doctrine" which allows one who buys a copyrighted work to display and resell it. This doctrine does not apply to sound recordings, computer programs, or distribution through a computer network.

The District recognizes the importance of the use of copyrighted materials in fulfilling its educational mission. It is therefore the policy of the District to encourage proper use of copyrighted materials either through acquiring the permission of the copyright owner or under one of the legitimate exceptions outlined in the preceding paragraph.

The District may do these things, but the District may not authorize others to do them, unless the District first obtains the written consent of the faculty member who owns the work's copyright.

26.5.1.3 A unit member shall have the duty to facilitate and cooperate with the District's permitted uses hereunder when such works are reasonably necessary for un-interrupted student instruction in the case of a unit member's absence from the unit member's current assignment.

26.5.2 *Use of Work when Copyright is Owned by District*

26.5.2.1 *Uses by District.* Faculty members acknowledge that the District may use works whose copyrights the District owns in any and all ways it may wish, including, for example, authorizing the for-profit publication of such works in return for royalties paid solely to the District, subject only to the non-exclusive license of the faculty member who created the work to use it (in the manner set forth in

AFT Guild, Local 1931 – SDCCD Faculty

paragraph 26.5.2.2 below), without any further authorization from the faculty members who created those works.

- 26.5.2.2 *Uses by faculty member.* Faculty members shall have a non-exclusive license to use works they created, whose copyrights are owned by the District, only within their scope of employment with the District in the following ways: (1) to reproduce such works (for example, by photocopying them, by duplicating computer disks on which they have been saved, or by installing them on computer networks); (2) to distribute such works (for example, to students in classes); (3) to perform such works (for example, in classroom teaching, by webcasting, or by broadcasting); (4) to display such works (for example, over the web); and (5) to create derivative works (for example, companion materials or updated versions).

Faculty members may do these things themselves, but may not authorize them to be done by others, unless they first obtain the written consent of the District.

26.5.3 *Use of Names of Faculty Members, District and Colleges*

- 26.5.3.1 *District's use of faculty member's name.* The District agrees that when it uses a work created by a faculty member (regardless of who owns the work's copyright), the District will identify the faculty member who created the work, for as long as the work continues to be used by the District.

If for any reason the District does not wish to identify the faculty member, the District may ask the faculty member for authorization not to do so; and the faculty member has the option but not the obligation to release the District from this obligation.

If for any reason the faculty member does not wish his or her name to be used in this manner, the faculty member has the right to require the District not to identify him or her; and in such a case, the District agrees not to do so, or to stop doing so as soon as reasonably possible.

If the District fails to identify a faculty member under circumstances when it should have, or identifies a faculty member under circumstances when it should not have, the faculty member shall be entitled only to a reasonable remedy that takes into account the seriousness of the violation, and will not automatically be entitled in all cases to a remedy that requires the District to recall and destroy

all existing copies of works that fail to include or omit the faculty member's identification.

- 26.5.3.2 *Faculty member's use of name of District or College.* Faculty members agree that when they use works they have created (regardless of who owns the works' copyrights), those works will identify their creators' relationships with the District or College, for as long as they continue to be employed by the District. (For example, if a faculty member creates an online course that identifies the faculty member as its author, the faculty member's name shall be followed by the name of the College at which the faculty member teaches.)

If for any reason a faculty member does not wish to identify his or her relationship with the District or College, the faculty member may ask the District for authorization not to do so; and the District has the option but not the obligation to release the faculty member from this obligation.

If for any reason the District does not wish its name or the College's name to be used in this manner, the District has the right to require the faculty member not to identify his or her relationship with the District; and in such a case, the faculty member agrees not to do so, or to stop doing so as soon as reasonably possible.

If the faculty member fails to identify the District or College under circumstances when he or she should have, or identifies the District or College under circumstances when he or she should not have, the District shall be entitled only to a reasonable remedy that takes into account the seriousness of the violation, and will not automatically be entitled in all cases to a remedy that requires the faculty member to recall and destroy all existing copies of works that fail to include or omit the District's or College's identification.

26.6 Responsibilities

- 26.6.1 *Registration of copyright.* It shall be the responsibility of the party who owns the copyright to each work to register that copyright with the United States Copyright Office, if the owner so chooses.
- 26.6.2 *Acquiring and paying for necessary rights from third parties.* If the creation or use of a work requires rights to be acquired from third parties, such rights shall be acquired and paid for by the party (i.e., the faculty member or the District) who owns the copyright to that work. Faculty members acknowledge that in some cases, the cost of acquiring necessary rights from third parties, if paid by

the District, may itself constitute "substantial support" from the District, so the District would become the owner of the copyright to such works simply because it paid to acquire those rights.

- 26.6.3 *Determining and documenting copyright ownership when two or more faculty members create and own the copyright to a work.* If a work whose copyright would be owned by a faculty member (rather than by the District) is created by two or more faculty members, it is the responsibility of those faculty members to determine the manner in which they share ownership of the copyright to that work, and it is their responsibility to prepare (or have prepared at their own expense) a written agreement between them documenting their determination. No grievance against the District may be asserted by faculty members arising out of any consequences of their failure to make or document an agreement concerning the manner in which they share ownership of the copyright to such a work.
- 26.7 Authorization of individual agreements the terms of which differ from those described above. Faculty members and the District may, if they wish, enter into individual agreements with one another concerning copyright ownership and usage rights to specific works, the terms of which differ from those set forth above. The terms of any such individual agreement will supersede the terms of this Article, once such an agreement is signed by the faculty member and an authorized representative of the District. Any such agreement will be provided to the AFT.
- 26.8 Dispute resolution. Disputes between faculty members and the District concerning this Article shall be resolved pursuant to the grievance procedures contained in Article IV, except that an arbitrator who is expert in copyright law shall be chosen by the parties, or, if the parties are unable to agree on an arbitrator, chosen in accordance with the commercial arbitration rules of the American Arbitration Association.

ARTICLE XXVII - DURATION AND CONDITIONS

- 27.1 Any individual agreement between the District and individual faculty member within the representational unit of this Agreement heretofore executed shall be subject to and made subject to and consistent with the terms of this or subsequent agreements to be executed by both parties. If an individual agreement contains any language inconsistent with this Agreement, this Agreement, during its duration, shall be controlling.
- 27.2 This Agreement shall supersede any rules, regulations, or practices of the District which are or may be in the future contrary to or inconsistent with its terms. The provisions of the Agreement shall be considered part of the established policies of the District.
- 27.3 For the duration of this Agreement, the Guild and the District shall not be obligated to meet and negotiate with respect to any subject or matter, except those articles in the Agreement which specifically call for meeting and negotiating.
- 27.4 This Agreement shall constitute the full and complete commitment between both parties and shall supersede and cancel all previous agreements, both written and oral. This Agreement may be altered, changed, added to, deleted from or modified only through the voluntary, mutual consent of the parties in a written and signed amendment to this Agreement.
- 27.5 The duration of this Agreement shall be from January 1, 2020 through June 30, 2022 (except as provided below).
- 27.6 It is the intent of the parties to reach agreement on a successor Resource Allocation Formula (RAF) and to amend this Agreement as necessary to implement the economic improvements (if any) from the Resource Allocation Formula. Any economic improvements will be paid from the resource allocation formula, which is incorporated herein as a sub-section of this Agreement. Absent a successor RAF agreement, the parties agree to re-open negotiations regarding compensation and benefits commencing July 1, 2020 and July 1, 2021. These negotiations shall include the truing-up of any previous RAF allocations and/or expenditures.

APPENDIX I

- I. Community college faculty members, guided by a deep conviction of the worth and dignity of the advancement of knowledge, recognize the special responsibilities placed upon them. Their primary responsibility to their subjects is to seek and to state the truth as they see it. To this end faculty members devote their energies to developing and improving their scholarly competence. They accept the obligation to exercise critical self-discipline and judgement in using, extending, and transmitting knowledge. They practice intellectual honesty. Although faculty members may follow subsidiary interests, these interests must never seriously hamper or compromise their freedom of inquiry.
- II. As teachers, faculty members encourage the free pursuit of learning in their students. They hold before them the best scholarly standards of their discipline. Faculty members demonstrate respect for the student as an individual, and adhere to their proper role as intellectual guides and counselors. Faculty members make every reasonable effort to foster honest academic conduct and to assure that evaluation of students reflects their true merit. They respect the confidential nature of the relationship between faculty member and student. They avoid any exploitation of students for private advantage and acknowledge significant assistance from them. They protect the academic freedom of students.
- III. As colleagues, faculty members have obligations that derive from common membership in the community of scholars. Faculty members do not discriminate against or harass colleagues. They respect and defend the free inquiry of associates. In the exchange of criticism and ideas faculty members show due respect for the opinions of others. Faculty members acknowledge their academic debts and strive to be objective in their professional judgment of colleagues. Faculty members accept their share of faculty responsibilities for the governance of their institution.
- IV. As members of an academic institution, faculty members seek above all to be effective teachers and scholars. Although faculty members observe the stated regulations of their institutions, provided the regulations do not contravene academic freedom, they maintain their right to criticize and seek revision. Faculty members give due regard to their paramount responsibilities within their institution in determining the amount and character of work done outside it. When considering the interruption or termination of their service, faculty members recognize the effect of their decisions upon the program of the institution and give due notice of their intentions.
- V. As members of their community, faculty members have the rights and obligations of all citizens. Faculty members measure the urgency of these obligations in the light of their responsibilities to their subject areas, to their students, to their profession, and to their institutions. When they speak or act as private persons they avoid creating the impression that they speak or act for their colleges or universities. As citizens engaged in a profession that depends upon freedom for its health and integrity, faculty members have a particular obligation to promote conditions of free inquiry and to further public understanding of academic freedom.

APPENDIX II

This Appendix consists of copies of the official **Faculty Appraisal Forms** referenced in Article XV, Section 15.1.4 of this Agreement. There are three forms, one each for Classroom Faculty, Counselors, and Librarians. Following these three forms is the “Recommendation Page” which is to be completed at the conclusion of *all* tenured/tenure-track faculty evaluations.

The official **Faculty Appraisal Guide** is referenced in 15.1.4 above. The guide describes evaluation domains and criteria, as well as evidence of effectiveness. In addition, the guide lists several "examples of performance" for each criterion. These examples primarily describe behaviors that may indicate whether and how well a faculty member meets the various criteria.

Faculty not covered by one of these forms may modify the most suitable, in concert with the appropriate manager and the Guild.
