ARTICLE 1. RECOGNITION

The Board of Trustees of the West Hills Community College District (the “Board” or “District”) recognizes the West Hills College Faculty Association, CTA/NEA (the “WHCFA” or the “Association”), as the sole and exclusive representative of all full-time instructional faculty, librarians and counselors whose contractual obligation equals or exceeds .67 full-time equivalent (“unit members”). All other employees of the District including but not limited to the following are excluded: substitutes, summer session instructional faculty, librarians, counselors, consultants, temporary employees hired for less than a semester, division chairs, managerial, supervisorial and confidential employees.

The Board agrees not to negotiate with any other organization on matters of scope over which the Association has rights of exclusive representation, and agrees not to negotiate with any member of the unit individually during the duration of this Agreement on matters subject to negotiations.

The Association recognizes the Board as the duly elected representative of the people and agrees to negotiate only with the Board’s officially designated representatives. WHCFA further agrees that neither it nor any of its members or agents will attempt to negotiate privately or individually with the Board, any Board member, administrator, or other person or persons not officially designated by the Board as its representative.

On May 2, 1977, the West Hills Community College Faculty Association/CTA/NEA was recognized as the exclusive representative of a unit composed of certain faculty employees of the West Hills Community College District.

ARTICLE 2. ASSOCIATION RIGHTS

2.1 Use of Buildings and Facilities

The Association shall have the right to reasonable use of District buildings and facilities.

2.2 Notice of Activities

The Association shall have the right to post notices of activities and matters of Association concern on designated bulletin boards. A courtesy copy of posted material will be provided the District's Chancellor and President at the time of the posting.

2.3 Mail Service

Consistent with the limitations of the law, the Association may use the District mail service for communicating with its members.

2.4 Access to District Property

Authorized representatives of the Association shall be permitted access to District property to conduct proper Association business provided that such business does not interfere with the duties of District employees. The Association, or its authorized representative, shall notify the District's Chancellor and President in advance, where possible, of a visit to the College by an Association representative, providing information regarding purpose of visit and estimated times of arrival and departure.

2.5 Roster of Unit Members

2.5.1 The District shall provide the Association with contact information for unit members as a list of the following information, with each field in its own column, for all bargaining unit members within five (5) days of the last payroll date of September, January, and May as follows:

- A. First name;
- B. Middle initial;
- C. Last name;
- D. Suffix (e.g., Jr., III);
- E. Preferred name;
- F. Job title;
- G. Department;
- H. Primary worksite name;
- I. Work telephone number;
- J. Work extension;
- K. Home street address (incl. Apartment #);
- L. Mailing address (if different);
- M. City;
- N. State;

- O. Zip code (5 or 9 digits);
- P. Home telephone number (10 digits) (if available);
- Q. Personal cellular telephone number (10 digits) (if available);
- R. Personal email address of the employee (if available);
- S. Hire date.

In lieu of providing the information above in the form of a list, the District may meet this obligation by providing the Association access to a secure electronic site within which the above information is available. Names, addresses, and telephone numbers will be provided only in those cases where privacy has not been requested.

- 2.5.2 A list of the names and information described in 2.5.1 above for all newly hired full-time employees within the bargaining unit within five (5) days of the last payroll of the month in which they were hired.

“Newly hired employee” means any full-time bargaining unit employee hired by the District who is still employed as of the date of the new employee orientation. It also includes all employees who are employed by the District (including those returning from layoff rehire list, or previously employed by the District in a non-faculty position) and whose current position has placed them in the bargaining unit represented by the Association. For those latter employees, for purposes of this article only, the “date of hire” is the date upon which the employee’s employee status changed such that the employee was placed in the bargaining unit.

In lieu of providing the information above in the form of a list, the District may meet this obligation by providing the Association access to a secure electronic site within which the above information is available.

2.6 Board Agenda

The Association, upon request, shall be provided one (1) copy of the Board agenda prior to each regularly scheduled Board of Trustees meeting. Upon three (3) workdays’ notice, the Association may request, in writing, to place items on the agenda and speak to such items.

2.7 Dues Deductions

The District agrees to deduct dues in certified, uniform amounts from the pay of Association members in the unit, and to pay the Association the normal and regular monthly membership dues voluntarily authorized by the employee to the Association, subject to the following conditions:

- 2.7.1 Such deduction shall be made only upon the certification of the Association of a duly executed and revocable authorization;
- 2.7.2 The District shall not be obligated to put into effect any new, changed, or discontinued deduction unless the change is in the District payroll office prior to the tenth (10th) of each month;
- 2.7.3 The Association agrees to indemnify, defend, and hold the District harmless against any claims made of any nature whatsoever, and against any claim or suit instituted against the District arising from its collection and deduction of Association membership dues.

2.8 Consultation

The Association has the right to consult on the definition of education objectives, the determination of the content of courses and curriculum, and the selection of textbooks to the extent such matters are within the discretion of the public school employer under the law.

The President of the Association may meet regularly with the Chancellor or President of the District for the purposes of consultation. Such consultations shall include recommendations regarding subjects to be placed on the agendas of College meetings.

2.9 Released Time

The release time for each Academic Senate President, Curriculum Committee Chair, and Student Learning Outcomes Coordinator is set at forty percent of a full-time load. The release time for each Articulation Officer is set at thirty percent (30%) of a full-time load.

The release time for the WHCFA President is set at fifty percent (50%) of full-time load for the purposes of negotiations, grievance processing, and continued positive relations between District and Association. The WHCFA President shall fulfill the responsibilities outlined in the WHCFA bylaws as it relates to the above purposes, plus attend District meetings such as District Leadership Council and WHCCD Board of Trustees, and meet with the WHCCD Chancellor on a mutually agreed upon basis. The Association and the District shall split the cost until otherwise negotiated by the parties. The cost of the release time shall be calculated based upon the Board of Trustees' approved overload rate. [See Article 8.]

The District shall bill the Association at the end of each semester only for the actual salary cost per contact hour of the adjunct replacing the President, and the Association agrees to submit payment within two weeks of the receipt of the bill.

Except for the WHCFA President, all release time, stipend, or extended contract duties shall be accompanied by a job description, compensation information, and expected outcomes approved by the College Presidents and Chancellor, which shall be maintained by Human Resources. Human Resources Director shall email duties for the above positions to the Vice President of Instruction on each campus at the end of each spring semester and request signatures from the above no later than the end of week three (3) of the fall semester.

2.10 New Employee Orientations

“New employee orientation” refers to the process by which a newly hired public employee - whether in person, online, or through other means or media - is advised of their employment status, rights, benefits, duties and responsibilities, or any other employment-related matters.

The District shall provide the Association with access to its new employee orientations. The Association shall receive not less than ten (10) days’ notice in advance of an orientation, except that a shorter notice may be provided in a specific instance where there is an urgent need critical to the District’s operations that was not reasonably foreseeable.

In the event the District conducts group orientations with new employees, the Association shall have one (1) hour for Association representative(s) to conduct the orientation session.

ARTICLE 3. DISTRICT RIGHTS

It is understood and agreed that the District retains all of its powers and authority to direct, manage, and control to the full extent of the law. Included but not limited to those duties and powers are the exclusive right to: determine its organization, and direct the work of its employees; determine the times and hours of operation; determine the kinds and levels of service to be provided, and the methods and means of providing them; establish its educational policies, goals, and objectives; insure the rights and educational opportunities of students; determine staffing patterns; determine the number and kinds of personnel required; maintain the efficiency of District operations; determine the curriculum; build, move, or modify facilities; establish budget procedures and determine budgetary allocation; determine the methods of raising revenue; contract out work; and take action on any matter in the event of an emergency.

In addition, the Board retains the right to hire, classify, assign, transfer, evaluate, promote, terminate, and discipline employees. The exercise of the foregoing powers, rights, authority, duties, and responsibilities by the District, the adoption of policies, rules, and regulations, and practices in furtherance thereof, and the use of judgment and discretion in connection therewith shall be limited only by the specific and express terms of this Agreement, and then only to the extent such specific and express terms are in conformance with law.

The District retains its rights to amend, modify, or suspend policies and practices referred to in this Agreement in case of emergency. Emergency is defined as an act of God, a natural disaster, or other dire interruption of the District's programs. The determination of whether or not an emergency exists is solely within the discretion of the Board.

ARTICLE 4. EVALUATION PROCEDURE

4.1 Preamble

The purposes of the evaluation procedure are to recognize faculty for outstanding performance, to assist the unit member in becoming a better teacher/counselor/librarian and to provide information to assist in making tenure decisions. The parties agree to review the recommendations contained in the accreditation report to ensure continuing satisfactory levels of quality, integrity, and effectiveness consistent with the Commission standards and the District goals for student success. The procedure for conducting evaluations of part-time non-bargaining unit instructional and non-instructional personnel is beyond the scope of this Agreement.

4.2 Definitions

A “contract employee” (non-tenured) means a member of the bargaining unit who is employed on the basis of a contract in accordance with the provisions of Education Code sections 87605, 87608(b), or 87608.5(b).

A “regular employee” (tenured) means a member of the bargaining unit who is employed on a regular basis in accordance with Education Code sections 87608(c), 87608.5(c), or 87609(a).

An “administrative evaluator” means the Chancellor, College President or designee from the administrative staff.

A “peer reviewer” means a unit member selected by the member to be evaluated.

An “evaluation team” shall consist of the following: One (1) administrative evaluator and two (2) peer reviewers. The names of three (3) potential peer reviewers shall be submitted by the employee to the Academic Senate during the first semester of employment. The Academic Senate will select two (2) of the submitted reviewers to serve on the evaluation team.

A “self-evaluation” means the unit member to be evaluated will complete a written self-assessment.

An “observation visitation” means a period of time during which an evaluator observes a unit member performing assigned duties.

An “academic year” means that period of time beginning on the first day of a fall semester and ending on the last day of the following spring semester.

4.3 General

All information and materials related to the evaluation process shall remain confidential.

Evaluation forms currently in use at the time this Agreement goes into effect shall continue to be used for the duration of this Agreement. (See Exhibit A.) A joint committee of the Association and the District shall determine the final version of Exhibit A. The Administrative Evaluator shall also

attach and evaluation summary. The final evaluation shall summarize the recommendation, with the opinion of all evaluators and reviewers reflected.

Evaluators and unit members being evaluated are encouraged to meet informally at any mutually agreed upon time before, during, or after the evaluation process.

All courses, regardless of modality, shall be evaluated following the same process. Any faculty member instructing in multiple modalities shall be evaluated in all of the modalities.

Evaluation of performance in non-instructional duties, including counseling, librarian, GED instruction, and athletic coaching, shall be evaluated following the same process.

Contract (non-tenured) employees shall be evaluated at least once in each academic year. To the extent practicable, the members of the evaluation team shall remain the same each year the contract (non-tenured) employee is evaluated. It is recommended that unit members select at least one team member from within their discipline. If a change to a peer reviewer is necessary, it must be approved by the Academic Senate. Whenever practical, faculty members shall not serve as peer reviewers for each other in the same evaluation year.

Regular (tenured) employees shall be evaluated at least once in every three (3) academic years. To the extent practicable, the members of the evaluation team shall remain the same after the unit member is awarded tenure. If a change to a peer reviewer is necessary, it must be approved by the Academic Senate.

4.4 Procedure

4.4.1 Initially, a member of the unit who is to be evaluated shall meet with the administrative evaluator and the entire evaluation team in a pre-observation conference, which for instructional faculty shall be no later than one (1) week after the census date for the latest starting course being taught by the unit member. For non-instructional faculty who are not instructing, the pre-observation conference shall be no later than week four of the semester. The purpose of the pre-observation conference is to discuss, ascertain, and identify the elements and objectives of the evaluation, the time and conditions of the observation visitation, and the time of the post-observation conference. The pre-observation conference shall be held for each unit member individually.

4.4.2 Elements of the evaluation may include classroom observations, student evaluations, self-evaluations, professional development goals/plans, committee work, meeting attendance, involvement in curriculum development and review, and course syllabi. The administrative evaluator may also include in the evaluation summary any commendation or recommendations regarding the unit member's performance.

Elements of the evaluation for non-instructional faculty who are instructing must include a classroom observation. To the extent possible, a faculty member of the team who has instructional experience, will conduct the observation.

- 4.4.3 The evaluation may include unit member participation in the student learning outcome process.
- 4.4.4 The unit member being evaluated shall provide the evaluation team members with syllabi of the courses to be observed at, or immediately following, the pre-observation conference.
- 4.4.5 The observation visitation by each member of the evaluation team shall take place within twenty-five (25) workdays of the pre-observation conference. Observation visitations normally will be for a period of fifty (50) minutes; however, the period of time of an observation visitation may be shortened or lengthened by the mutual agreement of the unit member and the administrative evaluator. Courses taught via distance learning shall be included in the observation process.
- 4.4.6 Notes may be taken during the observation visitation. Observation forms should be filled out during or immediately following the observation visitation and forwarded to the entire evaluation team within three (3) workdays of the observation visitation.
- 4.4.7 The unit member shall prepare a self-evaluation, including his or her professional development goals/plans and provide copies to the evaluation team no later than one week prior to the scheduled post-observation conference. Professional development goals/plans may be revised as needed.
- 4.4.8 At a time determined by the administrator, student evaluation forms for the classes for which the faculty member is being evaluated shall be completed. Whenever possible, the student evaluations shall be administered after the last day for students to withdraw from courses. The results of the student evaluation forms shall be submitted to the evaluation team. Student confidentiality must be maintained by each evaluator, but the substance of the student evaluations may be included in the evaluations.
- 4.4.9 The post-observation conference shall take place within twenty (20) workdays of the last observation visitation, but not later than ten (10) workdays prior to the end of the semester. A copy of the administrative summary shall be provided to the entire evaluation team no later than three (3) workdays prior to the scheduled post-observation conference.
- 4.4.10 A post-observation conference shall be held between the unit member and the entire evaluation team, to the extent possible. Nothing herein shall be deemed a waiver of representational rights.
- 4.4.11 During the post-observation conference, the administrative evaluator and the unit member may agree to changes in the Evaluation Summary of the evaluation, in which case it shall be re-drafted and submitted to the entire evaluation team within five (5) workdays of the post-observation conference. The unit member shall sign and return to the administrative evaluator the modified, re-drafted, final Evaluation Summary form within five (5) workdays of the date it was submitted to the unit

member. In the event the unit member being evaluated receives what he or she or the administrative evaluator considers to be a negative evaluation, the administrative evaluator and unit member shall discuss the matter at the post-observation conference with all evaluation team members present. The administrative evaluator shall specify on the evaluation form the reason(s) for the negative evaluation. The administrative evaluator and the unit member shall meet within fifteen (15) workdays of the post-observation conference to develop a written, detailed plan for remediation of the deficiencies upon which a negative evaluation (overall assessment of “needs improvement” or “does not meet standards”) was based. A remediation plan shall not be required for a contract employee who has been notified that he or she will not be recommended for further employment with the District.

- 4.4.12 The unit member shall sign the evaluation. The employee’s signature confirms receipt of the evaluation report, but not necessarily agreement with the contents. If the unit member refuses to sign the evaluation, the administrative evaluator shall note, and the peer reviewers shall initial, the refusal on the evaluation as “Presented to employee. Employee refuses to sign.”
- 4.4.13 A copy of the final, signed evaluation form shall be given to the unit member no later than ten (10) workdays before the end of the semester and a copy shall be placed in the unit member’s personnel file as soon as practicable. The unit member and the administrative evaluator may extend this deadline by mutual consent.
- 4.4.14 The unit member may submit comments or a rebuttal statement to the evaluation after receipt of the final, signed evaluation form. The unit member’s submission will be attached to the evaluation and included in the unit member’s permanent personnel file.
- 4.4.15 A peer review process shall be part of each unit member’s evaluation, and each evaluation should include, to the extent practicable, all elements of the evaluation as determined in the pre-observation meeting.
- 4.4.16 The unit member and administrative evaluator may attach to the evaluation form copies of peer observation forms, student evaluations, and/or self-appraisal evaluations.
- 4.4.17 Either the District or the unit member may initiate more frequent observations and/or evaluations under this article. The District is not required to conduct additional evaluations for a contract employee who has been notified that he or she will not be recommended for further employment with the District.
- 4.4.18 Any claim brought by an employee that alleges that the District has not complied with the evaluation procedures shall be processed through the grievance procedures in this Agreement. While violations of these evaluation procedures may be subject to the grievance procedure, the substance of evaluations is not grievable.

4.5 *Tenure Process*

The faculty recommendation for tenure is the responsibility of the Academic Senate.

4.6 *Personnel Files*

4.6.1 Records relating to the employment of unit members shall be maintained in individual files located in the Human Resources Office.

4.6.1.1 A unit member whose personnel file contains derogatory information may request that said information be sealed in the personnel file. Only information four (4) or more years old may be sealed. The sealed envelope shall state that it may be unsealed: 1) with the mutual consent of the employee and the Chancellor or Designee, 2) upon the receipt of a lawful subpoena or court order, 3) in the event the employee brings a suit, claim or action against the District.

4.6.1.2 A unit member's request to seal documents in his/her personnel file shall not be refused by the District absent good cause.

4.6.2 Materials in a unit member's personnel file, which may serve as a basis for affecting his/her status, shall be available for inspection by the unit member.

4.6.2.1 Members shall not be entitled to review ratings, reports, or other records obtained prior to employment, prepared by identifiable committee members or were obtained in connection with a promotional exam, as provided by Education Section 87031.

4.6.2.2 A unit member shall have the right to examine and/or obtain copies of personnel file documents upon reasonable notice to the Human Resources Department.

4.6.2.3 Review of personnel files shall take place at a time when the unit member is not actually required to render services to the District.

4.6.3 Personnel files are confidential. Absent a lawful subpoena or other court order, access to files shall be limited to District supervisors, administrators, or agents.

A representative of the Association may review a unit member's personnel file only upon written authorization of the unit member.

4.6.4 Information of a derogatory nature shall not be entered or filed until the unit member is provided a copy of the document and an opportunity to respond. The response, if any, shall be placed in the unit member's personnel file.

- 4.6.5 All material placed in a unit member's personnel file shall be dated and signed by the preparer. Documents shall be placed in a unit member's personnel file within ninety (90) days of the final documents' creation.

ARTICLE 5. CALENDAR

5.1 *Calendar*

The District reserves the right to establish a calendar for each academic year, except that the total number of work days unit members must serve and the beginning and ending dates of academic years are mandatory subjects of negotiations between the District and the Association.

The start and end dates for classes shall be the same whether they are face-to-face or via distance learning. This does not mitigate the District's right to schedule short term or summer courses, and exceptions may be made for individual courses upon mutual agreement between the instructional faculty member, Association and District.

The District and Association shall jointly establish a calendar for each future academic year in accordance with the process used to produce the current calendar.

5.2 *Instructional Faculty Work Year*

The instructional faculty work year is as follows:

173	Instructional Days
2	Mandatory Flexible Instructional Days
175	Total Instructional Days
4	Mandatory Professional Development Days
179	Work Days

The base year for instructional faculty shall be 179 assigned workdays. Extended year contracts for unit members shall be voluntary and not more than 44 assigned workdays. Extended year contracts shall be defined as contracts, which are extended from the normal work year of 179 workdays and shall not include those contracts, which originate as more than 179 workdays. Extended year contracts shall occur during the designated fiscal year. A faculty member may request an extended contract.

Beginning on July 1, 2020 and continuing forward, the instructional faculty work year shall be as follows:

173	Instructional Days
2	Mandatory Flexible Instructional Days
175	Total Instructional Days
2	Mandatory Professional Development Days
177	Work Days

The base year for instructional faculty shall be 177 assigned workdays. Extended year contracts for unit members shall be voluntary and not more than 44 assigned workdays. Extended year contracts shall be defined as contracts which are extended from the normal work year of 177 workdays and shall not include those contracts, which originate as more than 177 workdays.

Extended year contracts shall occur during the designated fiscal year. A faculty member may request an extended contract.

5.3 Professional Development Days

The content of the two (2) professional development days shall be developed by the District and college President in consultation with the administrators, faculty and staff, at District Leadership Council. These days shall be scheduled during the academic year in accordance with applicable laws by mutual agreement through the calendaring process. All unit members shall be required to attend Professional Development Days as days in addition to the total number of days in which classes are scheduled during the academic year.

Nothing precludes the District from scheduling meetings or other training opportunities throughout the academic year. However, faculty members shall only be required to attend meetings or other training opportunities that conflict with their established class schedule if the Association and District mutually agree that the opportunity is necessary and cannot wait until the next Professional Development Day.

The purpose of Professional Development Days shall be to enhance the educational experience of students and the professional skills of staff, and to provide sufficient time on scheduled Professional Development Days for discussion amongst unit members regarding data as well as student learning outcome assessment results.

5.4 Flex Days

Unit members shall attend or obtain credit through an in-lieu activity for two (2) flexible instructional days ("Flex Days").

The purpose of Flex Days is to provide time for faculty to participate in professional development activities that are related to "staff, student and instructional improvement" (5 C.C.R. §55720). Flex activities (5 C.C.R. §55724(a)(4)) can be, but are not limited to, training programs, group retreats, field experiences, and workshops in activities such as course and program development and revision, staff development activities, development of new instructional materials, and other instruction-related activities.

All activities should be linked to the comprehensive plan for staff development and to the goals and objectives of the flexible calendar program. In addition, the staff development plan and the flexible calendar program should be linked to the goals and mission of the college. The flexible calendar program is primarily intended to facilitate faculty improvement of the instructional program. However, any institutionally planned activity should be made available to other college staff as well (5 C.C.R. §55724(a)(5)).

An advisory committee for the flexible calendar program, composed of faculty, students, administrators and other interested persons (5 C.C.R. §55730(e)), shall be established by each college's Academic Senate. Membership should be broadly based and representative of the institution. Terms of office for members of the committee should be arranged to provide for continuity. The advisory committee is responsible for making recommendations on staff, student,

and instructional improvement activities (§55730(e)). The recommendations should be based upon a comprehensive planning process that includes needs assessment and evaluation. The comprehensive planning process should be determined by the local shared governance mechanism. The advisory committee may assist the Academic Senate Presidents in the tasks necessary for implementation of the flexible calendar program.

Unit members shall attend two (2) flexible instructional days (“Flex Days”); or unit members may obtain credit for all or a portion of these two (2) days through an in-lieu activity that is pre-approved by the campus President or designee in consultation with the advisory committee.

ARTICLE 6. WORK LOAD

6.1 *Work Week*

6.1.1 Professional Duties and Responsibilities

Unit members are expected to participate in professional duties and responsibilities including serving on faculty committees, as student club advisors, conduct student recruitment, participate in registration as requested, be involved in in-service institutes and programs, participate in full-time faculty evaluations, and perform other professionally related services as requested by either the Chancellor or his/her designee. Tenured faculty shall participate in part-time faculty evaluations not to exceed two (2) evaluations per semester, absent mutual agreement between the unit member and the College President or designee. Additionally, unit members are responsible for attending meetings and participating in other professional activities called by administration. The guidelines for professional responsibilities may be found in Board Policy.

6.1.2 Office Hours

Full-time instructional faculty shall offer five (5) scheduled and approved weekly office hours per semester.

Each full-time instructional faculty is expected to be available on campus or at an off-campus site, and maintain a minimum of five (5) scheduled and approved office hours per week for purposes of assisting students through formal and informal advisory processes. Instructional faculty instructing online courses may hold, at their discretion, a portion of their office hours online equivalent to their online instructional assignment. For example, if an instructional faculty member is instructing 40% online, then 40% of their weekly office hours (2 hours) may be held online. Online office hours shall be considered an "off-campus site." Online office hours shall be conducted through use of the District's technological resources.

6.2 *Instructional Load*

The Board establishes the instructional faculty's full-time instructional load to be the equivalent of fifteen (15) lecture hours and/or laboratory hours per semester.

A laboratory activity hour shall be equivalent to seventy-five hundredths (.75) of a lecture hour. A laboratory hour shall be equivalent to a lecture hour.

In a given semester, if an instructional faculty member is assigned an instructional load which is greater than a full-time instructional load as defined directly above, because of special needs of the District, the instructional faculty member shall have the option to receive hourly pay for in-class hours beyond the fifteen (15) lecture hour equivalents, or to balance the instructional load over four (4) consecutive semesters to reach a balance of sixty (60) hours (two (2) consecutive

semesters in the case of a first-year faculty member). In no event shall a faculty member's load be reduced more than six (6) hours below a full-time instructional load in any one semester to accommodate balancing.

Except as otherwise agreed upon between the unit member and the Chancellor or his/her designee, regular contract instructional assignments shall be scheduled, within a daily span of time of nine hours or less, excluding meal times and overload.

The amount of voluntary overload hours for any instructional faculty member shall not be limited as long as it is mutually agreed upon by the faculty member and the District.

6.3 *Non-Instructional Duty/Extended Contract Assignments*

Duty days and hours for all non-instructional and extended contract employees shall be assigned by administration after consultation between the unit member and the administration with consideration given to the unit member's concerns.

6.3.1 Counselors

The basic work year for counselors shall be 197 workdays. The workweek shall consist of thirty-five (35) hours.

6.3.2 Librarians

The basic work year for librarians shall be 221 workdays. The workweek shall consist of thirty-five (35) hours.

6.3.3 Agriculture Faculty

The basic work year for agriculture faculty will be 221 workdays.

6.3.4 Coaches

The basic work year for coaches will be 199 workdays.

6.4 *Scheduling*

Responsibility for course scheduling lies with the college president or his/her designee.

6.5 *Extended Contract Stipends*

Extended contract faculty shall be paid according to the following formula:

The employee's annual salary (S) shall be divided by the number of workdays in the normal work year (179) to arrive at the employee's daily rate (DR).

The employee's daily rate (DR) shall be multiplied by the number of total contracted work days (TCWD) in excess of the normal work year of 179 days to arrive at the extended contract stipend amount (ECSA). The employee's extended contract stipend amount (ECSA) shall be added to the annual salary (S) to arrive at the employee's total compensation (TC).

$$\begin{aligned} S/179 &= DR \\ DR \times (TCWD - 179) &= ECSA \\ S + ECSA &= TC \end{aligned}$$

Beginning July 1, 2020, the normal work year shall be 177 days. The employee's daily rate (DR) shall be multiplied by the number of total contracted workdays (TCWD) in excess of the normal work year of 177 days to arrive at the extended contract stipend amount (ECSA). The employee's ECSA shall be added to the annual salary (S) to arrive at the employee's total compensation (TC).

$$\begin{aligned} S/177 &= DR \\ DR \times (TCWD - 177) &= ECSA \\ S + ECSA &= TC \end{aligned}$$

6.6 *Prior Learning Assessment Stipend*

- 6.6.1 Prior Learning Assessments (PLA) are additional duties and responsibilities and are not part of a unit member's regular workload. PLA tasks must be submitted to, and verified by, the responsible administrator and the Curriculum Committee as to completion and authenticity prior to any unit member receiving a stipend.
- 6.6.2 Unit members who accept additional duties and responsibilities relating to "front-end" PLA work, as defined in the job description, shall be compensated with a stipend of \$250 per unit of assessment.
- 6.6.3 Unit members who accept additional duties and responsibilities relating to "back-end" PLA work, as defined in the job description, shall be compensated with a stipend of \$70 per unit of assessment.
- 6.6.4 Unit members acknowledge that all PLA stipends are subject to the approval, completion, verification, and certification of the work.

ARTICLE 7. WORKLOAD REDUCTION/PART-TIME

Members of the bargaining unit may petition the Governing Board of the District to reduce their workloads from full-time to part-time and shall receive the retirement service credit they would have received if they were employed on a full-time basis, and have their retirement allowance, as well as any other benefits they are entitled to under the State Teachers Retirement System (STRS), based upon the salary they would have received if employed on a full-time basis.

Reduced workloads under this Article shall be in accordance with Education Code sections 87483 and 22713.

ARTICLE 8. COMPENSATION

8.1 *Preamble*

The parties agree that their goal for the duration of this agreement and this article is to compensate faculty members comparably to the contiguous Community College Districts known collectively as the “Central 14”. The “Central 14” districts are:

Allan Hancock Community College District
Cabrillo Community College District
College of the Sequoias
Gavilan Community College District
Hartnell Community College District
Kern Community College District
Merced Community College District
Monterey - Peninsula Community College District
San Luis Obispo County Community College District
San Joaquin Delta Community College District
State Center Community College District
West Kern Community College District
West Hills Community College District
Yosemite Community College District

- 8.1.1 The parties acknowledge that, because districts are in different stages of agreements or negotiations, it is generally not possible to know the exact compensation package of each of the Central 14 districts at the beginning of any given year. The parties agree that for comparison purposes, the parties will use the Central 14 data for the prior academic year as reported in the Community College Compensation Survey published annually by the Community College Association.
- 8.1.2 The parties recognize their mutual interest in maintaining fiscal stability. Therefore the parties agree that the compensation goal must be achieved in conjunction with the District’s maintenance of prudent reserves against contingencies.
- 8.1.3 The District’s ability to meet the goal of compensating faculty members comparably to the Central 14 is further dependent upon the District meeting funded enrollment growth targets set by the District and by the State Chancellor’s Office. If those goals are not met, the parties acknowledge that the District will not be able to meet its long-term compensation goal.

8.2 *Salary Schedule*

The salary schedule for the 2018-2019 school year is attached hereto as Exhibit C.

8.2.1 Salary Schedule:

8.2.1.1 2019-2020 Salary Schedule:

The salary schedule shall remain unchanged except as follows:

1. Preamble: The purpose of furloughs is to close the District budget “gap” by reducing compensation costs.
2. Definitions:
 - a. The term “furlough day” as used in this Agreement refers to a day on which a Faculty Unit Member is normally scheduled to work, or is in pay status, that is taken as an unpaid day off.
 - b. The term “pay status” as used in this Agreement refers to the time in which a Faculty Unit Member is working or is on paid leave.
3. Furlough Days
 - a. The parties understand and agree that when faculty members are on furlough, they are not working. Instructional faculty will not be required to have a substitute or to give out-of-class assignments. No Faculty Unit Member will be doing work for the college or the district on a furlough day. Additionally, the parties agree that the presidents and vice presidents of instruction from both colleges shall meet, together, with the WHCFA negotiations team to create guidelines for the implementation of the faculty furlough days.
 - b. Full-Time 12-month, 221-day contract Faculty Unit Members shall be subject to twelve (12) furlough days between July 1, 2019 and June 30, 2020. Furlough days may be taken retroactively to July 1, 2019, from the time this Agreement is ratified. A Faculty Unit Member who submitted a leave request between July 1, 2019, and the ratification date of this Agreement, assuming a substitute was not paid, may choose to have those days designated as furlough days and have their leave hours restored.
 - c. Furlough Credit: For each month in which a salary deduction is taken a corresponding furlough credit shall be given to the Faculty Unit Member.
 - d. Furlough Observance: Faculty Unit Members shall be permitted to take up to four (4) furlough days in a single calendar month once during the academic year. Otherwise, no unit member shall take, or be required to take, more than two (2) furlough days in any calendar month for a full-time Faculty Unit Member during the academic year. Exceptions shall be made on an individual basis.
 - e. For Academic Year Faculty Unit Members (179 day-contracts), only those days that are workdays within the academic calendar may be used as furlough days.

- f. The parties agree that for 2019-2020, the two mid-semester Mandatory Professional Development Days shall be counted towards the furlough days.
- g. The parties agree that Faculty Unit Members may choose to take Wednesday, November 27, 2019, and the spring semester Professional Development Days on January 8, 2020, and January 9, 2020, as furlough days.
- h. All furlough days must be taken before June 30, 2020.
- i. At the end of the 2019-2020 academic year, each college president shall ensure that all Faculty Unit Members have taken the appropriate number of furlough days commensurate with the salary reductions that have been made for that academic year.
- j. The parties agree that the furlough provisions of Article 8.2.1 shall expire and have no force or effect after June 30, 2020.

4. Unit Member Salary Rates and Schedules

- a. Each unit member's pay reduction necessitated by furloughs shall be spread evenly over the unit member's work year.
- b. Unit members may not substitute sick leave for furlough days.

5. Impact of Furlough Program on Salary Programs, Benefits and Retirement:

- a. The use of furlough days shall not affect a unit member's anniversary date or seniority credit or create a break-in-service. The use of furlough days shall not impact the accrual of sick leave or the payment of health, dental or vision benefits.
- b. These furloughs are not intended to constitute a break in service for any Faculty Unit Member and shall also not change the seniority date of any Faculty Unit Member.
- c. The furloughs described herein shall have no adverse effect on the eligibility for, award of, and amount of upward movement on the salary schedule pursuant to Article 8.
- d. It is the intent of the parties that there be no adverse impact on a unit members' STRS service credit.

- 6. Should the District's Unrestricted General Fund revenue for 2019-2020 exceed the amount received in 2018-2019 by \$3,500,000 or more, the parties agree to reopen Article 8.

8.2.2 2020-2021 Salary Schedule: The parties agree that Article 8 - Compensation shall be a mutually agreed upon reopener for 2020-2021.

- 8.2.3 2021-2022 Salary Schedule: The parties agree that Article 8 - Compensation shall be a mutually agreed upon reopener for 2021-2022.
- 8.2.4 Each unit member will advance one step per year of service to the district.
- 8.2.5 Column advancement is based upon earned units and/or continuing education hours.
- 8.2.6 Holders of an earned doctorate from a regionally and/or professionally accredited institution of higher learning shall be granted an annual stipend of \$2,500.00.

8.3 *Full Time Overload and Release Time Pay*

- 8.3.1. Overload. Unit members who teach more than a full-time work load as defined in Article 6, shall be paid at the current adjunct hourly rate as adjusted by the Governing Board. Notification will be sent to unit members when adjustments to the adjunct hourly rate are made by the Governing Board. Faculty Unit Members instructing overload are expected to furlough the whole day regardless of their full-time and overload assignments.
- 8.3.2 Release time under this Agreement shall be calculated based upon the Board of Trustees' approved adjunct faculty pay scale.
- 8.3.3 For the 2019-2020 academic year, the pay scale is as follows:
- CLASS III \$68.00 PER CONTRACT HOUR for a total of \$18,360 per year or \$9,180 per party.
 - CLASS IV \$69.00 PER CONTRACT HOUR for a total of \$18,630 per year or \$9,315 per party.
 - CLASS V \$70.00 PER CONTRACT HOUR for a total of \$18,900 per year or \$9,450 per party.

8.4 *Mileage/Predominate Site*

Travel compensation by the District is based upon the principle that all unit members report to instructional duty at their own expense. For the purpose of calculating mileage, each unit member, annually in the fall, shall be designated a predominate site. That determination shall be made based on the fall schedule. Said designation shall be made by the Chancellor or his/her designee. Mileage compensation for assigned instructional duties on sites other than the predominate site shall be compensated at the I.R.S. rate effective July 1 of each year.

ARTICLE 9. INSURANCE

9.1 *Preamble*

As part of its total compensation package, and in order to recruit and retain faculty, the District includes health and welfare premiums in the benefit package. California's Valued Trust Plan A is the premier medical plan in the area. The interest of the District is to keep this Plan at a reasonable cost, constant with its interests related to salary.

9.2 *Coverage*

The District will provide for each member of the bargaining unit insurance coverage as follows:

. HOSPITAL AND MEDICAL INSURANCE

Carrier selected by the CVT: Employee and Dependents. The District and the Association agree to provide at least one medical plan that meets the requirements for minimum essential coverage and meets the ACA affordability requirement for all District employees, meaning the employee's contribution would not exceed 9.5% of household income.

. DENTAL INSURANCE

Carrier selected by the CVT: Employee and Dependents unlimited dental, and orthodontia, (50/50) for dependent children limited to \$ 500.00 lifetime maximum.

. VISION INSURANCE

Carrier selected by the CVT: Employee and Dependents

. LIFE INSURANCE

Currently UNUM: Employee only (\$50,000)

. INCOME PROTECTION INSURANCE

Currently UNUM: Employee only

. PERSONAL ACCIDENT INSURANCE

Currently CIGNA: Employee Only (\$25,000)

PCS card co-pay for prescription drugs shall be in accordance with plans offered by CVT.

9.3 *District Contribution*

Employees shall have the option of selecting from any of the plans offered by California's Valued Trust (CVT), as ratified by the bargaining unit.

Effective on the date this agreement is ratified and approved, the maximum District contribution to an employee's health benefits shall be a sum which for calculation purposes shall be \$1,453.74 per month. This amount is only subject to change based upon premium changes received from CVT, based on the 100% Plan 1A. The District contribution CAP for each fiscal

year 2016-2017, 2017-2018, and 2018-2019 will be increased by the same percentage that the CVT premiums increase for that period.

Any amount in excess of the District's monthly contribution shall be the employee's responsibility and shall be deducted from the unit member's monthly salary as a payroll deduction. The IRC Section 125 provision allowing for deductions on a pre-tax basis will be available to the extent allowable by law.

If the District receives a rebate, refund or reduction in the premium of the above health and welfare benefits, the District shall take the budgeted amount in excess of actual cost, and place it in a "Health and Welfare Reserve." These funds shall be held in reserve and applied to increases in health and welfare premiums over the capped amount prior to assessing employees for such amounts.

9.4 *Early Retirees*

Early retirement is defined as retirement prior to the age of sixty-five years of age. At the time of early retirement, qualified unit members may elect one of the following retirement health and welfare options if applicable:

- 9.4.1 For unit members who retire on or after the age of 55 who have completed a minimum of ten (10) years of continuous service with the District immediately preceding retirement, the District shall pay the hospital and medical insurance premiums pursuant to sections 9.2 and 9.3 until they qualify for Medicare or reach age seventy (70), whichever occurs first. Thereafter, the District shall pay one-half (1/2) of the amount of the premiums for Medicare supplement plans up to a maximum of \$2400 annually until they qualify for Medicare or reach age seventy (70) whichever occurs later, after which the retiree shall receive \$1200 annually thereafter.
- 9.4.2 For unit members who retire on or after the age of 55 but prior to the age of 65 who have completed a minimum of fifteen (15) years or more of continuous service with the District immediately preceding retirement, the retiree and their spouse may continue to receive health coverage at the same District contribution amount for health insurance plans offered by CVT to unit members currently employed and in paid work status, pursuant to sections 9.2 and 9.3, until the unit member's 65th birthday. At age 65, the unit member shall receive coverage as set forth in section 9.4.1.

9.5 *Regular Retirees*

For unit members who retire on or after they are 65 years old, the District shall pay one-half (1/2) of the amount of the premiums for Medicare supplement plans up to a maximum of \$2400 annually until they qualify for Medicare or reach age seventy (70) whichever occurs later, after which the retiree shall receive \$1200 annually thereafter.

9.6 *Surviving Spouse*

The District agrees to continue to pay hospital and medical insurance premiums as provided above for the surviving spouse of either an active or retired employee for one hundred eighty (180) days following the end of the month in which the employee's death occurs. The surviving spouse of such employee shall have the right to buy into the District's hospital and medical insurance program during this one hundred eighty (180) day period and thereby continue such coverage following the one hundred eighty (180) day period at the surviving spouse's own expense.

ARTICLE 10. LEAVES

10.1 Sabbaticals

- 10.1.1 Sabbatical leaves may be granted to members of the faculty bargaining unit for the purpose of carrying out an approved program, which will benefit the District, the students, and the faculty member. Consideration will be given to programs designed to increase the effectiveness of the staff member and his/her usefulness to the District through study, research, travel, or other creative activity. The sabbatical is not an earned right, but rather a privilege.
- 10.1.2 A member of the unit who has satisfactorily completed a sequence of six (6) full years of service will be eligible to apply for such leave.
- 10.1.3 Leave may be granted for a full academic year at half pay, one (1) semester at full pay, or two (2) semesters at half pay, provided that in the last case both leaves are completed within a three (3) year period.
- 10.1.4 The proposed plan of work must significantly relate to the faculty member's instructional assignment. It should have the effect of enhancing the background or improving the instructional ability of the faculty member. Equal value shall be given to study, research, travel, or other creative activity, or a combination of the four.
- 10.1.5 Eligible faculty members must submit a proposed plan in writing, to the Chancellor or his/her designee, prior to January 1 of the academic year preceding the year for which the leave is requested. The plan of work should provide sufficient information for evaluation according to the criteria outlined above.
- 10.1.6 Either a faithful performance bond or a leave of absence agreement must be executed as a condition of the leave, and the employee shall agree in writing to render a period of service to the District following his/her return from the leave, which is equal to twice the period of the leave.
- 10.1.7 A written report and transcripts covering formal academic study, if any, shall be filed upon return from leave with the Chancellor or his/her designee for review by the members of the Board of Trustees.
- 10.1.8 The forms necessary to request a sabbatical leave are attached to this agreement as Exhibit "E".

10.2 Sick Leave, Personal Necessity, and Personal Business

For purposes of this Article, a thirty-five (35) hour week shall serve as the benchmark for calculating leaves.

- 10.2.1 Sick Leave. Members of the unit shall accrue twenty (20) days of sick leave with pay for each school year, such leave to be made available on the first day of each school year.
- 10.2.1.1 Faculty will notify the Chancellor or his/her designee, of illness as early as possible before the absence; however, the Chancellor or his/her designee should be notified as early as possible on the day the absence occurs.
 - 10.2.1.2 When a faculty member takes time off for sick leave and is gone only in the morning or only in the afternoon, or any part of a regularly scheduled day, that member shall be charged with 3.5 hours of sick leave regardless of the number of classes that would have been taught by the member that day. This would also apply in cases where the faculty member uses personal necessity leave or sick leave.
 - 10.2.1.3 If the faculty member takes the entire day off-regardless if it is for sick leave, personal necessity, or personal business-the member shall be charged with 7 hours to be deducted from their sick leave accrual.
 - 10.2.1.4 When a faculty member takes personal business leave, those hours may be taken in hourly increments.
 - 10.2.1.5 Any unused portion of the sick leave will be cumulative indefinitely and will be transferred to another school district upon the teacher's request.
 - 10.2.1.6 Unused sick leave accrued in California public school districts where the faculty member worked for at least one (1) full year, and where there is no break in service during the change from the original district to the West Hills Community College District, may be transferred to the West Hills Community College District upon the application of the employee and verification by the previous employer(s). Official verification of unused sick leave must be forwarded to the Vice Chancellor Business Services, and it will be credited to the faculty member's sick leave balance.
 - 10.2.1.7 A time off duty form, attached as Exhibit "F", will be signed by a unit member who is absent because of illness upon return to duty. The District may require a written statement from a physician selected and paid for by the District if the absence extends beyond one (1) week.
 - 10.2.1.8 A unit member when on a leave of absence other than paid leave will maintain accumulated sick leave credit, but will not accumulate any additional sick leave during the period of such unpaid leave.
 - 10.2.1.9 When an absence extends for a period of five (5) school months or less, the amount deducted from the salary due the unit member for any month in which the absence occurs shall not exceed the sum which is actually paid a temporary employee employed to fill the position during the

absence or, if no temporary employee was employed, the amount which would have been paid had a temporary employee been employed.

- 10.2.1.10 Sick leave usage shall be calculated based on the proportion that the time off bears to a thirty-five (35) hour week/ seven (7) hour day. For example, if a unit member is absent due to illness for one-half day, the unit member will use 3.5 hours sick leave.

10.2.2 Personal Necessity Leave

- 10.2.2.1 Unit members may use accumulated sick leave, not to exceed six (6) days in any school year, for personal necessity.

- 10.2.2.2 A faculty employee who is a member of the bargaining unit may use accumulated sick leave benefits in a school year for any of the following purposes:

- i. Accident or illness involving an employee's person or property or the person or property of the employee's immediate family.
- ii. One (1) day of personal leave as determined by the member of the bargaining unit not to be used for activities of the exclusive bargaining agent.
- iii. Appearance in any court or before any administrative tribunal as a litigant, party, or witness under subpoena or any order made with jurisdiction.

The employee utilizing leave for these purposes shall verify on the approved District form that the employee has taken a leave for Sections 10.2.2.2.i, 10.2.2.2.ii, or 10.2.2.2.iii above. Advance permission is required for reasons under Section 10.2.2.2.iii above.

10.2.3 Personal Business Leave

Unit members may use accumulated sick leave for Personal Business Days. Such leave may be taken in hourly increments. No more than five (5) unit members shall be allowed absence for such leave at any one time. Unit members may request not more than six (6) days of cumulative Personal Business Leave and Personal Necessity Leave in a school year.

10.3 Bereavement Leave

Unit members are entitled to a leave of absence not to exceed three (3) days, or five (5) days if out-of-state travel is required, on account of the death of any member of the unit members immediate family as defined in Education Code §87788. Unit members may use accumulated sick leave for additional leave related to the death of any of the member's immediate family.

10.4 Pregnancy Leave

10.4.1 Pregnancy Leave. A member of the bargaining unit shall be granted a leave of absence for reasons of pregnancy, miscarriage, childbirth, and recovery. The request for leave, except in the case of a miscarriage, shall be submitted to the Chancellor as far in advance as possible and in no event less than one (1) month before the leave.

10.4.1.1 The length of the leave of absence, including the date on which the leave shall commence and the date on which the unit member shall resume duties, shall be determined by the unit member and the unit member's physician.

10.4.1.2 Disabilities caused or contributed to by pregnancy, miscarriage, childbirth, and recovery are, for all job-related purposes, temporary disabilities and shall be treated as such under the health or temporary disability insurance or sick leave plan available to unit members.

10.4.1.3 Any accrued sick leave and entitlement to other sick leave may be used for pregnancy purposes. In the event the unit member is unable to return to duty after the expiration of an approved pregnancy leave, the District may grant additional personal leave without pay not to exceed one (1) school year beyond the school year in which the birth occurred.

10.4.1.4 An employee who is granted pregnancy leave shall not lose other benefits included under the terms of this Agreement for which the employee qualifies.

10.4.2 Paid Parental Leave

10.4.2.1 In accordance with the Education Code §87780. 1, a member of the bargaining unit shall be granted a leave of absence, not to exceed twelve (12) weeks in a twelve (12) month period, for reasons of adoption, child birth, or placement of a child in foster care.

10.4.2.2 The request for leave shall be submitted to the Chancellor as far in advance as possible.

10.4.2.3 The length of the leave of absence, including the date on which the leave shall commence and the date on which the unit member shall resume duties, shall be determined by the unit member and the adoption agency, attorney, and/or physician to the extent limited under the Family Medical Leave Act (FMLA). Leave may not begin prior to the birth, adoption, or foster care placement and shall run concurrently with parental leave available under the California Family Rights Act (CFRA).

- 10.4.2.4 Any accrued sick leave and entitlement to other sick leave may be used for the above purposes. In the event the unit member is unable to return to duty after the expiration of an approved parental leave, the District may grant additional personal leave without pay not to exceed one (1) school year in which the birth, adoption, or foster care placement occurred.
- 10.4.2.5 An employee who is granted parental leave shall not lose other benefits included under the terms of the Agreement for which the employee qualifies.

10.5 Industrial Illness and Accident Leave

All faculty employees who are eligible for Worker's Compensation benefits will be provided with industrial accident and illness leave as follows:

1. The accident or illness must have arisen out of and in the course of the employment of the employee and must be accepted by the State Compensation Insurance Fund as a bona fide injury or illness.
2. Allowable leave for each industrial accident or illness will be for the number of days of temporary disability, but not to exceed sixty (60) days during which the college is in session or when the employee would otherwise have been performing work for the District in any fiscal year.
3. Allowable leave will not be accumulated from year to year.
4. The leave under these rules and regulations will commence on the first day of absence.
5. Maximum salary during any one period will not exceed the normal salary rate.
6. Industrial accident or illness leave will be reduced by one (1) day for each day of authorized absence regardless of a temporary disability indemnity award.
7. During any paid leave of absence, the employee will endorse to the District the temporary disability indemnity checks received on account of industrial accident or illness. The District, in turn, will issue the employee appropriate salary warrants for payment of the employee's salary and will deduct normal retirement and other authorized contributions.
8. Temporary disability payment on account of the industrial accident or illness must be endorsed back to the District during any paid leave of absence.
9. Upon termination of the industrial accident or illness leave, the employee will be entitled to regular sick leave benefits. An absence for such purpose will be deemed to have commenced on the date of termination of the industrial accident or illness leave, provided that if the employee continues to receive temporary disability indemnity, the

employee may elect to draw on accumulated sick leave to provide (with temporary disability indemnity payments) total income not to exceed normal full salary.

10.6 Family Care and Medical Leave

Under the Federal Family and Medical Leave Act of 1993 and the California Family Rights Act of 1991 (collectively, “the Acts”), eligible employees are entitled to up to 12 work-weeks (prorated for part-time employees) of unpaid, job-protected leave within a 12 month period for family and medical reasons. The West Hills Community College District (“District”) intends to comply with the Acts and their pertinent regulations, and the interpretation of this policy is governed by the Acts.

The following conditions, requirements, and procedures shall apply when requests for family care of medical leave are made:

10.6.1.1 Have worked for the District for at least 12 months;

10.6.1.2 Have worked at least 1,250 hours over the previous 12 months for the District (by example, 182 days x 7 hours =1274 hours); and

10.6.1.3 Be one of at least 50 employees employed by the District within 75 miles of the employee’s work-site.

10.6.2 Reasons For Taking Leave. A leave request from an eligible employee must be granted for any of the following reasons:

10.6.2.2 Placement of a child with the employee for adoption or foster care;

10.6.2.3 Care for the employee’s child, spouse, or parent with a serious health condition;

10.6.2.4 The employee’s own serious health condition that keeps his/her own job function.

10.6.3 Advance Notice of Leave And Medical Certification. Employees will provide (1) advance written notice of the leave request and (2) medical certification whenever a serious health condition is involved.

10.6.3.1 If the need for the leave is foreseeable, employees will provide 30 days advance written notice. If the need for the leave is unforeseen (i.e., an emergency), notice is required to be given as soon as practicable.

10.6.3.2 If the leave is to care for a child, spouse or parent with a serious health condition, or because of the employee's own serious health condition, the employee will provide medical certification from a health care provider or physician. The medical certification must include:

10.6.3.2.1 Date of commencement of the serious health condition;

10.6.2.2.2 Probable duration of the condition;

10.6.2.2.3 Estimated amount of time the health care provider will provide care;

10.6.2.2.4 Confirmation that the serious condition of the child, spouse or parent warrants the participation of the employee; or, in the case of the employee's own serious health condition, certification that the employee is unable to perform his/her job functions.

10.6.3.3 The District may require a second and third medical opinion regarding an employee's serious health condition at the District's expense. When the duration for the leave is uncertain or the estimated time for the leave expires and the employee remains out of work, the District may require subsequent re-certification.

10.6.3.4 If the leave is needed for planned medical treatment or supervision; the employee must make a reasonable effort to schedule the treatment or supervision to minimize disruptions to the District.

10.6.3.5 An employee's advance notice and medical certification may be required to be given to the employee's supervisor. The supervisor may then determine the adequacy of the notice and medical certification and whether or not the leave will be recommended for approval to the Superintendent. The amount of leave actually granted by the District may be determined by what is reasonable under the circumstances.

10.6.3.6 Failure to provide advance notice and medical certification when necessary may delay the granting of leave until such requirements are met.

10.6.4 Continuation of Health Coverage And Other Job Benefit Plan.

10.6.4.1 An employee taking leave will continue to participate in any group health care benefits plan under the same terms and conditions, including any necessary co-payments, by which the employee was enrolled prior to the first day of the leave.

10.6.4.2 If the employee fails to return from the leave for any reason other than the recurrence, continuance, or onset of a serious health condition, the

employee will be liable to the District for premiums paid for maintaining the employee's health coverage.

- 10.6.4.3 An employee may, at his/her expense, continue to participate in all other employee benefit plans offered by the employer during the leave period.

10.6.5 Intermittent Or Reduced Schedule Leave. An employee may take leave intermittently (e.g., in blocks of time), or by reducing a normal work schedule, in the following circumstances:

- 10.6.5.1 Where the leave is for the birth or placement of a child, leave may be taken on an intermittent or reduced schedule basis if the District approves.

- 10.6.5.2 Leave may be taken intermittently or on a reduced work schedule whenever it is medically necessary to care for a family member with a serious health condition, or because the employee is seriously ill and unable to work the employee's regular work schedule.

10.6.6 Substitution Of Paid Leave and Other Leave Requests.

- 10.6.6.1 An employee must substitute accrued vacation or other paid leave, including sick leave where applicable (i.e., for the employee's own serious health condition), for the unpaid family care leave entitlement.

- 10.6.6.2 Any paid or unpaid leave taken which meets the requirements of section 10.6.2 will be counted as part of the employee's family care leave entitlement. This means that family care leave runs concurrently with any other leave that meets the requirements of family care leave under section 10.6.2

10.6.7 Pregnancy.

A Woman on pregnancy leave will not start using family care leave until her disability period is over (i.e., when their physician takes her off disability after the birth of their child). Thus, although family leave due to an employee's serious health condition would normally run concurrently with sick leave where the employee is out for more than three days with a serious health condition, this will not apply in the case of disability due to pregnancy.

10.6.8 Spouses Who Work For The District.

Spouses employed by the District are jointly entitled to a combined total of 12 work weeks of family leave for the birth or placement of a child with them. There is no limitation of entitlement for leaves taken for the serious health condition of their child.

10.6.9 Period of Eligibility.

The 12 month period of entitlement commences on the first day of the leave.

10.6.10 Seniority, Employee Benefits and Break in Service.

An employee on leave will not lose any seniority or employment benefit that accrued prior to the start of the leave. An employee on leave will not accrue seniority or additional benefits, such as vacation, sick leave or similar benefits, during the leave. The leave will not constitute a break in service for purposes of longevity and seniority.

10.6.11 Reinstatement of Employment and Fitness for Duty Report.

Employees returning from an approved leave will be reinstated to the same or equivalent position. Employees returning from an approved medical leave for their own serious health condition may be required to provide a fitness for duty report to return to work.

10.6.12 Key Employee Exception to Restoration.

An employee who is a “key” employee due to the fact that he/she is a salaried employee and among the highest paid 10 percent of all the employees employed by the District may be denied restoration to his/her position following the leave if the District determines that substantial and grievous economic injury will result if such key employee is reinstated.

10.7 Military Leave

An employee shall be entitled to all military leaves and benefits as provided by Education Code section 87832 and Military and Veteran’s Code sections 389 and 395-395.4.

10.8 Jury Duty

A faculty employee who is called for jury duty will be granted the necessary time off with pay to fulfill the jury obligation without deduction from sick leave.

Request for jury service leave should be made by presenting, as soon as possible, the official court summons to jury service to the Chancellor or his/her designee and to the District Payroll Office through appropriate channels.

The employee serving as a member of a jury will receive his/her full pay from the District.

An employee who has received a leave of absence under this provision shall be available for duty during hours when the employee is not required to be in court.

10.9 Other Leaves of Absence

A regular employee may request and be granted a leave of absence without pay by the Board of Trustees upon recommendation of the Chancellor or his/her designee, for a period not to exceed one (1) year. Leaves of absence will terminate at the end of the fiscal year, June 30, but may be extended or renewed.

10.10 Sick Leave Donation

- 10.10.1 Unit members may donate unused sick leave to another unit member when that unit member suffers from a catastrophic illness or injury pursuant to Board Policy 7345, the terms of Administrative Regulation 7345, the collective bargaining agreement between the District and the faculty unit and Education Code section 87045.
- 10.10.2 For the purposes of Sick Leave Donation, “Catastrophic illness or injury” shall mean an illness or injury:
 - 10.10.2.1 That is expected to incapacitate the receiving employee for an extended period of time in excess of 15 work days beyond the employee’s paid leave entitlement; and
 - 10.10.2.2 Which would create a financial hardship for the receiving employee because he or she has exhausted all of his or her sick leave and other paid time off.
- 10.10.3 Sick leave may be donated by one employee to another employee, as set forth above, subject to the following requirements.
 - 10.10.3.1 Recipient Employees In order to receive donated sick leave from other unit employees under this provision an employee must:
 - 10.10.3.1.1 Submit a written request to receive donated leave pursuant to this section.
 - 10.10.3.1.2 Verify the existence of a “catastrophic illness or injury” as defined above. An employee must provide written medical verification of the catastrophic illness or injury from an appropriate licensed health care provider. The District, in its discretion, may require a second medical opinion from a licensed health care provider of its choice.
 - 10.10.3.1.3 Verify the exhaustion of all sick leave and other paid time off.
 - 10.10.3.2 Donor Employees In order to donate sick leave to another employee pursuant to this section an employee must:

- 10.10.3.2.1 Submit a written authorization to donate his/her sick leave to a properly designated eligible employee, identifying the receiving employee and the number of sick leave days to be transferred to the receiving employee.
- 10.10.3.2.2 Have at least 15 days of accumulated sick leave.
- 10.10.3.3 An employee may only donate a maximum of ten (10) days accumulated sick leave to a designated eligible employee. Sick leave donations shall be deducted and credited at a minimum of eight (8) hours, and in hour increments thereafter.
- 10.10.3.4 The fact of the donation and the identity of the donor and recipient shall be a confidential personnel matter.
- 10.10.4 Sick leave donations pursuant to this provision shall be deducted from the donor's account and credited to the recipient's account. Such donations shall be unconditional and irrevocable. An employee who donates his or her sick leave pursuant to this provision shall lose rights or entitlement to that sick leave whether or not the donated sick leave is used by the recipient employee.
 - 10.10.4.1 Donated sick leave will be credited between the first and the fifth of each month, and any donations made after the fifth of any given month will be credited at the beginning of the following month.
 - 10.10.4.2 Donated sick leave shall thereafter be treated, for tax, STRS, and other purposes, as though it had been earned by the recipient.
 - 10.10.4.3 Donated sick leave may be applied to the first day of unpaid status as set forth in 10.13.2.1.
- 10.10.5 For all donations under this provision, there shall be no adjustment made for differences in individual salary between the donor and recipient. Thus, the recipient will receive his or her regular daily salary for each sick leave day donated, regardless of whether the donor's salary is greater or less than the recipient's salary.
- 10.10.6 Exhaustion of all sick leave as described herein includes all accumulated sick leave, all other accrued paid leave, and all sources of payment, including Workers' Compensation benefits. The recipient must be in unpaid status and must be unable to return to work at the time of the donation.

Any leave provided under the State or Federal Family Leave Acts shall run concurrently with any other paid leave.

- 10.10.7 Any sick leave donation made pursuant to these provisions shall be final and binding. There shall be no remedy within the District for an alleged right to recover donated sick leave.
- 10.10.8 An employee may not use donated sick leave credits for a period exceeding twelve (12) consecutive months. An employee who receives donated leave pursuant to this provision shall use any leave credits he or she continues to accrue on a monthly basis prior to using donated leave.
- 10.10.9 The parties acknowledge that at some time in the future, the classified unit may negotiate a sick leave donation program. If so, the parties agree that, at that time, members of both units may donate sick leave to each other in accordance with Education Code, Board Policy, Administrative Regulations and the mutually agreed upon terms of the respective collective bargaining agreements.
- 10.10.10 An employee receiving donated sick leave pursuant to this provision may only use the sick leave while the employee suffers from the catastrophic illness or injury that precipitated the transfer of the sick leave (e.g., if the employee dies or recovers from the illness or injury with unused donated sick leave outstanding, that sick leave shall be lost to both the donating and the receiving employee).

ARTICLE 11. TRANSFER AND REASSIGNMENT

11.1 Preamble

All faculty are hired with the expectation that they may be assigned at any District site.

11.2 Definitions

A “transfer” occurs when a unit member relocates his or her predominant site from Coalinga, Lemoore or Firebaugh.

A “reassignment” occurs when a unit member changes from one division or department to another.

A “voluntary” transfer or reassignment is one, which is initiated by the unit member.

An “involuntary” transfer or reassignment is one, which is initiated by the District.

A “vacancy” is any newly created or vacated position in the bargaining unit.

11.3 General

The Chancellor or his/her designee(s) shall transfer or reassign unit members based upon the needs of the District, which are paramount. The Chancellor or designee(s) shall in all cases, determine whether a vacancy exists.

If requested by the unit member, a conference will be held between the unit member and the Chancellor or designee to discuss the reason(s) for a transfer or reassignment, including the operational needs of the District.

If a unit member’s request for a transfer or reassignment to a vacancy is not granted, or if a unit member is to be involuntarily transferred or reassigned, the unit member may request in writing to meet with the Chancellor or designee to discuss the reason(s). If such a written request is made, then a meeting shall take place. Following that meeting, the unit member may submit a request in writing to the Chancellor or designee that written reason(s) be given. If such a request is made, then the Chancellor or designee shall submit to the unit member the reason(s) in written form.

When a transfer or reassignment to fill a vacancy is being considered based on the needs of the District, the Chancellor or designee shall notify the Association of the contemplated change and shall post a notice to that effect on designated faculty bulletin boards at all sites or via the District’s email system and web page, in order to promote voluntary transfers and reassignments that are in the best interest of the District and the bargaining unit.

The posted notice of vacancy shall include a job description, the qualifications for the position, and a closing date for applications which is at least ten (10) work days following the posting date of the notice of vacancy.

If a unit member submits a written request to the Human Resources Office immediately before summer session or a leave of absence to be taken by the unit member, then the District shall notify the unit member (by first-class mail sent to the address provided in the written request) of any posted vacancies that occur during the summer recess or the period of leave of absence.

Transfers and reassignments shall not be made in an arbitrary, capricious, retaliatory or discriminatory manner, nor shall discipline be a factor when a transfer or reassignment is considered by the District.

11.4 Voluntary

A request for a transfer or reassignment may be initiated at any time by the unit member by submitting the request in writing to the Chancellor or his/her designee.

The District shall endeavor to grant a unit member's request for transfer or reassignment if the training, experience, and abilities of the unit member match the job specifications of the available position.

The unit member's prior service to the District shall be a factor in determining if a request for voluntary transfer or reassignment is to be granted.

11.5 Involuntary

A bargaining unit member who is to be involuntarily transferred or reassigned shall be given ninety (90) days notice if possible, but in all circumstances, as much advance notice as possible prior to the effective date of the transfer or reassignment.

When an involuntary transfer or reassignment is contemplated, the District shall consider the following factors in addition to the needs of the District:

- 11.5.1 The qualifications and demonstrated abilities of the unit member;
- 11.5.2 The preference of the unit member; and
- 11.5.3 The prior service the unit member has rendered to the District.
- 11.5.4 If the District determines that the above factors are equal, seniority shall be the determining factor.

ARTICLE 12. REDUCTION IN FORCE

12.1 Definitions

For the purpose of this Article, the terms “contract employee” and “regular employee” shall be as defined in the Education Code.

12.2 General

If it becomes necessary during the term of this Agreement to lay off contract and/or regular employees who are members of the bargaining unit in accordance with the provisions of Education Code section 87743, the parties agree to proceed according to Education Code sections 87413, 87414, 87740 and 87743 through 87743.5, inclusive.

The District shall furnish the Association with a list indicating the seniority of each contract and regular employee who is a member of the bargaining unit by no later than March 1 of any year in which it becomes necessary to lay off contract and/or regular employees who are members of the unit.

12.3 Procedure

If such layoffs as described in Section 12.2 above become necessary, the parties agree to act in accordance with the following procedure:

- 12.3.1 The District administration shall develop recommendations for reductions in programs and services affecting members of the bargaining unit;
- 12.3.2 The Association and District administration shall meet and confer regarding such recommendations and shall consider unpaid leaves of absence, reduced instructional loads, reassignments, and early retirements;
- 12.3.3 Any proposed changes that emerge from the advisory consultation described in Section 12.3.2 above may be incorporated into the recommendations;
- 12.3.4 The Association and District administration, at least ten (10) calendar days before the date of the Board meeting at which the recommendations are to be made, shall meet and negotiate regarding the anticipated effects of the proposed reduction in force.

12.4 Criteria

In the development of recommendations, the parties agree to keep foremost in mind the needs of the communities served by the District and the College’s missions and goals.

Recommended layoffs shall be on the basis of seniority and qualifications in accordance with pertinent Education Code sections. Seniority shall be determined on the basis of the contract or regular employee’s initial date of paid service with the District. In the event two (2) or more

contract or regular employees have the identical initial date of paid service, seniority within that group of employees shall be determined by lot in accordance with Education Code provisions.

12.5 Effects

Following layoffs and in the event of a recall to service of affected employees, the parties agree to act in accordance with pertinent Education Code provisions.

Contract or regular employees who are laid off shall be entitled to receive health and welfare benefits beyond their last date of actual service to the District, but in no case shall these benefits continue beyond September 30 of the year in which the employee was laid off.

ARTICLE 13. RETRAINING

The District proposes to grant twenty percent (20%) released time per semester for two (2) semesters during a two (2) year time period or forty percent (40%) for one (1) semester for a faculty member to attain proficiency in an additional instructional area (i.e., meet minimum equivalency requirements in a new instructional discipline) as determined by the District.

Faculty members who take advantage of the above shall agree, in writing, to remain with the District for one (1) year following released time for retraining. Failure to do so shall mean that the faculty member shall reimburse the District for that portion of his/her salary and benefits that the released time represents.

ARTICLE 14. GRIEVANCE PROCEDURE

14.1 Purpose

The purpose of this procedure is to provide prompt and orderly means of resolving grievances at the lowest administrative level.

14.2 Definitions

A “grievance” is a formal, written allegation by a grievant that there has been a violation of a provision(s) of this Agreement.

A “grievant” is a unit member, or a group of unit members, or the Association.

A “day” is a day in which the central administrative office of the District is open for business, with the exception of the winter and spring recesses.

14.3 General Provisions

It is important that grievances be processed as rapidly as possible. Therefore, the number of days indicated at each level should be considered as maximums, and every effort should be made to expedite the process. The times specified, however, may be extended by mutual consent.

If the grievant does not comply with the time limits set forth in this Article, it shall be considered settled on the basis of the last decision rendered. If the District does not comply with the timelines, the grievant may advance to the next level.

A grievant may choose to have representation or may represent himself/herself at Levels 1 and 2, the Association shall be informed of the decision and have the right to present in writing its views on the grievance at each level of the procedure. Only the Association may proceed to Level 3 or higher.

Any records pertaining to a grievance shall be kept in a file separate from the grievant’s official District personnel file.

Grievances of a similar or like nature may be joined as a single grievance by mutual agreement of the District and the Association.

If an alleged grievance occurs from the action or inaction of an administrator above the immediate supervisor of the grievant, the grievance shall be filed at the level corresponding to the maker of the decision.

For the purpose of this procedure, references to the President and Chancellor shall also mean their designees.

14.4 *Grievance Levels*

14.4.1 Level 1

Within fifteen (15) days after the grievant knew, or could reasonably be expected to have known of the event or condition upon which the alleged grievance is based, the grievant shall submit the grievance in writing to the immediate supervisor of the grievant and meet with the immediate supervisor of the grievant to attempt to resolve the alleged grievance. The written grievance shall set forth in a clear and concise manner the provision(s) alleged to have been violated, the circumstances involved, and the specific remedy sought. Appropriate grievance forms shall be provided by the District. The immediate supervisor of the grievant shall respond in writing within ten (10) days after the meeting. (The grievance form is attached to this agreement as Exhibit D.)

14.4.2 Level 2

If the grievance is not resolved at Level 1, the grievant shall within ten (10) days of receipt of the written response, or ten (10) days from when the response was due, submit a written Level 2 grievance to the President. (The grievance form is attached to this agreement as Exhibit D.)

The President shall have ten (10) days after receiving the grievance to render a written decision to the grievant. If the grievant is not satisfied with the decision, or if the President has not rendered a decision within the ten (10) day time limit, the grievant may appeal the decision in writing to the Chancellor, at Level 3, within ten (10) days.

14.4.3 Level 3

The appeal to Level 3 shall include a copy of the original grievance, the decision rendered at Level 2, if any, and the reasons for the appeal.

The Chancellor shall have ten (10) days after receiving the appeal to render a written decision to the grievant. If the grievant is not satisfied with the decision, or if the Chancellor has not rendered a decision within the ten (10) day time limit, the grievant may submit the grievance to arbitration. The grievant may bypass the arbitration process and proceed directly to Level 5. In either case, the action shall be taken within ten (10) days.

14.4.4 Level 4

The Level 4 arbitration shall be conducted in accordance with the Employment Arbitration Rules and Mediation Procedures of the American Arbitration Association (AAA) and the provisions of this procedure.

However, upon the mutual agreement of the District and the Association, the arbitration may proceed under the expedited rules of the AAA.

The arbitrator shall be selected from a list provided by the State Mediation & Conciliation Service (SMCS). The District and the Association shall make the arbitrator selection by eliminating names until only one (1) name remains. The one (1) remaining name shall be the arbitrator. The process of striking names shall occur within ten (10) days of receipt by both parties of the SMCS list. The arbitrator selected must be a member of the National Academy of Arbitrators. The request for a list of arbitrators from the SMCS shall request that the names provided be members of the National Academy of Arbitrators, have experience in education, and are licensed as an attorney.

The decision of the arbitrator shall be based solely on the evidence and testimony presented at the hearing and upon the contents of the briefs.

The arbitrator shall have no power to alter, amend, add to, subtract from, or disregard any of the terms of this Agreement, but shall determine only if there has been a violation of a provision(s) of this Agreement as alleged in the grievance. The arbitrator will be without power or authority to make any decision, which requires the commission of an act, prohibited by law or which is in violation of the terms of this Agreement.

The decision of the arbitrator shall be advisory only and shall be in the form of a written recommendation to the Board of Trustees. Copies of the decision shall be submitted to the District, the Association, and the grievant.

All fees and expenses of the arbitrator shall be shared equally by the District and the Association. Other expenses shall be borne by the party incurring them.

14.4.5 Level 5

The Board of Trustees shall consider the arbitrator's recommendation at its next regular meeting, provided at least ten (10) days have elapsed since receipt of the decision.

The Board of Trustees may implement the arbitrator's decision in whole or in part; may decide not to implement the decision; may meet with the parties to discuss other alternative solutions; or may take whatever other action it deems appropriate. The action of the Board of Trustees shall be final and binding.

In the case of a grievant who has appealed a decision of the Chancellor directly to Level 5, the Board of Trustees shall render its decision in writing within twenty (20) days of the day the Board heard the grievance. The action of the Board of Trustees shall be final and binding.

Should the Board reject an arbitrator's decision, which sustains the grievant, the grievant and/or the Association may appeal the Board's decision in a court of competent jurisdiction.

14.5 Reprisals

No reprisals of any kind will be taken by the District against any person who files a grievance, or any party in interest, any member of the Association or any other participant in the grievance procedures by reason of such participation.

ARTICLE 15. COMPETENCY AND FACULTY SERVICE AREAS

As required by Education Code sections 87743.1 and 87743.2, the parties agree that there will be one (1) faculty service area which encompasses the entire district, and that the term “faculty service area,” as applied to members, shall mean all District programs in which full-time instructional faculty, counselors, and librarians are employed.

As required by Education Code section 87743.5, the parties agree that the word “competency” and the term “competency criteria”, as applied to bargaining unit members, shall be tantamount to the possession of minimum qualifications for district employment as an instructional faculty, counselor, or librarian in accordance with Education Code sections 87355 and 87356.

ARTICLE 16. SAFETY

Employee safety is a primary concern of the Governing Board and the administration of the District and is of highest priority. The obligation of the District is to provide and maintain safe working conditions and equipment at all times and to comply with standards prescribed by applicable federal, state, and local laws and regulations affecting employee safety. Any employee who notices any unsafe conditions shall remedy and/or report the condition to the Vice Chancellor of Business Services or the Director of Maintenance and operations immediately.

ARTICLE 17. OFFSITE LOCATIONS

17.1 Preamble

Offsite locations are defined as any location not identified as a “college” or “center” by the State Chancellor’s Office.

All offsite location assignments shall be voluntary. Assignments may be part of the unit member’s regular load or overload.

17.2 Correctional Institutions

17.2.1 Assignment

The District will provide the Association an outline of any terms, compensation, safety conditions and other considerations relevant to a face-to-face prison assignment prior to offering unit members said assignments. Onsite office hours are not required.

17.2.2 Security and Training

The District and the participating prison will coordinate to provide training in security procedures and protocols for the unit members who volunteer for a prison assignment. All costs shall be the responsibility of the District.

Prior to beginning their assignments, all unit members who have chosen to provide services at the prisons will be required to participate in training conducted by the CDCR, and will be compensated by the District at the current overload rate for such training.

Unit members who provide services are required to comply with established laws, regulations, and rules governing California State Prisons including those set forth by the Department of Corrections. This includes fingerprinting, background checks, and limitations on the types of materials that can be brought into the prisons.

Prison officials reserve the right to terminate a unit member’s service at any time during an instructional or non-instructional assignment. Only in such cases where the cause for termination of services also constitutes grounds for termination under the Education Code could such assignment termination be grounds for District employee discipline procedures. The unit member will be paid only for services that were provided prior to the termination.

17.2.3 Compensation

As the procedures at both prisons require the passing through of many check points, handling of keys, and picking up and returning emergency signal devices,

as well as the picking up of and returning of the facility's "chit" at a separate location from the classroom, all of which take additional time beyond the normal classroom prep and beyond the normal arrival/departure time for typical instructional duties, the faculty member will be compensated for an amount equal to one-half hour of the current overload rate regardless of the actual time taken per day.

Because of the unique situation of providing instruction in a prison environment, unit members will be paid at their hourly rate for any additional time spent at the prison facility beyond the time allotted to the assignment due to a lockdown or other security event rounded up to increments of one-half hour.

ARTICLE 18. SEVERABILITY AND SAVINGS

If any provision of this Agreement or any application of a provision of this Agreement to any employee or group of employees is held invalid by operation of law or by a court of competent jurisdiction, such provision shall be inoperative, but all other provisions shall not be affected thereby and shall continue in full force and effect.

ARTICLE 19. EFFECT OF AGREEMENT

It is understood and agreed that the specific provisions contained in this Agreement shall prevail over District practices and procedures and over state laws to the extent permitted by state law and that in the absence of specific provisions in the Agreement, applicable state laws and District policies shall be in effect.

ARTICLE 20. DISTANCE LEARNING

20.1 *Preamble*

Distance Learning is defined as when the instructional faculty and student are separated geographically and any portion of the classroom instruction during the course term is taught through the use of technology.

The District reserves the right to offer Curriculum Committee approved courses in any modality that best meets the needs of the student. The District may consider schedule, faculty preference, student preference, historical patterns of class offering and available technology in determining how a class will be offered.

20.2 *Online Instructional Faculty Qualifications*

Faculty members who wish to teach an online course are required to either take an online course themselves, take a District-approved or provided course in instructing distance learning courses, have taught an online course within the immediate past five (5) years, or otherwise provide verification of proficiency as a means to enhance their eligibility to teach in the online modality.

20.3 *Class Size*

- 20.3.1 Online Modality: For courses fully taught in an online mode, enrollment shall be limited to a maximum of 50* students per section, unless agreed upon by both the faculty member and the District. (*Except as noted in existing or current class size limitations, i.e., English)

If on the census date, the enrollment is at 51 or more students in a section, the faculty member instructing that section will receive a stipend of \$1250. An additional \$1250 stipend will be awarded for every ten students enrolled above 60 in the section. E.g.:

<u>Students</u>	<u>Stipend</u>
51-60	\$1250
61-70	\$1250
71-80	\$1250
Etc.	

Video Conferencing: For courses fully taught in video-conference mode, enrollment shall be limited to a maximum of 50* students per section. (*Except as noted in existing or current class size limitations, i.e., English.) If the class size on all sides combined exceeds 50* students, then at the District's discretion either: 1) the class will be split and an instructional faculty member will be assigned to each section so that the number of students is less than 50* or 2) the faculty member instructing that section will receive a stipend of \$1250. An additional \$1250 stipend will be awarded for every ten students enrolled above 60 in the section. E.g.:

<u>Students</u>	<u>Stipend</u>
51-60	\$1250
61-70	\$1250
71-80	\$1250
Etc.	

20.4 Compensation/Workload

- 20.4.1 An instructional faculty member who teaches a course delivered entirely in an online mode for the first time will be compensated at one and one-half (1 ½) times the regular unit load for that course, on the condition that the instructional faculty member agrees to teach that course in that mode for a minimum of two (2) semesters within a period of two (2) consecutive years.
- 20.4.2 An instructional faculty member who teaches a course delivered entirely in a video-conference mode will be compensated by a stipend of two hundred and fifty dollars (\$250.00) in addition to regular unit load for that course conditioned upon reaching a minimum class size of thirty five students.

I. Application Procedures

- A. Eligible faculty members must submit a proposed plan in writing to the Chancellor prior to December 1 of the academic year preceding the year for which the leave is requested. The plan of work should provide sufficient information for evaluation according to the criteria outlined in Board of Trustees Sabbatical Leave Policy. For the Spring Semester of the 1996-97 academic year, proposed plans must be submitted by November 1, 1996.**

Sabbatical leave applications will then be forwarded to the Academic Senate. The Academic Senate will review the applications and recommend acceptable applications for final approval by the Chancellor and Board of Trustees.

- B. The recommendations of applicants by the Academic Senate will be influenced significantly as indicated below:**

- 1. Major consideration will be given to the present and future worth of the sabbatical leave in terms of improving student success and/or curriculum development.**
- 2. Consideration may be given to past accomplishments such as workshops, committee work, individual projects and studies, and any other group activities.**
- 3. Should the District be undertaking a project or have a need in a certain field, priority may be given to those applicants most likely to make a contribution to these needs.**
- 4. With less emphasis, consideration may also be given in terms of length of service to the District and distribution of sabbatical leaves among the various departments.**

II. Selection Procedures

- A. The Academic Senate will screen the sabbatical leave applications and**
